Off Mike Mike Emrick,Kevin Allen,Eddie Olczyk,2020-10-20 Emrick loves stories and loves to tell them. Yesterday in broadcasting. Tomorrow in book form. —Steve Simmons, Toronto Sun After nearly 50 years behind the microphone, the voice of hockey in America opens up in a must-read memoir. Mike Doc Emrick has seen everything there is to see in a hockey game. Sizzling slap shots. Commitment, courage, and camaraderie. Pugnacious pugilists. Game-winning goals. To hockey fans across the country, his voice—and vocabulary—have become synonymous with the game they love. In *Off Mike*, Doc takes readers back to the beginning, detailing how a Pittsburgh Pirates fan from small-town Indiana found himself in the wild world of professional hockey, calling games for the New Jersey Devils, Philadelphia Flyers, and finally NBC. He's covered All-Star Games, Stanley Cup Finals, the Olympics, and everything in between, rubbing shoulders with hockey's immortals both on and off the ice. Yet Doc's life has had its share of ups and downs, from almost leaving behind the love of his life to the passing of beloved companions to personal health scares. After years of being welcomed into our homes, in this autobiography Doc welcomes us into his, revealing the stories, wit, and wisdom that have made him one of the most beloved figures in sports.

The Hidden Half Michael Blastland,2019-04-04 Why does one smoker die of lung cancer but another live to 100? The answer is 'The Hidden Half' - those random, unknowable variables that mess up our attempts to comprehend the world. We humans are very clever creatures - but we're idiots about how clever we really are. In this entertaining and ingenious book, Blastland reveals how in our quest to make the world more understandable, we lose sight of how unexplainable it often is. The result - from GDP figures to medicine - is that experts know a lot less than they think. Filled with compelling stories from economics, genetics, business, and science, The Hidden Half is a warning that an explanation which works in one arena may not work in another. Entertaining and provocative, it will change how you view the world.
