M Train Patti Smith,2015-10-06 NATIONAL BESTSELLER • From the National Book Award-winning author of Just Kids: a “sublime collection of true stories ... and wild imaginings that take us to the very heart of who Patti Smith is” (Vanity Fair), told through the cafés and haunts she has worked in around the world. Patti Smith calls this bestselling work “a roadmap to my life.” M Train begins in the tiny Greenwich Village café where Smith goes every morning for black coffee, ruminates on the world as it is and the world as it was, and writes in her notebook. Through prose that shifts fluidly between dreams and reality, past and present, we travel to Frida Kahlo’s Casa Azul in Mexico; to the fertile moon terrain of Iceland; to a ramshackle seaside bungalow in New York’s Far Rockaway that Smith acquires just before Hurricane Sandy hits; to the West 4th Street subway station, filled with the sounds of the Velvet Underground after the death of Lou Reed; and to the graves of Genet, Plath, Rimbaud, and Mishima. Woven throughout are reflections on the writer’s craft and on artistic creation. Here, too, are singular memories of Smith’s life in Michigan and the irremediable loss of her husband, Fred Sonic Smith. Braiding despair with hope and consolation, illustrated with her signature Polaroids, M Train is a meditation on travel, detective shows, literature, and coffee. It is a powerful, deeply moving book by one of the most remarkable multiplatform artists at work today. Featuring a postscript with five new photos from Patti Smith

This Caldecott Honor Book features bright colors and bold shapes. Even a child not lucky enough to have counted freight cars will feel he or she has watched a freight train passing after reading Freight Train. Donald Crews used childhood memories of trains seen during his travels to his grandparents' farm in the American South as the inspiration for this timeless favorite. New York magazine's The Strategist chose Freight Train as one of the Best (Nonobvious) Baby Books to Bring to a Shower. As The Strategist stated: The Caldecott Honor Book is spare and minimal in both art and text and follows the journey of a freight train and all its cars until it rolls off the page and into the distance. It's a good way to learn all the different names of train cars, too. Red caboose at the back, orange tank car, green cattle car, purple box car, black tender and a black steam engine . . . freight train.
