

Trucker Sos

Butch Richards

The Trucker's World Rothe, J. Peter (John Peter),1991-01-01 This is a book about truck driver's lives, risks, and views on safety. As a group, truckers represent a significant population of road users whose high-exposure driving creates a major challenge for safety. Research into the larger social, political, and economic forces that affect trucker's safety problems has been scarce. The Trucker's World comes to terms with the socioeconomic environment that contributes to breakdown in trucker safety and chronicles the lives and times of truckers as they try to make ends meet. It analyzes driver risk by exploring the reasons, reactions, and consequences of risk. The author approaches his task with a research question: Why is the average trucker continuously placed in conditions that, according to truckers, demand risky driving? As a result of direct experience with truckers and trucking, Rothe observes that truck drivers act as they do to gain autonomy over their work, freedom from control of others, and assurance of a reasonable livelihood. In order to maintain a sufficient income in the transportation market, even the most serious drivers perform tasks that often impinge on lethality and safety, not as blatant radicals or daredevils fighting the system, but as persons responding to the fear that they may lose their livelihood in trucking. The thrust in trucker safety has followed a victimization philosophy in which emphasis on interventions has been aimed directly at truckers. Rothe contends that safety programs would work better if they emphasized what influences, motivates, or encourages truckers to take chances on the road. With this in mind, he analyzes driver risk, vehicle maintenance, owner-operator, company driver, policing, home life, drugs and alcohol, government regulations, and hours of service as they are seen by truckers, industry officials, and others. Expanding our vision to encompass essential factors in the socioeconomic reality of the truck-driving culture. Rothe elucidates the far-reaching consequences that safety issues have for truckers, other road users, policymakers, and traffic safety educators.

The Trucker's World John Peter Rothe,Insurance Corporation of British Columbia,1991-01-01 This is a book about truck driver's lives, risks, and views on safety. As a group, truckers represent a significant population of road users whose high-exposure driving creates a major challenge for safety. Research into the larger social, political, and economic forces that affect trucker's safety problems has been scarce. The Trucker's World comes to terms with the socioeconomic environment that contributes to breakdown in trucker safety and chronicles the lives and times of truckers as they try to make ends meet. It analyzes driver risk by exploring the reasons, reactions, and consequences of risk. The author approaches his task with a research question: Why is the average trucker continuously placed in conditions that, according to truckers, demand risky driving? As a result of direct experience with truckers and trucking, Rothe observes that truck drivers act as they do to gain autonomy over their work, freedom from control of others, and assurance of a reasonable livelihood. In order to maintain a sufficient income in the transportation market, even the most serious drivers perform tasks that often impinge on lethality and safety, not as blatant radicals or daredevils fighting the system, but as persons responding to the fear that they may lose their livelihood in trucking. The thrust in trucker safety has followed a victimization philosophy in which emphasis on interventions has been aimed directly at truckers. Rothe contends that safety programs would work better if they emphasized what influences, motivates, or encourages truckers to take chances on the road. With this in mind, he analyzes driver risk, vehicle maintenance, owner-operator, company driver, policing, home life, drugs and alcohol, government regulations, and hours of service as they are seen by truckers, industry officials, and others. Expanding our vision to encompass essential factors in the socioeconomic reality of the truck-driving culture. Rothe elucidates the far-reaching consequences that safety issues have for truckers, other road users, policymakers, and traffic safety educators.

