**A Voyage Round the World, 2 vols.** George Forster, 2000-01-01 George Forster's *A Voyage Round the World* presents a wealth of geographic, scientific, and ethnographic knowledge uncovered by Cook's second journey of exploration in the Pacific (1772-1775). Accompanying his father, the ship's naturalist Johann Reinhold Forster, on the voyage, George proved a knowledgeable and adept observer. The lively, elegant prose and critical detail of his account, based loosely on his father's journal, make it one of the finest works of eighteenth-century travel literature and an account of prime importance in the history of European contact with Pacific peoples. The Forsters' publications reveal the sophistication and enthusiasm they brought to their observation of Polynesian peoples as well as a sensitivity to the moral ambiguities of contact. The two volumes of George Forster's work include substantially richer descriptions of encounters with island inhabitants than either his father's classic work (*Observations Made during a Voyage round the World*, UH Press, 1996) or Cook's official narrative, and its confident, even visionary, style incorporates a good deal of polemic, particularly in its criticism of the treatment of islanders by Cook's crew. In addition to the range and depth of its anthropological considerations, it provides a thrilling account of life aboard one of Cook's vessels. In its author's German translation, this work becomes a classic of natural history writing, but its original English version has long been neglected by anglophone scholars. This new scholarly edition makes this important book readily available for the first time since its initial publication more than two centuries ago. But it also presents the work in fresh terms, making it more accessible and relevant to a contemporary audience. The valuable introduction and annotations draw on the wide range of anthropological and ethnohistorical scholarship published since the 1960s and contextualize the book in relation to both the cultures of Oceania documented by the Forsters and the history of European voyaging in the Pacific. Appendixes include a translation of the introduction to the German edition and the polemical pamphlets by George Forster and the ship's astronomer William Wales, in which some of the book's more controversial claims were debated. *A Voyage Round the World* brings the disciplines of history and anthropology to bear on Cook's voyages in an illuminating and readable fashion. This edition will help complete the corpus of basic documents on Cook's voyages--a crucial resource for researchers in cultural, Pacific, and maritime history; archaeologists, anthropologists, and art historians; and most recently for scholars engaged in revisionist interpretations of eighteenth-century exploration and colonization.

**Holy Bible (NIV)** Various Authors, 2008-09-02 The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation.

**Voice-over Translation** Eliana Franco, Anna Matamala, Pilar Orero, 2010 This book presents the first study of voice-over from a wide approach, including not only academic issues but also a description of the practice of voice-over around the globe. The authors define the concept of voice-over in Film Studies and Translation Studies and clarify the relationship between voice-over and other audiovisual transfer modes. They also describe the translation process in voice-over both for production and postproduction, for fiction

and non-fiction. The book also features course models on voice-over which can be used as a source of inspiration by trainers willing to include this transfer mode in their courses. A global survey on voice-over in which both practitioners and academics express their opinions and a commented bibliography on voice-over complete this study. Each chapter includes exercises which both lecturers and students can find useful.

**Voice and Versification in Translating Poems** James W. Underhill, 2016-12-09 Great poets like Shelley and Goethe have made the claim that translating poems is impossible. And yet, poems are translated; not only that, but the metrical systems of English, French, Italian, German, Russian and Czech have been shaped by the translation of poems. Our poetic traditions are inspired by translations of Homer, Dante, Goethe and Baudelaire. How can we explain this paradox? James W. Underhill responds by offering an informed account of meter, rhythm, rhyme, and versification. But more than that, the author stresses that what is important in the poem—and what must be preserved in the translated poem—is the voice that emerges in the versification. Underhill's book draws on the author's translation experience from French, Czech and German. His comparative analysis of the versifications of French and English have enabled him to revise the key terms involved in translating the poetic voice and transposing the poem's versification. The theories of versification from the Prague School of Linguistics, the French and Swiss schools of versification, and recent scholarship in metrics and rhythm in the UK and in the USA have been integrated into this synthetic but rigorously coherent approach to translating poems. The extensive glossary at the end of the book will prove useful for both students and teachers alike. And the detailed case studies on translating poems by Baudelaire and Emily Dickinson allow the author to categorize and appraise the various poetic and aesthetic strategies and theories that are brought to bear in translating Baudelaire into English, and Dickinson into French.

