Poof 123 Arielle Berg, 2019-08-15 Planet 123 is the destination for this new Touch and Learn book. On the journey to Planet 123, the numbers had a fight and split apart. Let your kid be the superhero and join the numbers back together. In a counting book set in space that teaches the importance of friendship and getting along, your baby Einstein will begin his or her journey into counting with this interactive book. Young readers are asked to help join the numbers back together by drawing their finger from one number to the next. Alongside Aiden the Astronaut, children will be introduced to a world of meaningful concepts in a fun way. From a simple sensory book with bright and joyful colors to an interactive means of learning the numbers, *Poof 123* is ideal for all parents. And remember: this is just one book of the Touch & Learn series for children learning, as specifically created to help toddlers develop their abilities and skills. In this counting book of the Touch and Learn series designed for 2 year olds, toddlers, preschool and up, introduce your child to first concepts including numbers. Through touch and simple words, toddlers can enjoy their first counting book and learn to count with ease. **INTERACTIVE LEARNING** Within the first four years, the concepts you teach your child are of the utmost importance and will help shape their ability to read, learn math and learn higher concepts. By encouraging your child to touch the page, your child uses his or her sense of touch in addition to their sense of sight and hearing. From the sound of your voice, to touching the page, this may improve their ability to remember each number better. **NUMBERS, COLORS & SHAPES** This book introduces your child to numbers in a book filled with colors and shapes. A great companion to other books and toys that introduce your child to colors and shapes. **FIRST NUMBERS** Counting to 100 can feel and sound daunting to a child. Counting to ten sounds a lot easier and may help your child feel good about progressing to counting higher numbers. This way preschoolers get confidence in their abilities

before moving on to higher concepts. Help your baby learn the power of numbers as well as the power of our words as human beings through interaction in this science themed counting book. First count to ten which will make it easier in counting later to 100. The interactivity makes this numbers book a great early learning activity book for your bright and curious baby. Used alongside your colors books, first counting book, coloring book, tracing books, early learning book, baby's first 123, books for children 1-3, baby board book, introduction to mathematics, preschool prep book and first letters book, POOF 123 introduces kids to first concepts in a way that is meaningful and fun. Imagine your child saying It's the best learning to count book ever! Perfect for parents wanting a simple sensory baby book that is bright and happy. Poof ABC is part of the Touch & learn series including: Poof ABC: Touch & Learn Alphabet, Swoosh Shape: Touch & Learn Shapes (upcoming). Poof Colors: Touch & Learn (upcoming) .

Poof ABC Arielle Berg, Isabel Casal, 2019-08-14 Spaceship ABC has been sucked into a black hole, and the alphabet has split apart. Let your kid be the superhero and save the alphabet. Young readers are asked to touch each letter to the next in order to bring the alphabet back together in a book that teaches kids about the power of their words. Innovative and a Fun Way to Learn the ABCs for preschoolers- In this spaceship ABC book, each letter stands for an object of space or nature (C is for Comet, D is for Dinosaur). When they turn the page, they are met with a colorful, full-page illustration of the flask with the transformative onomatopoeia, 'Poof!', followed by a comical combination (e.g. a dinosaur riding a comet in outer space!). It puts a Fun Twist to Learning the Alphabet. It is Interactive and Appealing - Level up your teaching materials by getting this collaborative education book that teaches letters a-z. Watch your kids interact with you as you teach them the basics of the alphabet. Uses Science Imagery to Teach Young Kids About the Alphabet - With lots of fun activities for kids out

there, this ABC book set in outer space is a good addition as it is interactive and the ABCs are connected to the universe. Great ABC'S book for boys (and girls). In an ABC book that will appeal to girls as well as boys, this book is a great way to learn the alphabet as kids use their sense of touch, their sense of hearing as well as their sense of sight. Great Addition to your Numbers, Colors and Shapes Library An alphabet book that teaches kids early concepts. A great companion for early learning books such as books that help teach toddlers numbers, colors, and shapes, baby books that help teach kids about animals, board books that help teach kids sports, books to learn about cars, books to learn about science, abc puzzle books, abc tracing books, train your kid to go potty books, abc blocks, early concept picture books, activity workbooks, books to learn about flowers, books for kids to learn about potty training and more. A great 2018 and 2019 addition to other toddler and preschool books for ages 1 -3 in preschool prep. In a learning alphabet baby book that is interactive in line with animal alphabet flash cards for toddlers, Berg brings innovation to learning the ABCs. By encouraging 2 and 3 year olds to touch the page, it also helps kids visualize and internalize letters similar to sight word books, letters wipe clean books, tracing books for kids, write and wipe books, alpha phonics books, kids learning toys, bob books and other beginning readers. POOF SERIES POOF ABC is part of the POOF series which includes POOF 123: Touch and Learn Numbers and SWOOSH SHAPE: Touch & Learn Shapes. Each book gives toddlers the framework for reading before a parent launches into more detailed lessons for learning to write or introduces more advanced books for learning to read for preschool. POOF ABC keeps kids busy and helps both a parent and a toddler feel empowered. In the process, it teaches kids an important universal lesson, that YES they can transform their universe with the power of their words.