NEW TO OTR Chris Aragon,2014-03-14 Chris Aragon provides a direct, somewhat cynical, and slightly gruff look at the everyday tasks and responsibilities of being an Over The Road Truck Driver as an employee of a very large trucking company. Hollywood has always painted the public picture of what yesterday's trucker looked like, but Chris's hard toned look at the modern and highly regulated Commercial Drivers License paints a much different picture. With Road Safety at the center, Chris attempts to explain some of the complexity that is today's Trucking Industry for the Non-Owner-Operator of the 18 Wheeler Culture. From the starting point of obtaining a Class A Commercial Driver's License to the day to day dealings with company management to the suggestions for comfort while out on a national tour, Chris lays his no nonsense approach out in a raw sense without the hidden meanings tucked in the folds. In Chris's previous full career as a Corrections Officer Sergeant in a maximum security setting, he developed a Funny Frowned Face as opposed to a poker face in communicating his thoughts. Chris often jokes about his Grumpy Personality with many of his friends and family and he hopes that the raw and pungent outlay doesn't protrude itself as overly provocative to any reader.

Pedal To The Metal Lawrence Ouellet,1994-06-28 Examines the lives and work ethic of American truckers, describes the rewards and hardships of their profession, and analyzes trucking culture.

Keep Calm and Keep on Trucking Log Book Jeanpaulmozart,2021-04-06 Keep Calm and Keep on Truckin' Recording ! The Big Rig Steve Viscelli,2016-04-12 Long-haul trucks have been described as sweatshops on wheels. The typical long-haul trucker works the equivalent of two full-time jobs, often for little more than minimum wage. But it wasn't always this way. Trucking used to be one of the best working-class jobs in the United States. The Big Rig explains how this massive degradation in the quality of work has occurred, and how companies achieve a compliant and dedicated workforce despite it. Drawing on more than 100 in-depth interviews and years of extensive observation, including six months training and working as a long-haul trucker, Viscelli explains in detail how labor is recruited, trained, and used in the industry. He then shows how inexperienced workers are convinced to lease a truck and to work as independent contractors. He explains how deregulation and collective action by employers transformed trucking's labor markets--once dominated by the largest and most powerful union in US history--into an important example of the costs of contemporary labor markets for workers and the general public.

Shift Log & Mileage Book For Truck Drivers Abatron Logbooks,2019-09-05 Driver shift Log book Tracking your work miles for business related driving can be a pain; but legally must be done correctly to ensure correct payment and taxation. This 6x9 inch mileage log book has been designed to save you time and effort, with an easy and convenient book that will slide straight into your glove compartment. It contains all the required information for tracking vehicle mileage including: Date, start time and finish time, break times Vehicle Information Start and end location Start and end milage Personal and business mileage Purpose for trip Notes (Per shift) Also included

at the back of the book is a number of pages for notes, which many mileage and shift log books lack. This note section should be used for other business or tax related purposes, which may include noting repairs or vehicle maintenance, or any other important vehicle or shift related notes. The first page also includes inputs for personal information, as well as a start and end date for the logbook which makes organisation for employers and employees much more swift

Book Features: 6 x 9 inch - Small enough to fit into glove compartment but enough space to write all essential information High quality professional perfect bound interior Soft cover with professionally designed cover Printed on high quality, durable paper that will last 120 Pages Room to log over 340 trips - Should last more than 1 year of shift work Notes section for other important information Abatron Logbooks are built to last. We are dedicated to providing high quality, convenient and well designed logbooks for all walks of life. Check out our other products and cover designs that may be more suited to you.

The Rookie Truck Driver Percy Smith, 2019-09-10 Addicted to marijuana and not making enough money to get by, Percy Smith knew it was time to make a change. When he dropped his 9-5 and enrolled to become a commercial trucker, this began a journey which soon became the beginning of a brand new life and career. Containing a breakdown of CDL requirements, and how anybody can go from having no experience to being a commercial trucker, Percy's story is both an account of his life and a resource for others hoping to follow a similar path. With reflections on trucking life, as well as the high points and disasters along the way, The Rookie Truck Driver is a must-read for anyone interested in breaking into the world of trucking.