***The Brothers Karamazov*** Fyodor Dostoyevsky, 2022-11-13 *The Brothers Karamazov* is the final novel by the Russian author Fyodor Dostoyevsky. He spent nearly two years writing it. The author died less than four months after its publication. *The Brothers Karamazov* is a passionate philosophical novel set in 19th century Russia, that enters deeply into the ethical debates of God, free will, and morality. It is a spiritual drama of moral struggles concerning faith, doubt, and reason, set against a modernizing Russia, with a plot which revolves around the subject of patricide. Since its publication, it has been acclaimed as one of the supreme achievements in literature. Fyodor Dostoyevsky

(1821-1881) was a Russian novelist, short story writer, essayist, journalist and philosopher. His literary works explore human psychology in the troubled political, social, and spiritual atmosphere of 19th-century Russia. Many of his works contain a strong emphasis on Christianity, and its message of absolute love, forgiveness and charity, explored within the realm of the individual, confronted with all of life's hardships and beauty. Many literary critics rate him as one of the greatest and most prominent psychologists in world literature.

*Quran* Talal Itani, 2014-08-17 Perhaps the best Quran English translation. It is clear, easy to read, and very faithful to the Arabic original. It closely follows the Arabic text, and often reminds the reader of the Arabic original. It uses today's English language, and

today's English vocabulary, thus it is easy to read and understand. The flow is smooth, the sentence structure is simple, the meaning is clear. This Quran translation has no interpretations, no footnotes, and no explanations. It is a pure translation of the Quran, from Arabic to English, and it does not try to emphasize any school of thought. The text purely and accurately translates the Holy Quran, from Arabic, into contemporary English. It was translated by a Muslim, who saw firsthand the miracles inside the Quran. His native language is Arabic; his everyday language is American English. For 15 years, he studied the Quran. For many years, he translated speech between his mother and his wife. For a living, he develops quality software. This Quran translation is available in two editions. This edition (A) uses the word Allah to refer to the Creator. Edition (B) uses the word God. Quran Sura 91. The Sun. ash-Shams. In the name of Allah, the Gracious, the Merciful. 1. By the sun and its radiance. 2. And the moon as it follows it. 3. And the day as it reveals it. 4. And the night as it conceals it. 5. And the sky and He who built it. 6. And the earth and He who spread it. 7. And the soul and He who proportioned it. 8. And inspired it with its wickedness and its righteousness. 9. Successful is he who purifies it. 10. Failing is he who corrupts it. 11. Thamood denied in its pride. 12. When it followed its most wicked. 13. The messenger of Allah said to them, This is the she-camel of Allah, so let her drink. 14. But they called him a liar, and hamstrung her. So their Lord crushed them for their sin, and leveled it. 15. And He does not fear its sequel. The Quran is the last Book from the Creator. It contains guidance, mercy, and healing. The Quran is a blessing, within reach.

**Lost in Translation** Ella Frances Sanders, 2014-09-16 From the author of *Eating the Sun*, an artistic collection of more than 50 drawings featuring unique, funny, and poignant foreign words that have no direct translation into English Did you know that the Japanese language has a word to express the way sunlight filters through the leaves of trees? Or that there's a Finnish word for the distance a reindeer can travel before needing to rest? *Lost in Translation* brings to life more than fifty words that don't have direct English translations with charming illustrations of their tender, poignant, and humorous definitions. Often these words provide insight into the cultures they come from, such as the Brazilian Portuguese word for running your fingers through a lover's hair, the Italian word for being moved to tears by a story, or the Swedish word for a third cup of coffee. In this clever and beautifully rendered exploration of the subtleties of communication, you'll find new ways to express yourself while getting lost in the artistry of imperfect translation.

