The Diesel Brothers Heavy D, Diesel Dave, 2020-09-15 Feel

like somebody hit the brakes on your Diesel Brothers cravings? Discover how you can keep the gas going with this rip-roaring ride behind the scenes of Discovery Channel's popular series Diesel Brothers. In the world of monster trucks, no one builds bigger and more extreme rides—and has more fun in the process—than Heavy D, Diesel Dave, and their crew at DieselSellerz. Their larger-than-life creations and awesome truck giveaways are legendary, but for those less fortunate who haven't had the opportunity to experience a Bros' souped-up truck, this thrill-ride of a book is the next best thing. Learn the epic and inspirational stories behind Heavy D and Diesel Dave's business and personal lives, from the guys' first meeting, to their early adventures building DieselSellerz, to their successful business venture with Redbeard, Muscle, and the rest of the fearless staff. In addition to learning about the Bros' two-year Mormon missions, humble beginnings, and world travels, you'll also get the unforgettable details of their hilarious, most well-known pranks, and the remarkable stories behind the personalities that have made Diesel Brothers one of the fastest growing and most popular reality TV shows. But wait—there's more! The book is

chock full of essential advice for anyone who'd like to get in on the action. Whether you're a die-hard monster truck fan or just looking for inspiration to upgrade that piece of junk in your garage, Heavy D and his crew are here to show you how it's done. You'll learn how to find the best bargain in the junkyard, how to play hardball with tough-talking dealers, and how to turn that sad sack heap of parts into a badass diesel vehicle. What are you waiting for? Get out there and let diesel freedom ring!

**The Long Haul: A Trucker's Tales of Life on the Road** Finn Murphy, 2017-06-06 "There's nothing semi about Finn Murphy's trucking tales of The Long Haul."—Sloane Crosley, Vanity Fair More than thirty years ago, Finn Murphy dropped out of college to become a long-haul trucker. Since then he's covered more than a million miles as a mover, packing, loading, hauling people's belongings all over America. In The Long Haul, Murphy recounts with wit, candor, and charm the America he has seen change over the decades and the poignant, funny, and often haunting stories of the people he encounters on the job.

How to Get Run Over by a Truck Katie C.

McKenna, 2016-10-04 People often say, "I feel like I've been run over by a truck." Katie actually was. On a sunny morning bike ride

in Brooklyn, twenty-four-year-old Katie McKenna was forever changed when she was run over by an eighteen-wheeler. Being crushed under a massive semi wasn't something Katie should have survived. After ten hours of emergency surgery, she woke to find herself in a body and a life that would never be the same. In this brutally honest and surprisingly funny memoir, Katie recalls the pivotal event and the long, confusing road to recovery that followed. Between the unprepared nudity in front of her parents post-surgery, hospital happy hours, and the persistent fear that she would never walk again, Katie details the struggles she's faced navigating her new reality. This inspiring memoir follows Katie's remarkable journey to let go of her old life and fall in love with her new one.

*my life as a truck driver the first two years* Carl

Maxwell,2006-03 This is about the first two years as a truck driver. If you want to laugh, then cry you will enjoy this book

Life of a Truck Driver Johnny Napier,2008-12-05 There is no available information at this time.

**This Truckin' Life** Laurie Driver,2010-06 The book is a set of reflections and recollections of a driver's 40 plus years in the hard and unforgiving world of the haulage and transport industry. It

delves into the methods resorted to, in order to survive and make ends meet for him and his family, in a world where the driver is considered the lowest of the low. There is both humour and pathos and some love and some violence. There are tales of underhand dealings, fiddles and thievery. It tells of times when truck driving was a man's world. Hard relentless toil, long, unsocial hours when there was no power steering and all gearboxes were constant mesh. When roping and sheeting was the norm. When trucking wasn't just a job. It was a way of life

**Just Joe** Joe Ward, 2020-04-29 If there's one thing truck drivers enjoy, it's telling stories from the road. From near-death experiences to narrow escapes and with a diversity of characters and locations all over the country, this book describes life on the road for one American truck driver. From drama to physical danger to maddening actions, he describes the stories with a wry sense of humor that will leave you either scratching your head in bewilderment or laughing out loud. This book contains stories of the author's interaction with people from all over the country as a trainer for the industry. It also shows the diversity of the American experience, from people who lived in their vehicles to people dealing with personal issues, everyone looking to change the

direction of their lives by learning a new skill. These stories are meant to be more entertaining than informative, a break from everyday monotony with a look into a lifestyle most will never experience. From driving through ice and snowstorms for days at a time to high winds and traffic jams, the stories cover it all. So grab a cup of coffee, sit back, and enjoy the ride.

