Trippin' Out Stefanie Scott, 1997 Moesha's plan to join her friends on a trip to New York could land her in big trouble. UPN's Moesha ranks number one in its time period among teens 12-17 each season. This book contains a sweepstakes to win a chance to visit the set of Moesha.

Fool, Stop Trippin' Tina Brooks McKinney, 2008-03-04 Tina Brooks McKinney is back with the third thrilling installment in her drama trilogy—where people will do anything to get the love they feel they deserve. When Tarcia finds out the man she's been trying to snag already has a family, she becomes desperate and willing to go to any lengths to get back what she's lost—even when it means tearing up another family to pin this married man down for herself. Claiming pregnancy is just another move for her, but one that might end her up in jail. At the same time, Sammie—a familiar face from All That Drama and Lawd, Mo' Drama—is battling through her own relationship problems as well, and her insecurities are hijacking any chance she might have for happiness. And while Jasmine, Sammie's half-sister, tries to help her make it through the tough times, she might end up as more of a hindrance to Sammie's emotional well-being. As the characters search for the perfect life, readers are put in tune with their boiling emotions and learn the cost of basing one's happiness on having a mate. How far should one go in pursuing love, and what happens when all these go-getters start trippin' over each other in the chase? Who, if any of them, will discover true bliss in the end?

Why Are Parents Always Trippin'? Michael Anthony Epps, 2006-02

Reading the World Dianne C. Luce, 2009 In *Reading the World* Dianne C. Luce explores the historical and philosophical contexts of Cormac McCarthy's early works crafted during his Tennessee period from 1959 to 1979 to demonstrate how McCarthy integrates literary realism with the imagery and myths of Platonic, gnostic, and existentialist philosophies to create his unique vision of the world. Luce begins with a substantial treatment of the east Tennessee context from which McCarthy's fiction emerges, sketching an Appalachian culture and environment in flux. Against this backdrop Luce examines, novel by novel, McCarthy's distinctive rendering of character through mixed narrative techniques of flashbacks, shifts in vantage point, and dream sequences. Luce shows how McCarthy's fragmented narration and lyrical style combine to create a rich portrayal of the philosophical and religious elements at play in human consciousness as it confronts a world rife with isolation and violence.

Teach the Free Man Peter Nathaniel Malae, 2007 The twelve stories in Teach the Free Man mark the impressive debut of Peter Nathaniel Malae. The subject of incarceration thematically links the stories, yet their range extends beyond the prison's barbed wire and iron bars. Avoiding sensationalism, Malae exposes the heart and soul in those dark, seemingly inaccessible corridors of the human experience. The stories, often raw and startlingly honest, are distinguished by the colloquial voices of California's prison inmates, who, despite their physical and cultural isolation, confront dilemmas with which we can all identify: the choice to show courage against peer pressure; the search for individual rights within a bureaucracy; and the desperate desire for honor in the face of great sacrifice. These stories present polished and poetic examples of finding something redemptive in the least among us. The book's epigraph by W. H. Auden, from which the book takes its title, exemplifies the spirit of these dynamic stories: In the deserts of the heart Let the healing fountain start. In the prison of his days Teach the free man how to praise.

Trippin' Over Love ,2003 Perfect for a new generation of readers, a trio of modern romances includes *A Matter of Trust*, in which a beautiful journalist joins her boyfriend on a New Year's Eve cruise where he falls in love with someone else - a devastating betrayal that leads her into the arms of a handsome stranger. Original.

Tripping with Allah Michael Muhammad Knight, 2013-03-01 If Tripping with Allah is a road book, it's a road book in the tradition of 2001: A Space Odyssey, rather than On the Road. Amazonian shamanism meets Christianity meets West African religion meets Islam in this work of reflection and inward adventure. Knight, the "Hunter S. Thompson of Islamic literature" seeks reconciliation between his Muslim identity and his drinking of ayahuasca, a psychedelic tea that has been used in the Amazon for centuries. His experience becomes an opportunity to investigate complex issues of drugs, religion, and modernity. Though essential for readers interested in Islam or the growing popularity of ayahuasca, this book is truly about neither Islam nor ayahuasca. Tripping with Allah provides an accessible look into the construction of religion, the often artificial borders dividing these constructions, and the ways in which religion might change in an increasingly globalized world. Finally, Tripping with Allah not only explores Islam and drugs, but also Knight's own process of creativity and discovery.

Tripping into the Light Charlie Collins, 2014-07-01 Diagnosed with a rare eye disorder in the third grade, Charlie's self-esteem began to unravel by the thread. He wouldn't have a future as a detective like his hero, Magnum P.I. He would never soar in a jet fighter like he dreamed. He would never drive a race car and see the checkered flag wave. College was out of the question, because he just wasn't smart enough. At least that's what the teachers told him. Only a God who was unusually cruel would shatter the dreams of a little boy by creating him defective. It was the only explanation that made any sense, and it was a crushing blow. If God didn't care about him, why should he care about himself? And so began Charlie's freefall into a world of negative self-talk and ultimately addiction. A self-destructive plummet that would see him cheat death twice as he marched to the precipice of suicide. Raw and brutally honest, Tripping into the Light is a tale of soaring triumphs and heartbreaking defeat. It illustrates the power of true love and the undying spirit of hope. It is about one man's willingness to try just one more time, when it seemed all was lost. Through Charlie's eyes, we see that all things are possible if we are willing to roll up our sleeves and do the work. www.TrippingIntoTheLight.com

Tripping Charles Hayes,2000-11-01 A collection of transformational, awe-provoking psychedelic experiences. In *Tripping*, Charles Hayes has gathered fifty narratives about unforgettable psychedelic experiences from an international array of subjects representing all walks of life--respectable Baby Boomers, aging hippies, young ravers, and accomplished writers such as John Perry Barlow, Anne Waldman, Robert Charles Wilson, Paul Devereux, and Tim Page. Taking a balanced, objective approach, the book depicts a broad spectrum of altered states, from the sublime to the terrifying. Hayes's supplemental essays provide a synopsis of the history and culture of psychedelics and a discussion of the kinetics of tripping. Specially featured is an interview with the late Terence McKenna, who was perhaps the preeminent psychedelic spokesperson of our time. A storehouse of astonishing, often otherworldly tales, *Tripping* is a compendium of forbidden memories that enables readers to trip vicariously or compare notes on their own experiences.
