Destination Disneyland Resort with Disabilities Sue Buchholz, Edna Wooldridge, 2011-07-01 Destination Disneyland Resort with Disabilities is the only guidebook written for people with disabilities traveling to Disneyland Resort. The book is arranged in a chronological order covering everything from planning the time of the year to travel, choosing transportation and lodging options, getting your home ready, and providing detailed packing lists geared toward individuals with disabilities. Travel to Disneyland Resort, airports and security are discussed. Once you arrive information about Disneyland Resort and their accommodations for specific disabilities are presented in an organized and detailed manner.

Seeing Things Alan Louis Ackerman, 2011-01-01 A technological revolution has changed the way we see things. The storytelling media employed by Pixar Animation Studios, Samuel Beckett, and William Shakespeare differ greatly, yet these creators share a collective fascination with the nebulous boundary between material objects and our imaginative selves. How do the acts of seeing and believing remain linked? Alan Ackerman charts the dynamic history of interactions between showing and knowing in *Seeing Things*, a richly interdisciplinary study which illuminates changing modes of perception and modern representational media. *Seeing Things* demonstrates that the airy nothings of *A Midsummer Night's Dream*, the Ghost in *Hamlet*, and soulless bodies in Beckett's media experiments, alongside Toy Story's digitally animated toys, all serve to illustrate the modern problem of visualizing, as Hamlet put it, 'that within which passes show.' Ackerman carefully analyses such ghostly appearances and disappearances across cultural forms and contexts from the early modern period to the present, investigating the tension between our distrust of shadows and our abiding desire to believe in invisible realities. *Seeing Things* provides a fresh and surprising cultural history through theatrical, verbal, pictorial, and cinematic representations.

The Mouse and the Myth Dorene Koehler, 2017-04-24 Upholds “a Disney vacation as a religious experience . . . [offers] insightful arguments relating to the nature of play as well as Nietzschean philosophy” (Reading Religion). Rituals mark significant moments in our lives—perhaps none more significant than moments of lightheartedness, joy, and play. Rituals of play are among the most sacred of any of the rites in which humanity may engage. Although we may fail to recognize them, they are always present in culture, providing a kind of psychological release for their participants, child and adult alike. Disneyland is an example of the kind of

container necessary for the construction of rituals of play. This work explores the original Disney theme park in Anaheim as a temple cult. It challenges the disciplines of mythological studies, religious studies, film studies, and depth psychology to broaden traditional definitions of the kind of cultural apparatus that constitute temple culture and ritual. It does so by suggesting that Hollywood’s entertainment industry has developed a platform for mythic ritual. After setting the ritualized “stage,” this book turns to the practices in Disneyland proper, analyzing the patron’s traditions within the framework of the park and beyond. It explores Disneyland’s spectacles, through selected shows and parades, and concludes with an exploration of the park’s participation in ritual renewal. “There is much to commend in Koehler’s study . . . Surely, her work should encourage others to examine myth construction and sacred-secular rituals in popular culture.”—H-Celebration

The Hidden Magic of Walt Disney World, 3rd Edition Susan Veness,2020-10-20 The latest edition to the successful Hidden Magic series features updated information on the latest attractions at Walt Disney World, including Star Wars: Galaxy’s Edge and Mickey and Minnie’s Runaway Railway! Whether it’s your first or fiftieth visit to Walt Disney World, you’ll be surprised at how much you can miss during your trip. But with this guide to Disney’s hidden treasures you’ll learn: -You can search for more than the usual hidden Mickey. There are other beloved characters like Donald Duck and Minnie Mouse hidden around the parks. -The book Belle reads in Beauty and the Beast is a real book...and you can find out what it is by heading to Maurice’s cottage. -Imagineers hide symbols of themselves around the park to “sign” their work. Including all-new information on Toy Story Land, Star Wars: Galaxy’s Edge, and Mickey and Minnie’s Runaway Railway, The Hidden Magic of Walt Disney World, 3rd Edition will inspire you to relive the magic year after year!
