*AMERICA II* Jack The Turtle, 2012-04-27 Whatever happened to the American Dream? America II is the story of a great nation that is now, for the first time since its birth, failing to live up to its promises to a majority of its citizens. America II is a story of what one middle class citizen Jack the Turtle sees as being required for that promise to be restored, and for America to again be a beacon for all nations to follow.

Maria Månsson, Annæ Buchmann, Cecilia Cassinger, Lena Eskilsson, 2020-07-07 The Routledge Companion to Media and Tourism provides a comprehensive overview of the research into the convergence of media and tourism and specifically investigates the concept of mediatized tourism. This Companion offers a holistic look at the relationship between media and tourism by drawing from a global range of contributions by scholars from disciplines across the humanities and social sciences. The book is divided into five parts, covering diverse aspects of mediatization of tourism including place and space, representation, cultural

production, and transmedia. It features a comprehensive theoretical introduction and an afterword by leading scholars in this emerging field, delving into the ways in which different forms of media content and consumption converge, and the consequential effects on tourism and tourists. The collection is an invaluable resource for students and scholars of tourism studies, cultural studies, and media and communication, as well as those with a particular interest in mediatization, convergence culture, and contemporary culture.
