Authorized Mark Ward,2018 The King James Version has shaped the church, our worship, and our mother tongue for over 400 years. But what should we do with it today? The KJV beautifully rendered the Scriptures into the language of turn-of-the-seventeenth-century England. Even today the King James is the most widely read Bible in the United States. The rich cadence of its Elizabethan English is recognized even by non-Christians. But English has changed a great deal over the last 400 years—and in subtle ways that very few modern readers will recognize. In *Authorized* Mark L. Ward, Jr. shows what exclusive readers of the KJV are missing as they read God's word. In their

introduction to the King James Bible, the translators tell us that Christians must hear CHRIST speaking unto them in their mother tongue. In Authorized Mark Ward builds a case for the KJV translators' view that English Bible translations should be readable by what they called the very vulgar—and what we would call the man on the street.

Coming Out of Egypt K.C. Stricker, 2008-03-15 Coming Out of Egypt is an exodus out of idolatry--the idolatry of ancient Egypt and the idolatry that permeates the church today. Its goal is to make the exodus come alive for the reader--not to just read about the exodus but to experience the exodus, not to just read about the Passover but to experience the Passover, to catapult the reader back through time like a time traveler entering a time portal. The goal of Coming Out of Egypt is to experience redemption, not just to read about redemption, to experience redemption from Pharaoh at the Reed Sea, and witness Yeshua's resurrection.
