The Paper: The Life and Death of the New York Herald Tribune

Richard Kluger, 2021-04-12 Few American newspapers, perhaps none, have matched the New York Herald Tribune in the crispness of its writing and editing, the bite of its commentators, the range of its coverage and the clarity of its typography. The “Trib”, as it was affectionately called, raised newspapering to an art form. It had an influence and importance out of all proportion to its circulation. During the Civil War, Abraham Lincoln went to great lengths to retain the support of its co-founder, Horace Greeley. President Eisenhower felt it was such an important institution and Republican organ that he helped broker its sale to its last owner, multimillionaire John Hay Whitney. The Trib’s spectacularly distinguished staffers and contributors included Karl Marx, Tom Wolfe, Walter Lippmann, Dorothy Thompson, Virgil Thomson, Eugenia Sheppard, Red Smith, Heywood Broun, Walter Kerr, Homer Bigart, and brothers Joseph and Stewart Alsop. At the close of World War II, the Herald Tribune, the marriage of two newspapers that had done more than any others to create modern daily journalism, was at its apex of power and prestige. Yet just twenty-one years later, its influence still palpable in every newsroom across the nation, the Trib was gone. This is the story *The Paper*, a 1986 finalist of the National Book Award for Nonfiction and winner of the George Polk Prize, tells. “Probably the best book ever written about an American newspaper. But it is more than that — a brilliant piece of social history that recounts in vivid and telling detail the changing conception of ‘news’ in America... The book is chockablock with marvelous yarns... And what a cast of characters Kluger has to work with... Some of the most vivid pages in *The Paper* are Kluger’s portraits of these arresting personalities.” — J.

Anthony Lukas, *The Boston Globe* “Monumental... with a narrative sweep that is always absorbing and sometimes breathtaking... What invigorates this history is Mr. Kluger’s enthusiasm for his subject, which is apparent everywhere in the loving detail with which he tells the story... and in the liveliness of the prose with which he profiles some of the Tribune’s more unusual personalities.” —

Christopher Lehmann-Haupt, *The New York Times* “Engrossing... if there is a better book about an American newspaper, I am unaware of it... It is loaded to the gunnels with newspaper anecdotes, but at its core *The Paper* is a book about the relationship between the press and the powerful, the press and the wealthy.” — Jonathan Yardley, *Washington Post Book World* “The romance of *The Front Page*, genteel anti-Semitism, the disaster of newspaper labor relations, and the rise and fall of newspaper fortunes. All are there in *The Paper*. It is irresistible.” — Anthony Lewis “Compelling... most delightfully so when Mr. Kluger is limning the words and deeds of the people who made *The Paper* crackle with vitality for more than a century... He does a remarkable job of bringing these people to life on the printed page.” — David Shaw, *The New York Times Book Review*

“Remarkable... a fascinating account of a greatness that once was... This book will hold you in its narrative grip as you revel in a story of a grand venture and epic characters... Here the history of a newspaper is a graphic presentation of a nation’s life.” — *Kirkus Reviews*

“Richard Kluger is uniquely qualified to tell this tale... He brings a novelist’s imagination to some vivid material.” — Paul Gray, *Time Magazine* “Fascinating from start to finish, the best book about American journalism since Swanberg’s *Citizen Hearst*. Huge and engrossing.” — Larry Lee, *San Francisco Chronicle* “A magnificently romantic history not only of the ill-fated *New York Herald Tribune*

but of New York newspapering generally... peopled with unforgettable heroes and knaves.” — Robert Sherrill, Chicago Sun-Times

The Tribune Almanac and Political Register ,1866

The Tribune Patrick Larkin,2003 A New York Times Bestselling Author My name is Lucius Aurelius Valens, and I am a soldier in the service of Rome. Once a tribune of the Sixth Legion, he has angered those who can take his position -- and his life. To avoid further trouble, he accepts the command of the Third Gallic Cavalry Regiment stationed in far-off Galilee. There Lucius expects a life of long, tedious patrols through the outlying province. No sooner has he arrived, than he stumbles on a massacre of soldiers and the man they were protecting -- a Roman senator and ally of the emperor. But why would such an important person be traveling through that backwater? And who would want him dead?

Chicago tribune (Firm),1928

The Chicago Tribune Book of the Chicago Bulls Chicago Tribune,2016-10-17 A gorgeous and comprehensive look at one of the NBA’s most storied and valuable franchises—from their first season to Michael Jordan and beyond. The Chicago Bulls have been building their highly decorated legacy for five decades now. To this day, the Bulls are one of the most popular teams the world over. Six championships, the league’s best-ever single-season record, and perhaps the greatest player of all time will do that, and Bulls fans wouldn’t have it any other way. From the beginning, the Bulls have

set records. They are still the only NBA expansion team to make the playoffs in their inaugural season with the best record ever for a first-year team. They soared to new heights after drafting Michael Jordan in the 1984 draft. Joined by fellow Hall of Famers Scottie Pippen and coach Phil Jackson, the team won two sets of three consecutive championships in the 90s. The new millennium saw repeated attempts to reignite the magic of the Jordan-era Bulls, but soon a new identity emerged of tough, hardworking team players reminiscent of the Bulls' earlier years. The Chicago Tribune Book of the Chicago Bulls is a decade-by-decade look at the pride of the city's West Side produced by the award-winning journalists who have been documenting their home team since the beginning. This beautiful volume details every era in the team's history through original reporting, in-depth analysis, interviews, archival photos, comprehensive timelines, rankings of top players by position, and other features. Profiles on key coaches, Hall of Famers, and MVPs provide an entertaining, blow-by-blow look at the team's greatest successes and most dramatic moments.

