Hockey Fights: The NHL's Toughest Fighters 2000-2010 Brian D'Ambrosio,
The Genesis of Reno Jack Harpster,2016-09-13 Over 157 years ago—before there was a Reno, Nevada; before there was a state of Nevada; and even before there was a Nevada Territory—there was a bridge over the Truckee River at a narrow, deeply rutted cattle and wagon trail that would one day become Virginia Street. There was also a small rustic inn and tavern occupying a plot of ground at the southern end of the log-and-timber bridge, catering to thirsty cowboys, drovers, and miners. The inn and the bridge were the first two structures in what would one day be a bustling metropolitan area, and to this day they still form the nucleus of the city. The Genesis of Reno traces their history up to the present day. The 111 year-old concrete bridge that was replaced in 2016 by a magnificent new structure was honored for its longevity and unique character with placement on the National Register of Historic Places in 1980.

Difficult Decisions Eric Pliner,2022-03-29 What do you do when the algorithm doesn’t have the answer? Countless tools and frameworks claim to make decisions objective and bias-free. But in reality, the defining decisions that leaders face are complex ones with subjective information sources and conflicting courses of action. That’s why the toughest choices are left to the leaders, and that’s why formulas won’t answer them. In Difficult Decisions: How Leaders Make the Right Call with Insight, Integrity, and Empathy, leadership expert and CEO of YSC Consulting, Eric Pliner, delivers a set of practical tools for readers to make sense of these complex, subjective decisions quickly and with integrity. It presents a path to understanding your own subjectivity, and how your morals, ethics, and responsibilities affect how leaders make the most important decisions. Difficult Decisions is ideal for executives, managers, and business leaders to examine their own intuition and navigate the most conflicted choices they make. It’s a challenging read and an indispensable resource to help readers develop self-reflection, clarify their values, and ultimately make the choice that is most “right” to them.

The Paras - The Inside Story of Britain's Toughest Regiment John Parker,2012-08-06 Since their foundation during the Second World War, the Parachute Regiment has acquired a formidable reputation as tough, fearless soldiers. The Red Devils have played a key role in many of the battles of the past sixty years--the capture of Sicily, the D-Day landing, the heroic but doomed attempt to capture the bridge at Arnhem. In the so-called years of peace since the Second World War, the Paras have seen action all over the world - from Cyprus, Palestine, Egypt, Borneo and the Falklands to Bosnia. Their service in Northern Ireland has been surrounded by controversy--the events of Bloody Sunday in Londonderry in 1972 are still the subject of fierce debate, and a continuing government inquiry. For his authoritative book, John Parker has gathered together the testimony of numerous veterans of the Parachute Regiment. Their first-hand accounts of the major events in their history bring home the reality (and cruelty) of combat. The events of Bloody Sunday are seen through their eyes, and will re-ignite the controversy over what actually happened.
