The Truth about Nature Bram Büscher, 2020-12-15 How should we share the truth about the environmental crisis? At a moment when even the most basic facts about ecology and the climate face contestation and contempt, environmental advocates are at an impasse. Many have turned to social media and digital technologies to shift the tide. But what if their strategy is not only flawed, but dangerous? The Truth about Nature follows environmental actors as they turn to the internet to save nature. It documents how conservation efforts are transformed through the political economy of platforms and the algorithmic feeds that have been instrumental to the rise of post-truth politics. Developing a novel account of post-truth as an expression of power under platform capitalism, Bram Büscher shows how environmental actors attempt to mediate between structural forms of platform power and the contingent histories and contexts of particular environmental issues. Bringing efforts at wildlife protection in Southern Africa into dialogue with a sweeping analysis of truth and power in the twenty-first century, Büscher makes the case for a new environmental politics that radically reignites the art of speaking truth to power.

Eternal Demon Sovereign Ling ChenShiYiDian, 2020-08-07 The Six Realms. Three Thousand Worlds. The gates of hell were opened, and the Underworld suffered an endless calamity. The eighteen levels of hell were all destroyed, and countless ghosts and deities perished. In the Underworld, a mysterious red light and an ordinary person without a trace clashed. During this life-and-death calamity, they were accidentally drawn into the Pool of Samsara. As soon as he woke up, Wu Hen reincarnated into the Martial Spirit World of the Divine Continent. From then on, the trash martial spirit came to attack, working with the Eternal Demon Sovereign! In the Six Realms' Reincarnation and the Three Thousand Worlds, there was a scene that could make one cry — the

Hard Fall Sara Ney,2020-08-18 Hard Fall That's what my mom is always saying: The bigger you are, the harder you fall. She's talking about love-I've never been in it myself, but that doesn't stop me from secretly matchmaking for my friends. Who would suspect me, a world class athlete, of meddling in other people's love lives? I love Love, especially when it's not me who's doing the falling...No Thanks. That's what Hollis Westbrook said when I asked her on a date. Well, propositioned her, actually-but it was all a big joke; one she doesn't think is funny. My stomach is in knots since I might actually like this girl so the joke is on me. Hollis's father is my boss-and she doesn't date players. The bigger they are, the harder they fall-especially when biggest player is me.

Hard Pass Sara Ney,2020-06-16 Hard pass. That's what the last girl I slept with said when she got her first sober glimpse of me. She laughed, walked out of my penthouse-and I never saw her again. It doesn't matter that I'm a rich, professional athlete; what mattered was my face. Beauty might only be skin deep for some-but I know better. Pay up. That's what the last girl I spoke to said over the phone when I made her an offer she couldn't refuse. Desperate to sell a set of rare baseball cards, she's clever and entertaining. I'm instantly smitten, but nowhere ready to reveal myself. Thank god she has no idea who I am-or what I look like. I'm a professional athlete--how hard can playing the love game be?

Hard Love Sara Ney,2020 "HARD TO LOVE." Hard head. Bad attitude. Terrible boyfriend. That's what my exes have said about me—but I wasn't serious about any of them, so what do I care what rumors they spread? What I need is to be left alone; by the press, by the paparazzi, and by women.

Too bad I'm about to be surrounded by them for the weekend. My obnoxious, matchmaking brother is getting married, and he's doing his damndest to find me a wedding date... "HARD TO FIND." That's what they say about good men—they're hard to find. Not that when I find one, I'll be the type he's looking for; too nice, too ordinary, too boring. My cousin is getting married, and her fiancé insists on throwing me at his brother. Cold, uncaring professional football player Tripp Wallace would never look twice at a woman like me. Too bad for both of us, I was wrong...

Hard Luck Sara Ney, 2021-03-22 SOME GIRLS HAVE ALL THE LUCK Unfortunately, I am not one of those girls. Not when I lost my apartment because my roommate let the lease lapse while I travel for work. Not when my brothers keep finding love and my mother keeps reminding me I'm still single. Not after a one-night stand during my older brother's wedding has me waking up pregnant. I have to keep it a secret from him, and my family. I sure can't tell my brother his teammate, Mateo Espinoza, is the man I slept with. Confident, funny, Mateo... A GUY CAN'T CATCH A BREAK Just when I thought I'd found the girl of my dreams, she ghosts me. Worse? Her brother refuses to give me her number, and my calls to her office go straight to voicemail. I thought I was a catch; professional athlete, charming, raised with six sisters-I'm a guy who knows his way to a woman's heart! What reason could she possibly have for avoiding me? When I finally catch up to True Wallace, I'm going to get the answer.

