**10 Little Sock Monkeys** Harriet Ziefert, 2005 Ten little monkeys swinging on a bar; two let go and didn't fall far. It's a jungle gym in here, for 10 sock monkeys having a swinging time. Two by two, these increasingly popular and adorable creatures drop away, while all the rest continue to play. They're posed in exuberant, energetic positions, waving their arms, bodies upside down, and flying around. And when they're on the ground, they manage to keep on swinging, dancing, and bopping in their own special way. Kids will want to join in the fun.
