

Tory Daily

Mark Cronlund Anderson, Carmen L. Robertson

Tory Burch Tory Burch, 2014-10-14 Tory Burch sees the world in color, inspired by people, places, and ideas—all of which influence her brand, synonymous with print and color. In her first book, she explores what living in color means to her. The book is organized by color, each one brought to life through images of her own collections and travels; how she entertains; style icons; the works of artists, authors, and interior designers she admires; and the advice of business leaders—many of whom are interviewed within. The book also offers a glimpse into the more personal moments in Tory's life, such as family trips with her boys or the indelible ways in which her parents, Buddy and Reva Robinson, influenced her collection, company, and philosophy. The foreword is written by Anna Wintour, artistic director of Condé Nast and editor-in-chief of Vogue, and the cover features Damien Hirst's Beautiful Primal Urges Rug, © Damien Hirst and Science Ltd., all rights reserved / DACS, London / ARS, NY 2014. Courtesy of Other Criteria. 100% of the gross proceeds received by Tory Burch LLC from the sale of this book will benefit the Tory Burch Foundation.

The Forum Loretta Sutton Metcalf, Walter Hines Page, Joseph Mayer Rice, Frederic Taber Cooper, Arthur Hooley, George Henry Payne, Henry Goddard Leach, 1908 Current political, social, scientific, education, and literary news written about by many famous authors and reform movements.

Tory Nation Samuel Earle, 2023-05-04 'A witty, lucid investigation into one of the great mysteries of our time' JONATHAN COE 'Should be read and enjoyed by readers on the left, right and centre' David

Why do British politics so often play out on the Tories' terms? What does this say about our democracy? In his revelatory book, Samuel Earle explores the roots of the current crisis and the real reasons for the Conservatives' unsettling success, from their ruling-class origins in the eighteenth century and their disproportionate influence of the British press to their stranglehold over national identity. He sheds light on the Conservatives' historic appeal among the working classes and why the Labour Party so often disappoints. Tory Nation describes the making of Britain through one party's astonishing power over us. It's only by reaching into our history, Earle argues, that we can understand how we got here – and how we can find a way out.

_____ 'Written with historical depth and literary flair' NEW STATESMAN 'Earle has set out clearly and eloquently why our democracy is incapable of solving our political problems' ROBERT VERKAIK, author of Posh Boys 'Gripping and indispensable' NESRINE MALIK, author of We Need New Stories

Seeing Red Mark Cronlund Anderson, Carmen L. Robertson, 2011-09-02 The first book to examine the role of Canada's newspapers in perpetuating the myth of Native inferiority. *Seeing Red* is a groundbreaking study of how Canadian English-language newspapers have portrayed Aboriginal peoples from 1869 to the present day. It assesses a wide range of publications on topics that include the sale of Rupert's Land, the signing of Treaty 3, the North-West Rebellion and Louis Riel, the death of Pauline Johnson, the outing of Grey Owl, the discussions surrounding Bill C-31, the "Bended Elbow" standoff at Kenora, Ontario, and the Oka Crisis. The authors uncover overwhelming evidence that the colonial

imaginary not only thrives, but dominates depictions of Aboriginal peoples in mainstream newspapers. The colonial constructs ingrained in the news media perpetuate an imagined Native inferiority that contributes significantly to the marginalization of Indigenous people in Canada. That such imagery persists to this day suggests strongly that our country lives in denial, failing to live up to its cultural mosaic boosterism.

The Clear and Present Truth of the Daily Sacrifice Tory Alan St. Cyr, 2021-02 When Daniel prophesied about the Daily Sacrifice, he was referring to the one thing we have all overlooked. Once you read this book, you will see there is only one thing the Daily Sacrifice can be.

The Independent William Livingston, 1911

The Shift Tory Johnson, 2013-09-10 This inspiring #1 bestseller is a gutsy look at what it takes to undo a lifetime of self-sabotaging habits and feel great about the change and yourself. Good Morning America contributor Tory Johnson is all about helping women make great things happen. And after a lifetime of obesity, of failing at fad diets and sporadic health programs, Tory was ready to make great things happen for herself -- making the shift by recognizing that it was time to lose weight once and for all, and do it her way. In twelve months, she lost more than 60 pounds, and for the first time shares what she learned, what she ate and how she changed in *The Shift: How I Finally Lost Weight and Discovered a Happier Life*, her

most personal book yet. In this updated trade paperback edition, Tory Johnson adds a look back at the amazing response her *Shift* has brought from thousands of people across the country, shares additional lessons learned in the year following the book's publication, and includes the stories of Shifters -- readers so inspired by her book they have made their own life-changing Shifts.

Whatever Happened to Tory Scotland? David Torrance,2012-10-24 Explores the history and ideas of the Scottish Conservative Party since its creation in 1912. You might not believe it now, but the Scottish Conservative Party played a significant role in the politics of Scotland during the last century. The party governed Scotland and the UK for much of the 20th century. But their support has nosedived from a majority of votes and seats at the 1955 general election to just a single constituency and 17 per cent of the vote in May 2010. This collection brings together academics, writers, commentators and analysts of Scottish politics to address the nature of the Scottish Conservative Party: its standing in Scotland, its influence on the Union, its role in the Scottish Parliament and why it fell so out of favour with the Scottish electorate.

Tory Pride and Prejudice Michael McManus,2011-10-06 TORY PRIDE AND PREJUDICE is an

authoritative but highly accessible account of the Conservative Party's social attitudes from the 1950s to the present day, with a particular focus on homosexual law reform and equal rights for LGBT citizens. Presented in the context of contemporary social and political developments, it draws upon extensive primary research and exclusive interviews to chart the party's progress from a stubborn unwillingness to decriminalise homosexuality in the 1950s and 1960s, via tacit acceptance in the 1970s and Section 28 in the 1980s and 1990s, to the current Conservative-Liberal Democrat Coalition Government, which has produced the first comprehensive statement on equal rights in British history.
