The Last Bachelor of Ales Peter T Elliott, 2019-11-25 Everyone likes a routine, or at least the familiarity of one, and Jason is no exception. He and his friends have been frequenting the same pub on the same night ever since college. Unfortunately, life has a way of getting in the way of such traditions, what with careers, weddings, kids...then one night, it happens: Jason finds himself sitting alone at the group's table, wondering just what the hell happened. Luckily, he doesn't have to wonder alone for long. Another regular fixture at the pub soon introduces himself, and in the first of many philosophical conversations, the two of them spent the evening contemplating the meaning of existence. And it couldn't come at a better time. Jason's life is about to get turned upside down. After finally building up the courage to ask out the beautiful girl in the elevator, after months of inane pleasantries, he is thrust unexpectedly into a pressure-filled and ethically questionable position at work—one that draws him and his new love into a whirlwind of corporate intrigue, espionage, and betrayal.

Bombay Review & Other Stories Ravi Valluri, *Bombay Review & Other Stories* is a collection of stories inspired by real life incidents. The stories are woven around tales of drama, romance, unrequited love, unbridled ambition, avarice, murder mysteries, politics, legacies, the conflict between ethics and what is purportedly unethical, about writers (accomplished and the one's emerging), singers and artistes, betrayal, issues pertaining to sexuality, sex change, faith, hope, and the law of attraction. The drabbles are drawn on occurrences which take place around us in our daily lives. I have been inspired by the epic Mahabharata, Panchatantra tales, and Zen stories as they capture human emotions and behaviour in totality which resonate in my stories in current days. To my mind life is a synodic curve, with upheavals, storms, vicissitudes, and great moments. Nothing is purely white or black. There is a vast shade of grey in between. Humans always have a choice before them and take the plunge. Characters like Karna, Arjuna, Dronacharya, Buddha, Ashwathama, Bhishma, Duryodhana, Shakuni, various Zen Masters and heroes and villains from Panchatantra find a place in the stories set in present times.

THINKING THINGS OVER, the Reflections of Two 80-Year-Olds Charles Francis Guittard, 2024-03-01 What can happen when an 80-year-old Dallas widower meets an 80-year-old Austin widow and they discover they have a lot in common? Several things, one right after another. They start emailing and texting each other, telling each other their stories from eight decades of living apart; then, in a matter of weeks, deciding to get married, and, soon after, resolving to tell a broader audience the stories they had been telling each other. Front and center is their courtship experience itself told through their emails, combined with Charles and Nancy's separate accounts of growing up. Charles details his parents' attempts to polish him and wise him up about sex; his efforts to combat his social anxiety; stories about lassos, bullwhips, and crossbows; one disastrous bridge game and a biology science project gone wrong; and tortured therapeutic sessions with pediatric nurses, orthodontists, and dermatologists. Nancy's separately chronicles her efforts competing at tennis, swimming, and singing; relationships that went nowhere; days as a civil rights protester; moments as a college prankster; slow-dancing with a boy wearing contact lenses; the family dog that ate a chicken; and her adventure at the laundromat. Finally, for those who are really thinking things over, wondering about the hereafter, a sobering fantasy of a final judgment day concludes this memoir.

Adventures in Opting Out Cait Flanders, 2020-09-15 Opt out of expectations and live a more intentional life with this refreshing guide from the national bestselling author of *The Year of Less*. We all follow our own path in life. At least, that's what we're told. In reality, many of us either do what is expected of us, or follow the invisible but well-worn paths that lead to what is culturally acceptable. For some, those paths are fine -- even great. But they leave some of us feeling disconnected from ourselves and what we really want. When that discomfort finally outweighs the fear of trying something new, we're ready to opt out. After going through this process many times, Cait Flanders found there is an incredible parallel between taking a different path in life and the psychological work it takes to summit a mountain -- especially when you decide to go solo. In

Adventures in Opting Out, she offers a trail map to help you with both. As you'll see, reaching the first viewpoint can be easy -- and it offers a glimpse of what you're walking toward. Climbing to the summit for the full view is worth it. But in the space between those two peaks you will enter a world completely unknown to you, and that is the most difficult part of the path to navigate. With Flanders's guidance and advice, drawn from her own journey and stories of others, you'll have all the encouragement and insight you'll need to take the path less traveled and create the life you want. Just step up to the trailhead and expect it to be an adventure.

[My Love Affairs with Life](#) Ann Tremain Linthorst,2012-03-23 Devastated by the death of Jan, her husband of thirty-seven years, author Ann Tremain Linthorst felt compelled to find a fresh sense of the meaning of her own life. A longing for a new love affair surprisingly launched her on an inward journey through her past. She found her many life adventures recast as spiritual epiphanies. In *My Love Affairs with Life: A Spiritual Memoir*, Linthorst takes us along on her daily nature walks, her year of seminary study in Scotland, and a family pilgrimage to medieval English cathedrals. She shares seminal insights from novels by C. S. Lewis and Charles Williams and the poetry of Mary Oliver. Linthorst introduces us to the spiritual teachers who brought healing and transformation, and opens up about the funny and painful romance that led to her marriage to Jan, a Jesuit priest from Holland. Throughout *My Love Affairs with Life: A Spiritual Memoir*, Linthorst allows herself to be shown where God has consistently met her in beauty and love. Enter into the very process of spiritual self-discovery and find a fresh perspective on your own life story.