**Life Is a Journey, Drive On...** Nasandra Wright, 2009-10-21 **Life Is A Journey, Drive On...** is a tribute to the truck drivers of America who have long been the economic backbone of our country. It is a window into the lives of truckers as well as their dreams and aspirations. In short, **Life Is A Journey, Drive On...** celebrates the lives and contributions of American truckers who keep the economy rolling despite the global recession and current financial hardships. If you have ever longed for the open road or wondered what the life of a trucker might be like, this book is for you. It is packed full of stories and personal experiences of truckers and their families, and it highlights several benefits of choosing trucking as a career. The book also provides tips and suggestions on how to get started in the trucking business, while pointing out interesting statistics and often-overlooked contributions of truckers and the trucking industry in the United States. Some of the hardest working

people I have ever met drive trucks. They are in fact out there working while most of us are sleeping and comfortable in our beds. Nasandra Wright has captured the spirit of how important these people are to our country and in this book I am reminded of that importance. Tim Fitterer Vice President Truck one

*Life on the Road: Kiwi Trucking Stories* Randolph

Covich,2018-07-30 Kiwi truckies are the unsung heroes of New Zealand – the men and women who make great personal sacrifice and often risk their lives to keep our country running. The people who devote their life, in some way or another, to what is often a hard and lonely passion. Life on the Road gathers together their fascinating stories. It captures the humour, tragedy, action and extremes of the trucking world, by turns moving between the dramatic, light-hearted and surprising – including runaway trucks, skirmishes with the law, nostalgic tales of the early pioneers, love stories, and more than one practical joke. Whether you're a trucking die-hard or just love the wide open road and a cracking good yarn, Life on the Road is a gripping insight into the real lives of Kiwi truckies.

Exploring Life Ronald C. Griffith,2016-05-05 My book contains over 50 short and very short filler stories about experiences I've

accumulate over a lifetime. Included in this mix are stories created just for fun. You see semi-trucks rolling through your town. but have you ever thought about the lives of those people driving them? For two years I roamed the United States in one of these big rigs. I was in 46 of the lower 48 states and racked up around a quarter million miles. When I left this job, I started hauling fruit from Central Washington into the Los Angeles basin. I've tried to give you an accurate picture of life on the road. One story covers an eight week trip around the US while another details a trip from Wenatchee, Wa. into the LA Basin and the return trip.

**The Late Truck Driver** David Longanecker, 2021-02-03 The Late Truck Driver isn't about a deceased truck driver or someone who arrives late to pick up or deliver a load. It's about becoming a truck driver later in life. David Longanecker always dreamed of driving a big rig, but his life took a different path, leading him to enjoy a career as a higher education administrator and in policy analysis. When he retired, however, he chased his dream. In this book, he shares how he made the leap, what it was like prepping for and taking the test to earn his commercial driver's license, and how he earned real-world experience on the road. He also pays tribute to the beauty of big rigs and the pure joy that comes along with

looking at them and driving them. There really is nothing like admiring the beauty of a landscape while sitting in the elevated cab of a big rig tractor. Whether you've wondered what it is like to drive a big rig, want to make a career change, or simply crave to know more about truck driving culture, you'll get an accurate picture of what the life is all about with this book.

Pedal To The Metal Lawrence Ouellet, 1994-06-28 Examines the lives and work ethic of American truckers, describes the rewards and hardships of their profession, and analyzes trucking culture.

The Cult of the Big Rigs and the Life of the Long Haul Trucker  
Graeme Ewens, Michael Ellis, 1977

**My Life As a Professional Seat Cover** Suzanne Marsh, 2012-08  
My Life as a Professional Seat Cover is a memoir written to help bridge the gap between truckers and the general motoring public. It is not that truck drivers are misunderstood; it is the misconceptions that the general motoring public has about the trucking industry. Just because trucks are larger and have more brakes does not mean that they can stop quickly especially when trucks are loaded almost to the gross weight of 80,000 pounds. The issues confronting truckers today from the changes in the Hours of

Service, to the point system instituted by the FMCSA, to HR763 which if passed will affect the entire motoring public. How will all these changes directly or indirectly affect consumers, the economy and the general public. Earl and Sue Marsh have three daughters, eleven grand children and one great grandson. When they are not on the road trucking they are at home in Temple, Texas.

