There is so much to know and learn that sometimes you feel overwhelmed. It is an easy, entertaining read but packed with good knowledge that made a big difference to my racing. Charlotte Campbell, World Games triathlon gold medallist I wish this was around before! I did a number of Triathlons over the last few years. When I first took it up I had to ask people's advice which at best was disjointed and worst, confusing. I also read some very good stuff on the internet, however this was also disjointed and incomplete. This book would have been ideal, as it puts it all together clearly

and concisely. Liam Harrington; sprint triathlete
