A Dozen Miles of Unpaved Road William F. Pray, 2015-09-07 Pray's collection brings you into the working man's world: a truck driver who shields a transvestite from a prison rape, the murder of a trucker behind a strip club that no one reports, a reluctant union organizer who must go to jail to get a contract signed, a young dock worker who accidentally turns his lover into a prostitute, a crew of drivers who protect a woman truck driver from the consequences of failing at her job, two black drivers in Alabama who must keep a terrified white woman out of the hands of her family. These are some of the stories in this collection. More than just the usual proletarian literature, where grumbling takes the place of storytelling, Pray's tales are about real, everyday working people struggling through not so everyday situations. A fast moving, dynamic read.

Hush, Little Trucker Kim Norman, 2021-11-09 Soothe truck-loving toddlers off to sleep with this vehicle-themed bedtime picture book Hush, little trucker, you're in luck. Mama's gonna find your lost toy truck. A new spin on the classic song "Hush, Little Baby," this truck-themed lullaby follows a mother and child as they discover different vehicles, from a bulldozer to a front-end loader. Kim Norman's gentle rhyming text, paired with Toshiki Nakamura's imaginative illustrations, makes this picture book a great option for bedtime read-alouds.

What You Didn't Learn in Trucking School Janet Walker, 2020-11-16 WHAT YOU DIDN'T LEARN IN TRUCKING SCHOOL is a refreshingly frank and delightful pocket guide that offers practical advice and etiquette tips for truck drivers. Being a truck driver is not easy. Truckers' challenges include working long hours, being hundreds of miles from home and constantly trying to avoid or prevent hazards on the roadway. The biggest complaint truck drivers have? Other truck drivers! Especially the ones with toilet habits you wouldn't tolerate from kindergartners. Janet Walker shares with readers the opinions, gripes and peeves she has collected from drivers during her 12 years in the trucking industry. To help remedy these problems, she offers solutions that, if implemented, can help make the trucking lifestyle more enjoyable and more respectful for the men and women who are the heroes of our country's highways. This little book of etiquette is a valuable guide for anyone who wants to be a truck driver in America-and who wants to know which habits to avoid as they travel the road to truck-driving success.

Saved by Angels Bruce Van Natta,2008-06-28 Many people believe in and practice praying to the Lord, but the Bible is very clear that the Lord also speaks back to us in various ways! This book goes into detail about the 7 different ways that God speaks to us as found in the Bible, and how that applies to our lives today. It reveals to us that these 7 areas are not just the different ways that God still speaks to us, but that when looked at as a whole they are a picture of what a healthy relationship with God involves. It further shows that this kind of intimate relationship is available to all believers and that this is exactly the kind of relationship that God desires to have with each of us. Throughout the book several Biblical and personal examples are used to validate each section. The reader is also given opportunities to see how God has already been talking to them in his/her own life, and then record these examples at the end of every chapter. Each person who reads this book is challenged to grow in his/her relationship with the Lord and is given many tools to help accomplish that. This is important because when a believer has an intimate relationship with the Lord they hear His voice more clearly. The Holy Spirit is then better able to guide and empower the believer to become victorious in their daily walk.