Wicked Billionaire Sawyer Bennett, 2020-08-04 As the prince of a luxury hotel empire, I am as close to American royalty as one can get. I grew up accustomed to a certain lifestyle. One where people give me what I desire and anything, or anyone, else can be bought. Everyone wants a piece of

me, yet no one is actually deserving of my time. That changes when Bailey Robbins, the smoking hot housekeeper in one of my hotels, catches my attention. Sure, she has curves for days but it's her smart mouth I can't help but be intrigued by. I may have avoided relationships all my life, but something about her makes me want to introduce her to my world. The darker, wicked side of Declan Blackwood.

Emerald Blaze Ilona Andrews, 2020-08-25 Ilona Andrews, #1 New York Times bestselling author, continues her spellbinding series set in the Hidden Legacy world where magic controls everything...except the hearts of those who wield it. As Prime magic users, Catalina Baylor and her sisters have extraordinary powers—powers their ruthless grandmother would love to control. Catalina can earn her family some protection working as deputy to the Warden of Texas, overseeing breaches of magic law in the state, but that has risks as well. When House Baylor is under attack and monsters haunt her every step, Catalina is forced to rely on handsome, dangerous Alessandro Sagredo, the Prime who crushed her heart. The nightmare that Alessandro has fought since childhood has come roaring back to life, but now Catalina is under threat. Not even his lifelong quest for revenge will stop him from keeping her safe, even if every battle could be his last. Because Catalina won't rest until she stops the use of the illicit, power-granting serum that's tearing their world apart.

Warhol-isms Andy Warhol, 2022-05-10 A unique collection of brilliant quotations from the legendary Pop artist One of the most influential artists of his time and ours, Andy Warhol is nearly as renowned for what he said as for what he did. Indeed, he is so quotable that things he never said are endlessly and plausibly attributed to him, including, fittingly, the most celebrated fake Warhol saying—"In the future, everyone will be world-famous for 15 minutes." *Warhol-isms* separates legend from fact to present a unique and comprehensive collection of authentic quotations from the Pop

artist. Gathered from interviews and other primary sources, these deadpan, droll, ironic, and sincere gems—in which a superficial embrace of superficiality often disguises provocative, unconventional ideas—provide compelling insights into the life and work of an artist who has left an indelible mark on art and popular culture. Select quotations from the book: I think an artist is anybody who does something well. I went to [a psychiatrist] once, and he never called me back. They always say that time changes things, but you actually have to change them yourself. I've never met a person I couldn't call a beauty. New things are always better than old things. I'm still a commercial artist. I was always a commercial artist.

How to Use Social Media Monitoring Tools Jamie Turner, 2012-02-24 Normal 0 false false false MicrosoftInternetExplorer4 It's no longer enough to launch a social media program: Your company needs to gain clear and substantial value from its social media investments. Getting results begins with monitoring. In *How to Use Social Media Monitoring Tools*, leading social media marketer Jamie Turner offers a fast-paced primer on social media monitoring and realistic, low-cost methods for getting started. You'll learn how to go beyond mere "snapshots" of who's talking about you, determine whether your social media presence is actually achieving results, and use what you learn to drive more revenue. Turner begins by introducing both quantitative and qualitative tools for monitoring performance, and linking them to ROI through the crucial concept of Customer Lifetime Value (CLV). You'll discover how to align measurement with business objectives; measure the effectiveness of branding and direct response; quickly capture emerging performance trends; and more. Turner briefly introduces many of today's most valuable monitoring tools, including Google Alerts, Google Analytics, Spiral16, Radian6, Bit.ly, Visible Technologies, SWIX, PeopleBrowsr, SocialMention, BrandsEye, Heartbeat, and Alterian. He concludes with a practical eight-step social

media monitoring plan that can be implemented quickly by virtually any company or marketer.