**The Little Prince** Antoine de Saint-Exupéry, 2021-08-31 *The Little Prince* and (French: *Le Petit Prince*) is a novella by French aristocrat, writer, and aviator Antoine de Saint-Exupéry. It was first published in English and French in the US by Reynal and Hitchcock in April 1943, and posthumously in France following the liberation of France as Saint-Exupéry's works had been banned by the Vichy Regime. The story follows a young prince who visits various planets in space, including Earth, and addresses themes of loneliness, friendship, love, and loss. Despite its style as a children's book, *The Little Prince* makes observations about life, adults and human nature. *The Little Prince* became Saint-Exupéry's most successful work, selling an estimated 140 million copies worldwide, which makes it one of the best-selling and most translated books ever published. It has been translated into 301 languages and dialects. *The Little Prince* has been adapted to numerous art forms and media, including audio recordings, radio plays, live stage, film, television, ballet, and opera.

**Free Speech in Classical Antiquity** Ineke Sluiter, Ralph Rosen, 2017-07-31 This book contains a diverse collection of essays on the notion of "Free Speech" in classical antiquity. The essays examine such concepts as "freedom of speech," "self-expression," and "censorship," in ancient Greek and Roman culture from historical, philosophical, and

literary perspectives.

How Does it Feel? Charlotte Bosseaux, 2007 Narratology is concerned with the study of narratives; but surprisingly it does not usually distinguish between original and translated texts. This lack of distinction is regrettable. In recent years the visibility of translations and translators has become a widely discussed topic in Translation Studies; yet the issue of translating a novel's point of view has remained relatively unexplored. It seems crucial to ask how far a translator's choices affect the novel's point of view, and whether characters or narrators come across similarly in originals and translations. This book addresses exactly these questions. It proposes a method by which it becomes possible to investigate how the point of view of a work of fiction is created in an original and adapted in translation. It shows that there are potential problems involved in the translation of linguistic features that constitute point of view (deixis, modality, transitivity and free indirect discourse) and that this has an impact on the way works are translated. Traditionally, comparative analysis of originals and their translations have relied on manual examinations; this book demonstrates that corpus-based tools can greatly facilitate and sharpen the process of comparison. The method is demonstrated using Virginia Woolf's *To The Lighthouse* (1927) and *The Waves* (1931), and their French translations.

Translating Myself and Others Jhumpa Lahiri, 2023-09-12 Luminous essays on translation and self-translation by an award-winning writer and literary translator *Translating Myself and Others* is a collection of candid and disarmingly personal essays by Pulitzer Prize-winning author Jhumpa Lahiri, who reflects on her emerging identity as a translator as well as a writer in two languages. With subtlety and emotional immediacy, Lahiri draws on Ovid's myth of Echo and Narcissus to explore the distinction between writing and translating, and provides a close reading of passages from Aristotle's *Poetics* to talk more broadly about writing, desire, and freedom. She traces the theme of translation in Antonio Gramsci's *Prison Notebooks* and takes up the question of Italo Calvino's popularity as a translated author. Lahiri considers the unique challenge of translating her own work from Italian to English, the question "Why Italian?," and the singular pleasures of translating contemporary and ancient writers. Featuring essays originally written in Italian and published in English for the first time, as well as essays written in English, *Translating Myself and Others* brings together Lahiri's most lyrical and eloquently observed meditations on the translator's art as a sublime act of both linguistic and personal metamorphosis.

**A Madness Most Discreet** Nichole Van, 2018-04-19 Tennyson D'Angelo . . . Darkness lives within each of us. Shadows. We are each capable of great goodness and unbelievable evil. It is the duality of being human. I want to live in the light. I don't enjoy the shadows. But I'm not sure I've been given a choice in the matter. The shadows own me. They dance at my edges and tangle in my light. They torment my days and make my nights an anguished hell. I simply want to be free. One way . . . or another. The call him the Prophet. Tennyson D'Angelo, the man who can foretell the future. A modern-day oracle. And Olivia Hawking desperately needs his help. She tracks him down in Italy, begging for his assistance. She has a life-or-death problem that only a bonafide psychic can solve. But Tennyson is slowly fracturing from within, the weight of the D'Angelo curse destroying him. Olivia and Tennyson join forces, each searching for answers. But their understanding of the D'Angelo curse keeps changing, and Time is not on their side. Even as they fall in love, Tennyson and Olivia realize they are in a race against the clock. Will they find answers in time to save themselves?
