**Past Life Countess, Present Life Otome Game NPC?! Sorahoshi,2020-09-11** Oh dear, it seems I was reincarnated into a modern otome game from a fantasy world! All I ever wanted was to be free of my responsibilities as a countess and I finally got my wish when I was reborn as a commoner in modern Japan. Everything was going perfect, except it turns out this is the world of an otome game and some crazy girl who goes around calling herself the “heroine” is upset at me for stealing all her “events” with the “love interests”... Now she wants me to team up with her against the “villainess”. I’m supposedly just a random NPC, so why am I being dragged into this?!

**I Reincarnated As Evil Alice, So the Only Thing I’m Courting Is Death! But before I could even enjoy my new life as Alice, I remembered something important. Even though this is a game about dating, there are so many bad endings, it won the award for “Deadliest Game of the Year”! I’m not allowed to fall in love if I want to live?! But the death flags just keep coming! Packed with suspense and romance, this is the story of my gothic romantic comedy!

**Pretty Boy Detective Club: The Dark Star that Shines for You Alone NISIOISIN,2021-02-09** “I really have to give this book the highest marks I can... I could say buy this if you like Nisioisin or if you like mysteries or if you like amazing characters but I don’t think it’s for just any one type of person. Let me say, if you’re reading this review: This book is for you... As far as the translation goes, I think they nailed it... To put it frankly, out of all Nisioisin’s English releases, this is one of his top. To put it even simpler: It’s beautiful. Five Out of Five Beautiful Dark Shining Stars.” — No Good Nerds “The translation reads well with no issues to note... There is plenty to like

and, as always, the author delivers an engrossing story with witty dialogue and interesting characters. I'm looking forward to seeing what kind of mysteries the Pretty Boy Detective Club tackle in the volumes to follow... Overall, Pretty Boy Detective Club offers another satisfying read for fans of NISIOISIN's works." — Anime UK News

Her entire family has been reincarnated as the aristocratic Northland family. In an attempt to amicably remove herself as a candidate for the Third Prince's fiancée (which would certainly cement her position as the game's villainess), Amy has taken drastic measures—eating tons of food and just enjoying life (at her mother's suggestion). **Queer Japan from the Pacific War to the Internet Age** Mark J. McLelland,2005 Scholarship on Japan has recently broadened to include minority perspectives on communities from marginal workers to those whose sexuality has long been overlooked. This volume, with its combination of fieldwork in the gay and lesbian communities and the use of historical sources such as journals and

documents, breaks important new ground in this field. It examines gay life in the Japanese Pacific War, addresses transgender and lesbian as well as gay issues, examines the interface of queer society with the U.S. occupation and the international community, contests major interpretations of contemporary queer society, and introduces readers to the development of lesbian, transgender, and gay communities in postwar Japan. *Queer Japan from the Pacific Age to the Internet Age* provides a historical outline of the development of sexual-minority identity categories and community formation through a detailed analysis of both niche and mainstream publications, including magazines, newspapers, biographies, memoirs, and Internet sites. The material is also augmented with interview data from individuals who have had a long association with Japan's queer cultures. Including a wealth of images from the perverse press, this book will appeal to students and general readers interested in modern and contemporary Japan and in gender studies and sexuality.