The Truest Thing (Hart's Boardwalk #4) Samantha Young, 2020-08-18 New York Times Bestselling Author Samantha Young returns to Hart's Boardwalk in this emotional new story about taking chances and finding redemption... Nine years ago, Emery Saunders moved to Hartwell to start her life over as a bookstore owner. Her inability to trust people made it hard for her to find a place in the small community until Jessica Lawson moved to town and befriended the shy beauty. But there was one person in Hartwell who tried to befriend Emery long before Jessica arrived... Jack Devlin has his secrets. One of them is that he fell hard for Emery the moment she appeared in Hartwell. Another is that his father blackmailed him into covering up a dark family tragedy. It forced Jack to sever his relationships to protect the people he cared about. Yet, staying away from Emery has not been easy throughout the years and he hasn't always succeeded. When Jack's mixed signals hurt Emery once again, she puts him out of her heart for good. Until the Devlin family secret is finally revealed, freeing Jack from his father's machinations. What Jack wants more than anything is to repair his relationships, starting with Emery. However, Emery isn't ready to forgive and Jack's not ready to give up. And when the town's latest scandal ties Jack and Emery together, Jack is not above using their new reality to prove to Emery once and for all that their love is worthy of the legend of Hart's Boardwalk.

Devious Kisses Thandiwe Mpofu, 2020-08-20 Some rivals can be fatal to your heart, but, It's Just High School. Here's the 411 about high school, well, at least for my high school, Clintwood Academy.- It's a fucking warzone.-Everyone has a grudge against someone else.-It's the breeding ground for losers, jealous broken-hearted girls and acne covered fools with zero game.-The disgustingly rich kids

are vile, vindictive, popular and the mecca of social life worth a damn.-Lastly, high school is simply, survival of the fittest.And I was the fittest of them all. Once.Once, before I was set up to take the fall for an attempted murder of one of the Fitz brothers, the golden boys of St. Jude High, our sworn rival enemy.Before I was played for a kiss and it worked.Now, the Fitz brothers hate me.They suspect me.They want to destroy me.They know everything about me, and I hate them for it.And now, we'll all be living together, like one big, happy step-family. With secrets brimming, hatred festering, and other feelings I have no business having for my step-cousin-brothers or whatever, haunting me night and day.Now, let's kiss and be forever rivals...

Business Site Selection, Location Analysis and GIS Richard L. Church,Alan T. Murray,2009 This text covers the convergent use of GIS for location science analysis. The integrated approach enables analysts to look beyond theoretical location constructs to focus on the resolution of actual siting problems, producing better data and model representations, and developing better solution approaches.

Inventions of Teaching Brent Davis,2004-04-12 Inventions of Teaching: A Genealogy is a powerful examination of current metaphors for and synonyms of teaching. It offers an account of the varied and conflicting influences and conceptual commitments that have contributed to contemporary vocabularies--and that are in some ways maintained by those vocabularies, in spite of inconsistencies

and incompatibilities among popular terms. The concern that frames the book is how speakers of English invented (in the original sense of the word, came upon) our current vocabularies for teaching. Conceptually, this book is unique in the educational literature. As a whole, it presents an overview of the major underlying philosophical and ideological concepts and traditions related to knowledge, learning, and teaching in the Western world, concisely introducing readers to the central historical and contemporary discourses that shape current discussions and beliefs in the field. Because the organization of historical, philosophical, theoretical, and etymological information is around key conceptual divergences in Western thought rather than any sort of chronology, this text is not a linear history, but several histories--or, more precisely, it is a genealogy. Specifically, it is developed around breaks in opinion that gave or are giving rise to diverse interpretations of knowledge, learning, and teaching--highlighting historical moments in which vibrant new figurative understandings of teaching emerged and moments at which they froze into literalness. The book is composed of two sorts of chapters, branching and teaching. Branching chapters include an opening treatment of the break in opinion, separate discussions of each branch, and a summary of the common assumptions and shared histories of the two branches. Teaching chapters offer brief etymological histories and some of the practical implications of the terms for teaching that were coined, co-opted, or redefined within the various traditions. *Inventions of Teaching: A Genealogy* is an essential text for senior undergraduate and graduate courses in curriculum studies and foundations of teaching and is highly relevant as well for students, faculty, and researchers across the field of education.
