Toy Cars Nathan Spiteri,2021-04-14 It was a day like any other, crystal blue sky and warm summer air, as young Nathan Spiteri walked into a change room at a familiar public swimming pool and experienced a turn of events that would alter his life forever. In his powerful and deeply vulnerable memoir, Spiteri dives into the trauma of being brutally abused, groomed and manipulated by the actions of a vicious paedophile. It is a ''coming-of-age'' story, a tour-de-force that ushers the reader into the world of abuse, addiction, sex, drugs and violence. In words poetic, as well as raw and real, Spiteri paints a stunning masterpiece of triumph over tragedy; a powerful canvas of self-discovery, therapeutic growth and self-love. Spiteri offers a cautionary tale for all parents who are raising children; and an anthem of survival for anyone who has suffered the difficulties of youth. In our search for a better life, Toy Cars proves that love and healing are possible.

Today, these tin cars are the most desirable of all vintage toys, fetching prices at auction in excess of diecast cars such as Dinky Toys. Seeking out the finest examples of these toys has been a lifelong passion for Bruce Sterling of New York, who has allowed his collection to be pictured in this volume. 150 of the rarest and best toys are shown, all of them in pristine condition with their original boxes. Cadillac, Chevrolet, Buick, Packard and many other famous American names are represented, in addition to a good selection of European vehicles. All the toys are described in detail, and background information is provided about the prototypes on which they are based. A guide to current values is also given.
