**Aggersborg** Else Roesdahl, Søren M. Sindbæk, Anne Pedersen, David Mackenzie Wilson, 2014 Aggersborg is the largest of the Danish circular fortresses of the Viking Age. Built by the king, Harald Bluetooth, in the second half of the tenth century, it was strategically placed on the shore

of the Limfjord. Together with other Danish fortifications it was intended to play a major role in the politics of northern Europe. The fortress overlaid an extensive Viking-Age rural settlement which was destroyed when the fortress was constructed. The well-preserved remains of buildings and the many artefacts excavated here provide a unique view of this settlement and of its material culture.0The book gives an account of the extensive excavations by the National Museum of Denmark of both the fortress and the rural settlement and sets their structures and the objects found within the wider context of the Viking Age. It also sheds new light on Denmark's history at a time of major cultural and political challenges.

**Gone to Pitchipoi** Rubin Katz,2013-02-01 This vivid and moving memoir describes the survival of a Jewish child in the hell of Nazi occupied Poland. Rubin Katz was born in Ostrowiec Świętokrzyskie, Poland, in 1931. This town, located in the picturesque countryside of central Poland 42 miles south of Radom, had in 1931 a population of nearly 30,000, of whom more than a third were Jews. The persistence of traditional ways of life and the importance of the local hasidic rebbe, Yechiel-Meier (Halevi) Halsztok, as well as the introduction of such modernities as bubble gum, are clearly and effectively described here. This memoir is remarkable for the ability of its author to recall so many events in detail and for the way he is able to be fair to all those caught up in the tragic dilemmas of those years. It is a major contribution to our understanding of the fate of Jews in smaller Polish towns during the Second World War and the conditions which made it possible for some of them, like Rubin, to survive.

Eternal Vigilance Ralph L. Bayrer, 2020-03-19

Your argument of how to protect the goose that laid the golden egg by defending freedom, civil society, and capitalism from the pernicious effects of Progressivism seems compelling to me. Moreover your account of the rise of progressivism in the U.S. is must reading for anyone who would take a stand on political issues. And no one who reads your accounts of the rise and fall of free-people-free market models of government in other societies can fail to agree with you about the value of government allowing the market to operate as freely as possible. It is a very informative summary of an enormous amount of data that I have not seen elsewhere, and a powerful empirical argument. - Phillip Scribner, Associate Professor of Philosophy Emeritus, American University