The Tribune Primer Eugene Field, 1900 Contains a selection of short witty and humorous quips written by Eugene Field during his time as editor of the Tribune.

The Chicago Tribune Book of the Chicago Cubs Chicago Tribune,2017-04-11 The history of Chicago's first major league team, packed with photos, stories, and profiles from the archives of their hometown newspaper. The Chicago Tribune Book of the Chicago Cubs is a decade-by-decade look at one of baseball's most beloved (if hard-luck) teams, starting with the franchise's beginnings in 1876 as the Chicago White Stockings and ending with the triumphant 2016 World Series championship. For over a century, the Chicago Tribune has documented every Cubs season through original reporting, photography, and box scores. For the first time, this mountain of Cubs history has been mined and curated by the paper's sports department into a single one-of-a-kind volume. Each era in Cubs history includes its own timeline, profiles of key players and coaches, and feature stories that highlight it all, from the heavy hitters to the no-hitters to the one-hit wonders. And of course, you can't talk about the Cubs without talking about Wrigley Field. In this book, readers will find a complete history of that most sacred of American stadiums, where Hack Wilson batted in 191 runs—still the major-league record—in 1930, where Sammy Sosa earned the moniker “Slammin’ Sammy,” and where fans congregated, even when the team was on the road, throughout its scintillating championship run.

The Complete Tribune Primer Eugene Field,1967

My Passage at the New Orleans Tribune Jean-Charles Houzeau,2001-03-01 When Belgian scientist Jean-Charles Houzeau arrived in New Orleans in 1857, he was disturbed that America, founded on the principle of freedom, still tolerated the institution of slavery. In late 1864, he became managing editor of the New Orleans

Tribune, the first black daily newspaper published in the United States. Ardently sympathetic to the plight of Louisiana's black population and reveling in the fact that his dark complexion led many people to assume he was black himself, Houzeau passionately embraced his role as the Tribune's editor and principal writer. My Passage at the New Orleans "Tribune," first published in Belgium in 1872, is Houzeau's memoir of the four years he spent as both observer and participant in the drama of Reconstruction. Houzeau records the efforts of New Orleans's free blacks to secure their civil rights and to assume as well the cause of the newly freed slaves. With a scientist's keen and sensitive eye, he observes the turmoil of Reconstruction in Louisiana and recalls the personalities of the black leaders, the tensions within the black community, and his own day-to-day struggle to make the Tribune a nationally respected vehicle for the advancement of black rights and equality. Scholars have long recognized the importance of the New Orleans Tribune as a source for both southern and African American history. My Passage at the New Orleans "Tribune," meticulously edited and annotated by David C. Rankin, offers a unique firsthand account of the newspaper's operation and crusade, written by the energetic and dedicated man who guided it to prominence.

The Paper Richard Kluger,Phyllis Kluger,1989 Kluger's association with the Tribune makes him the natural historian of the paper. J. Anthony Lukas of the Boston Globe calls The Paper probably the best book ever written about an American newspaper . . . a brilliant piece of social history. 24 pages of black-and-white photos.

Tribune Primer Eugene Field,1882

Dispatches for the New York Tribune Karl Marx,2008-02-26 Karl

Marx (1818-1883) is arguably the most famous political philosopher of all time, but he was also one of the great foreign correspondents of the nineteenth century. During his eleven years writing for the New York Tribune (their collaboration began in 1852), Marx tackled an abundance of topics, from issues of class and the state to world affairs. Particularly moving pieces highlight social inequality and starvation in Britain, while others explore his groundbreaking views on the slave and opium trades - Marx believed Western powers relied on these and would stop at nothing to protect their interests. Above all, Marx's fresh perspective on nineteenth-century events encouraged his readers to think, and his writing is surprisingly relevant today. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Reviewing **Tribune**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is really astonishing. Within the pages of "**Tribune**," an enthralling opus penned by a highly acclaimed wordsmith, readers attempt an immersive expedition to unravel the intricate significance

of language and its indelible imprint on our lives. Throughout this assessment, we shall delve to the book is central motifs, appraise its distinctive narrative style, and gauge its overarching influence on the minds of its readers.

Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few</p>

clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Tribune books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Tribune books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Tribune versions, you

eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Tribune books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-

improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them

highly practical for studying or referencing. When it comes to accessing Tribune books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Tribune books and

manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide

free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Tribune books and manuals for download have

transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for

continuous learning and self-improvement. So why not take advantage of the vast world of Tribune books and manuals for download and embark on your journey of knowledge?

FAQs About Tribune Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before

making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background

color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Tribune is one of the best book in our library for free trial. We provide copy of Tribune in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Tribune. Where to download Tribune online for

free? Are you looking for Tribune PDF? This is definitely going to save you time and cash in something you should think about.