*Life Cycle Costs of Quieter Truck Tires* William R. Fuller, 1979

*As I Remember: My Life As a Trucker* Jerry Alcorn, 2021-06-17

The objective to this book is to share my experiences and observations, including advancement in truck design and technology... Basically, the great changes that have taken place over the last 7 decades. Each truck was equipped with a hand throttle which the driver would pull out to keep the engine RPM up. Then stand on the cab step, holding the drivers door open with his left hand and steering the truck with his right hand. When they reached the end of a long pull, the driver would slip back into the driver's seat and take over the controls.

**The Diesel Brothers** Heavy D., Diesel Dave, 2017 In the world of monster trucks, no one builds bigger and more extreme rides--and has more fun in the process--than Heavy D, Diesel Dave, and their crew at DieselSellerz. Their larger-than-life creations and awesome

truck giveaways are legendary, but for those less fortunate who haven't had the opportunity to experience a Bros' souped-up truck, this thrill-ride of a book is the next best thing.

A Truck Driver's Wife's Life Debby Richardson, 2014-04-15 A Truck Driver's Wife's Life is about everyday life as a Truck Driver's Wife. Her fears each time the phone rings, keeping up the homestead, trying to start her own career, and fighting for the rights of Truck driver's around the nation with many adventure mixed in. Great for teens and adults alike. There are many realities in this book that all Truck Driver's Wives face on a daily basis.

**Over and Over the Road, a Truck Driver's Stories** V. W. Sheperd, 2014-08-13 The road is a long and winding place in V. W. Sheperd's fascinating debut collection, *Over and Over the Road: A Truck Driver's Stories*. This short-story compilation, based on Sheperd's real-life experiences while on the road as a cross-country truck driver, features the ups, downs, and everything in between as he forges a life for himself in the confines of a high-rise tractor trailer. Life is never dull when you're driving hundreds of miles a day for three months at a time. Through it all, Sheperd manages to keep his humor, his wits, and his sanity. With seventy-eight different tales of terrible weather, terrifying near-accidents,

fascinating people, and philosophical observations, readers will gain a glimpse of the unpredictable- and oddly beautiful- life out on the open road.

**Spirit of the Road** Rick L. Huffman, 2013-07-07 **Spirit of the Road: The Life of an American Trucker...**and his cat embarks on a one-year journey across the United States in an eighteen-wheeler. It runs the gambit from a wide-eyed rookie in Commercial Driving school to the eventual embracing of a new lifestyle at a dusty little truck stop in Crab Orchard, Tennessee. Having made the transition to trucking after spending 20 years in television broadcasting, the author sets a comical tone from the very first chapter in a “fish-out-of-water” story. However, the dangers and challenges of life in a big truck are very real, and the book takes on a more somber tone to describe this aspect of road life. The reader is also introduced to little-known, funny, or unusual historical facts about some of the places visited while they are along for the ride. The objective of this book is to give the reader an entertaining, yet candid, picture of the life of a long haul trucker with a little slice of Americana on the side. This book always keeps the reader in mind, and strives to both inform and entertain. Another unique feature is the inclusion of a traveling cat in the story. The comical and, sometimes, poignant

adventures of “Kitty” are interwoven throughout the book and promises to hold appeal for pet lovers. The trucking lifestyle has been depicted in various television series and movies and, as with any job that holds a degree of adventure and danger, it sparks the interest of the general public. The life of the American trucker still holds a bit of the rugged explorer's lifestyle. The trucker is usually far from home and uncertain what lies around the next bend. Curiosity about the unknown is an attractive feature to the general reader. *Spirit of the Road: The Life of an American Trucker* is a book that touches into a cornerstone of a lifestyle that few people know about, but that hides a passionate group that bears further study, namely, truck drivers.

## Truck Life Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore

some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Truck Life free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open

Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global

audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Truck Life free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to

download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Truck Life free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's

essential to be cautious and verify the authenticity of the source before downloading Truck Life. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Truck Life any

PDF files. With these platforms, the world of PDF downloads is just a click away.
