**All Through the Night** Suzanne Brockmann, 2007-10-30 It's Christmastime in Boston, and this year the silver bells will be wedding bells as FBI agent Jules Cassidy ties the knot with the man of his dreams, Hollywood heartthrob Robin Chadwick. The pair plan a quiet, intimate ceremony, to be witnessed by family and close friends from the FBI, SEAL Team Sixteen, and Troubleshooters, Incorporated, including Sam Starrett and Alyssa Locke. But the holiday season brings more to the happy couple than they expect. A waterfall coming through their kitchen ceiling, a bat colony in the attic, old family tensions . . . even an international incident can't dampen their spirits. But add to that a parade of unexpected guests, including a reporter looking for a scoop, an ex-lover hell-bent on causing trouble, and a dangerous stalker, and suddenly the wedding is poised to unravel in chaos. But nothing will stop Jules and Robin from getting their happy ending, because along with a guest list featuring the most elite counterterrorism force in the world, they have their own secret weapon—true love.

**Trouble Shooter** Louis L'Amour, 2004-08-31 Hopalong Cassidy has received a message from the dead. Answering an urgent appeal for help from fellow cowpuncher Pete Melford, he rides in only to

discover that his old friend has been murdered and the ranch Pete left to his niece, Cindy Blair, has vanished without a trace. Hopalong may have arrived too late to save Pete, but his sense of loyalty and honor demands that he find that cold-blooded killers and return to Cindy what is rightfully hers. Colonel Justin Tredway, criminal kingpin of the town of Kachina, is the owner of the sprawling Box T ranch, and he has built his empire with a shrewd and ruthless determination. In search of Pete's killers and Cindy's ranch, Hopalong signs on at the Box T, promising to help get Tredway's wild cattle out of the rattler-infested brush. But in the land of mesquite and black chaparral, Cassidy confronts a mystery as hellish as it is haunting—a bloody trail that leads to the strange and forbidding Babylon plateau, to \$60,000 in stolen gold, and to a showdown with an outlaw who has already cheated death once . . . and is determined to do it again.

**Gone Too Far** Suzanne Brockmann,2003-07-01 In a novel of action, intrigue, and romance, a U.S. Navy SEAL and an FBI agent race to unravel a mystery-while confronting their own unresolved feelings for each other. In his career as one of America's elite warriors, Lt. Sam Starrett can do no wrong. In his private life, Sam-the king of one night stands-has done little right. Now, he's waiting for a divorce and determined to stay active in his young daughter's life. But when Sam shows up at the door of his ex-wife's home in Sarasota, Florida, he makes a grisly discovery. His daughter is gone and the body of a woman lies brutally murdered on the floor. FBI agent Alyssa Locke's relationship with Sam has been overwhelmingly intense and nearly catastrophic, yet it refuses to end. The last time she saw Sam was six months earlier, when they worked together to stop terrorists from assassinating the U.S. President. Much to her dismay, Alyssa is assigned to lead the murder investigation and once again the two are face to face. When explosive information surfaces linking Sam to the still unsolved assassination plot, the stakes are raised. With her reputation hanging in the balance, and her loyalties in question, Alyssa is faced with an impossible dilemma: arrest a man she believes to be innocent, or risk her career. While Alyssa tries to fight their intense attraction, Sam is determined to heat things up between them once again. And the complex case pushes them both to the wrong side of the law-and on the run to discover the truth. As more agents step into the chase, and with Sam's daughter still unaccounted for, neither Alyssa nor Sam can predict just how deadly hot this situation is about to become. . . . A thrilling novel that ranges back into the days of World War II, into friendships, families, liaisons, betrayals, and the code of honor that binds the U.S. Navy SEALs, *Gone Too Far* is an electrifying experience in suspense-and a brilliant tale of lives lived on the edge.

**Force of Nature** Suzanne Brockmann,2008-06-24 Hard-driving suspense and intense passion are the hallmarks of bestselling author Suzanne Brockmann's pulse-pounding thrillers. In her tales of

daring, danger, courage, and desire, men and women of action fight fiercely, love deeply, and time after time raise the bar for adventure. Force of Nature is no exception. Florida private investigator and ex-cop Ric Alvarado's life is spiraling out of control. His beautiful new girl Friday, Annie Dugan, is far more interested in fieldwork than filing, and despite Ric's best efforts to ignore the attraction, sparks are flying between them. Then one of Ric's clients turns femme fatale and tries to gun down an innocent man. Thanks to quick thinking and even quicker reflexes, Ric comes to the rescue, only to learn he's done a very good deed for some very bad people. Suddenly Ric finds himself deep undercover with Annie, working for notorious crime boss Gordon Burns. One mistake from Ric's painfully inexperienced partner and they're both dead. FBI agent Jules Cassidy's life isn't in much better shape. For years the FBI has been trying to prove Gordon Burns's ties to terrorist activity. Now, thanks to Ric and Annie, Jules has found a way into the lion's den. But in the course of his investigation he comes face-to-face with Robin Chadwick, the charismatic but self-destructive and closeted movie star for whom Jules feels a powerful attraction. Robin's in town promoting his latest film--and Gordon Burns is a star-struck movie buff. With Robin and Jules's help, Ric and Annie are soon entrenched in Burns's organization, surrounded by killers who may already have executed an FBI infiltrator. Before long the couple realizes that many more lives besides their own will be at stake if they make a false move. As the heat between them reaches dangerous levels, so do the risks they're willing to take--in the line of duty, for the sake of loyalty, and in the name of something that runs even deeper.
