The Self-Aware Parent Cathy Cassani Adams,2009-10-29 If we are open to it, we can learn a great deal about ourselves through parenting. When we can tap into this wonderful gift of self-awareness, we naturally become better parents. Parenting endures from a child's birth to adulthood, and there are new and important lessons for us to embrace at every age. Through a series of relatable essays, Cathy Cassani Adams highlights the rich learning moments in our everyday experiences with children. Practical, yet profound, lessons emerge: -Taking care of yourself makes you a better parent -Accepting your children for who they are is the key to their self worth -Talking about feelings is essential at every stage of development -Understanding children's misbehavior makes discipline less daunting -Slowing down and simplifying makes parenting more enjoyable -Practicing self awareness leads to a healthy and trusting relationship with your children