The Trucker's Nightmare Chris Hanly, 2019-08-15 The Truckers Nightmare enters a darker side of the events that take place in the trucking world. Things can change so drastically without a moments notice. The simple task of delivering a load to a customer could very quickly turn into a series of events where one could possibly be facing his own demise. The events in these stories are about the lives, hardships, and unexpected, life changing circumstances that occur, in the lonely life of a driver out on the road. The fatigue, the stress, and the insanity that can consume the very life and can even go as far as to destroy one's family are written in these pages. The long hours, unexpected break downs, delays, and time away from home, along with the lonely nights and even longer days, test the men and women, bringing them to a point, in many cases of no return. Many of them allow the insanity that consumes them to run rampant in their lives, while others become victims of circumstances, unaware of the consequences involved. Others become victims of their environment, not being able to have a say in what happens to them. The stories in this series are each written with its own unexpected story line and twists to throw the reader off.

ICC Register, 1989

Slowing for the Rough Stuff Jonathan Jones, 2021-11-15 The complexities of war are only truly known when you've experienced it. From 1992 to 1994, Jonathan Jones, an ex-serviceman of the Gloucestershire Regiment, found himself in the depths of chaos while providing humanitarian aid as a civilian truck driver in the former Yugoslavia. As part of the British Convoy Team, Jones, along with other civilian truck drivers, were able to access areas cut off to the military; allowing much-needed supplies to reach those who were affected by the war the most--the people. With funding from the British Government and support from the United Nations High Commission for Refugees (UNHCR), the duties of truck driving were clear, but the truth behind it was not. Part history, part memoir, *Slowing for the Rough Stuff* discusses the economic and political landscape of this volatile war prior to the British Convoy Team's arrival. Jones delves into the challenging situations faced by the UNHCR Convoy teams of political red tape, the black market, and facing death every day. *Slowing for the Rough Stuff* will keep you on the edge of your seat while you learn and witness the true events surrounding civilian truck drivers in the warzone of the former Yugoslavia.

Quick Response Freight Manual Travel Model Improvement Program (U.S.), 1996

Shift Log and Mileage Book for Truck Drivers Hadobba books, 2020-12-20 Daily Mileage Book & Shift Log for Truck Drivers | Mileage and Hours Log book for Truckers, Lorry Drivers and Delivery Employees Tracking your work miles for business related driving is hard, but legally must be done correctly to ensure correct payment and taxation, so this book will help you to organize your transport like a pro, write as much detail as possible, and you will not forget anything. You can use it as a gift for tuckers Details: * 120 pages * 6 x 9 inches * Matte cover

The Great Blizzard of 1978 Butch Richards, 2017-05-07 In January of 1978, a blizzard tore across the Ohio Valley and Great Lake regions. Some call it the Storm of the Century, and others, the White Hurricane. This is a true short story of how an Ohio truck driver survived the storm on I-75 in the state of Ohio, in a blizzard with 50 to 100 mph winds and driving snow. A storm fierce enough to take 51 or more lives in the Ohio area alone. This is what happened to this driver, and all that were with him, with hundreds of vehicles frozen to the highways, unable to move, all counting on each other for survival.

Common Sense Guide to Driving a Truck Harry Gorge, 2011-08-17 A COLLECTION OF STORIES FROM OVER 30 YEARS OF EXPERIENCE AS A SAFETYMAN, LICENSED INSTRUCTOR, STATE DRIVING CHAMPION, AND PROFESSIONAL DRIVER. A HUMOROUS AND REALISTIC GUIDE TO HELP THE AVERAGE TRUCK DRIVER BETTER UNDERSTAND THE LAWS, RULES, AND REGULATIONS IN AN EASY TO

READ FORMAT. THIS BOOK ALSO COVERS THE CSA2010 AND STORIES FROM THE STREET AS A LOCAL DRIVER, FROM THE ROAD AS A LONG HAUL DRIVER, FROM THE CLASSROOM, ROAD TESTS AND DURING TRAINING AS A SAFETYMAN. ALSO SOME STORIES FROM THE DRIVING CHAMPIONSHIPS. I BELIEVE ANYONE IN THE TRUCKING INDUSTRY WILL ENJOY RAEDING THIS BOOK.
