Introducción a la traducción Antonio F. Jiménez Jiménez,2018-05-20 Este manual introduce al lector a la actividad de la traducción de inglés a español y viceversa, adoptando un punto de vista práctico y siguiendo los estándares profesionales actuales. Introducción a la traducción examina una gran variedad de temas enfocados en resolver los problemas de traducción que se suelen encontrar en los textos, por ejemplo, en relación a los elementos culturales, los aspectos connotativos, la variación lingüística, la traducción subordinada y la traducción especializada. Para ello, se exploran detenidamente, y con multitud de ejemplos prácticos, las técnicas, estrategias y herramientas disponibles durante la actividad traductora. La página web que acompaña a este manual incluye además información lingüística contrastiva entre el inglés y el español para evitar problemas de transferencia negativa entre ambos idiomas. Introducción a la traducción aumentará la competencia traductora de los lectores de una manera sistemática, coherente y contextualizada, ofreciendo oportunidades de práctica a través de un gran número de actividades y textos para traducir. This manual introduces readers to the activity of Spanish-English/English-Spanish translation while adopting a practical perspective aligned with current professional standards. Introducción a la traducción examines a wide variety of topics that focus on resolving common problems that tend to arise throughout the process of translating different kinds of texts. For example, this book explores translation issues with respect to cultural elements, connotative meaning, linguistic variations, constrained translation and specialized translation. It offers a multitude of practical examples and a thorough consideration of the techniques, strategies and tools available to translators. Among other resources, the companion website includes contrastive linguistic analysis of English and Spanish to help avoid negative transfer issues between both languages. Introducción a la traducción will improve the reader’s competence as a translator in a systematic, coherent and contextualized way, providing abundant opportunities to practice translation skills through ample hands-on activities and a wide variety of texts to translate.

Gran Diccionario Oxford Beatriz Galimberti Jarman,Roy Russell,Carol Styles Carvajal,Jane Horwood,2003 The Oxford Spanish Dictionary comes with the ultimate pronunciation guide: a FREE, state-of-the-art CD-ROM (UK and Europe only) that enables you to type in a word or phrase, or paste in text from the web, and hear it spoken back to you in perfect Spanish.Now in colour, with an ultra-clear layout for maximum accessibility, this major new edition provides the richest coverage of Spanish from around the world, covering over 300,000 words and phrases, and more than 500,000 translations. Oxford's expert teams of lexicographers have used the latest technology to search millions of words of web-based text and identify all the most recent additions to both Spanish and English. Over 20,000 new entries have been added to the dictionary from all aspects of life today - business, IT,science, the media, the environment, the internet, and social life. Hundreds of special entries now give information on life and culture in the Spanish-speaking world, and in-text notes give extra help with grammar and usage. The dictionary also includes an extended guide to effectivecommunication, including a wealth of example letters, offering help with a wide range of topics, from writing a job application or a CV to booking a hotel room. With a new, easy-access colour design to make consultation even quicker, this is the most complete and up-to-date reference tool foranyone studying Spanish in senior school or at university, or for translators and other language professionals. The Five Love Languages Gary Chapman,2009-12-17 Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language-quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. Gary Chapman hosts a nationally syndicated daily radio program called A Love Language Minute that can be heard on more than 150 radio stations as well as the weekly syndicated program Building Relationships with Gary Chapman, which can both be heard on fivelovelanguages.com. The Five Love Languages is a consistent New York Times bestseller - with over 5 million copies sold and translated into 38 languages. This book is a sales phenomenon, with each year outselling the prior for 16 years running!

The House on Mango Street Sandra Cisneros,2013-04-30 NATIONAL BESTSELLER • A coming-of-age classic about a young girl growing up in Chicago • Acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. “Cisneros draws on her rich [Latino] heritage...and seduces with precise, spare prose, creat[ing] unforgettable characters we want to lift off the page. She is not only a gifted writer, but an absolutely essential one.” —The New York Times Book Review The House on Mango Street is one of the most cherished novels of the last fifty years. Readers from all walks of life have fallen for the voice of Esperanza Cordero, growing up in Chicago and inventing for herself who and what she will become. “In English my name means hope,” she says. “In Spanish it means too many letters. It means sadness, it means waiting. Told in a series of vignettes—sometimes heartbreaking, sometimes joyous—Cisneros’s masterpiece is a classic story of childhood and self-discovery and one of the greatest neighborhood novels of all time. Like Sinclair Lewis’s Main Street or Toni Morrison’s Sula, it makes a world through people and their voices, and it does so in language that is poetic and direct. This gorgeous coming-of-age novel is a celebration of the power of telling one’s story and of being proud of where you're from.

English Made Easy Volume Two Jonathan Crichton,Pieter Koster,2016-03-29 This is a fun and user-friendly way to learn English English Made Easy is a breakthrough in English language learning—imaginatively exploiting how pictures and text can work together to create understanding and help learners learn more productively. It gives beginner English learners easy access to the vocabulary, grammar and functions of English as it is actually used in a comprehensive range of social situations. Self-guided students and classroom learners alike will be delighted by the way they are helped to progress easily from one unit to the next, using a combination of pictures and text to discover for themselves how English works. The pictorial method used in this book is based on a thorough understanding of language structure and how language is successfully learned. The authors are experienced English language teachers with strong backgrounds in language analysis and language learning. English Made Easy, Volume 2 consists of a total of 20 units arranged in groups of five. The first four units presents language and provide learners the opportunities to practice as they learn. The first page of each unit has a list of all the words and phrases to be learned in that unit, together with pronunciation guide. At the end of each unit, an interesting story which uses the language that has just been learned is presented. The fifth unit in each group contains exercises designed to reinforce the language learned in the first four units.
