 **How to Write Your First Book** Stefanie Newell, 2016-11-24 Calling all aspiring writers, speakers, coaches, experts, entrepreneurs, business professionals or anyone considering writing a book for the first time... If the thought of writing a book has been confusing for you in the past, then here's the simplest strategy for writing your first book and ensuring you're a successful author! Do you have a book idea that you've wanted to write for a while but were confused on the steps? Are you overwhelmed by all of the books on writing, publishing and marketing? With a proven formula for success How to Write Your First Book will help you to write better and to understand the fundamentals of writing your first book no matter your writing level or ability. If you are motivated to take your career to the next level or simply want to publish the fiction idea that's been floating around in your mind, the simple and easy to use formula called the W.R.I.T.E. method will help you to accomplish your goal of becoming a published author. Whether you are a new author hoping to find success with your very first book or a professional using it to brand your business, this formula works! The fact of the matter is a well-written book does not always guarantee success. With the W.R.I.T.E. method, you are given the tools you need to attract your audience and make a consistent passive income from your books so that you can write for a living. In this book, all of the questions you didn't even know you had will be answered. You'll learn: - The formula for writing a book that ensures success! - How to research your book idea to determine if it's profitable before you write the book! - How to choose between traditional or self-publishing based on your time, writing goals and budget! - How to write specifically for your target audience so that you can sell more books! - How to create a book title, cover, and book description that will garner you massive sales! - What to consider with respects to your very first book launch and while creating an author platform! - And much more! Perfect gift idea for writers! It doesn't matter if you are looking to write great fiction or an inspiring non-fiction book, whether you choose to self-publish or traditionally publish, this book will be of value to you! If you've been waiting to write a bestseller because you just didn't know how to get started, look no further! This step-by-step guide places you on the path to success! Buy How to Write Your First Book today and be one step closer to becoming a published author in 2017! Stefanie is an expert in her field and that shows through in her writing. I have been writing for quite some time, but this book gave me information I didn't know anything about. This is definitely a must for anyone thinking about writing a book for publication. - Sarah S.

 **Reinventing Writing** Vicki Davis, 2014-05-23 In this much-anticipated book from acclaimed blogger Vicki Davis (Cool Cat Teacher), you'll learn the key shifts in writing instruction necessary to move students forward in today's world. Vicki describes how the elements of traditional writing are being reinvented with cloud-based tools. Instead of paper, note taking, filing cabinets, word processors, and group reports, we now have tools like ePaper, eBooks, social bookmarking, cloud syncing, infographics, and more. Vicki shows you how to select the right tool, set it up quickly, and prevent common mistakes. She also helps you teach digital citizenship and offers exciting ways to build writing communities where students love to learn. Special features: • Essential questions at the start of each chapter to get you thinking about the big ideas • A chapter on each of the nine essential cloud-based tools--ePaper and eBooks; digital notebooks; social bookmarking; cloud syncing; cloud writing apps; blogging and microblogging; wikis and website builders; online graphic organizers and mind maps; and cartoons and infographics • A wide variety of practical ways to use each tool in the classroom • Alignments to the Common Core State Standards in writing • Level Up Learning--a special section at the end of each chapter to help you review, reflect on, and apply what you've learned • Writing tips to help you make the best use of the tools and avoid common pitfalls • A glossary of key terms discussed in the book • Useful appendices, including reproducible material for your classroom No matter what grade level you teach or how much tech experience you have, you will benefit from Vicki's compelling and practical ideas. As she emphasizes throughout this essential book, teaching with cloud-based tools has never been easier, more convenient, or more important than right now.

 **The Making of Tomb Raider** Daryl Baxter, 2021-12-20 Back in 1994 at the game company 'Core Design' in Derby, Lara Croft was born. Through eighteen months of pure hard work from the team, Tomb Raider was released in 1996 and became the success that we see today; taking part in the mid-nineties celebrations of Brit-Pop and Girl Power. This is the story of the team who were involved in creating the first two games, then leaving the series to a new team in 1998. Lara Croft brought class, comedy, and a James Bondian role to the game, dreamt up by Toby Gard and helped to become a pitch with Paul Douglas. The game was a gamble, but because everyone at the company believed in it, it led to huge success for everyone, except for Toby and Paul. 'The Making of Tomb Raider' goes into detail of how Lara and the games were born, alongside why Toby Gard and Paul Douglas left before the sequel was released. Throughout eleven chapters of countless interviews, this book will tell you who was responsible for creating the first two games; from its levels, its music, the many voices of Lara Croft, and much more. The team also reveals all about the star of the second game; Winston the Butler, and how he came to be by Joss Charnet. Over twenty people were interviewed for this story; from the pitch for what would be Tomb Raider, alongside the challenges along the way, up until the release of Tomb Raider 2 in 1997...

 **Pet's Write a Short Story!** Joe Bunting, 2012-11-30

 **The Authentic Swing** Steven Pressfield, 2013-09-24 The story behind the legend of Bagger Vance If you've read his books The War of Art and Turning Pro, you know that for thirty years Steven Pressfield (Gates of Fire, The Afghan Campaign etc.) wrote spec novel after spec novel before any publisher took him seriously. How did he finally break through? Ignoring just about every rule of commercial book publishing, Pressfield's first novel not only became a major bestseller (over 250,000 copies sold), it was adapted into a feature film directed by Robert Redford and starring Matt Damon, Will Smith, and Charlize Theron. Where did he get the idea? What magical something did The Legend of Bagger Vance have that his previous manuscripts lacked? Why did Pressfield decide to write a novel when he already had a well established screenwriting career? How does writing a publishable novel really work? Taking a page from John Steinbeck's classic Journal of a Novel, Steven Pressfield offers answers for these and scores of other practical writing questions in The Authentic Swing.

 **The Everything Guide to Remote Work** Jill Duffy, 2022-02-08 Discover the secret to being productive and successful no matter where you are with this essential guide to remote work. During COVID-19, working from home became the new normal. Now, both employers and employees find that the remote work they were forced to adjust to may be, well, better—financially, sustainably, and even in terms of overall morale and productivity. But working from home is not without its challenges. It can be difficult to eliminate distractions, strike a solid work/life balance, and maintain social connections that are crucial in the workplace. Whether you're trying to find and land a job from the comfort of your home, learning to manage a virtual team, or dream of living a digital nomad lifestyle, The Everything Guide to Remote Work has everything you need to be successful. You'll learn to optimize your own workplace culture, whether it's in your home office or a constantly changing backdrop. So whether your company continues to work remotely full time or you only have to go to the office a few days a week, you'll be armed with all the tools you'll need to make the most out of this new lifestyle.
