*The Trucker's Nightmare* Chris Hanly,2019-08-15 The Trucker's Nightmare enters a darker side of the events that take place in the trucking world. Things can change so drastically without a moment's notice. The simple task of delivering a load to a customer could very quickly turn into a series of events where one could possibly be facing his own demise. The events in these stories are about the lives, hardships, and unexpected, life-changing circumstances that occur, in the lonely life of a driver out on the road. The fatigue, the stress, and the insanity that can consume the very life and can even go as far as to destroy one's family are written in these pages. The long hours, unexpected break downs, delays, and time away from home, along with the lonely nights and even longer days, test the men and women, bringing them to a point, in many cases of no return. Many of them allow the insanity that consumes them to run rampant in their lives, while others become victims of circumstances, unaware of the consequences involved. Others become victims of their environment, not being able to have a say in what happens to them. The stories in this series are each written with its own unexpected story line and twists to throw the reader off.

**Highway To New York** Inge Auerbacher,2008-10-15 They call Lisa Stack the Asphalt Angel and more often...The Bitch On Wheels. But deep down, she's soft as mush. She drives on the sometimes lonely and dangerous highways across America in her Freightliner, making the asphalt cry out beneath her. Lisa's heart-pounding lady trucker adventures begin when she is the subject of a brutal mugging. She gets caught in the web of the notorious N.Y.G. (New York Gang), whose slogan is: Comply or you die! She witnesses the explosion of a gas tanker and the murder of its driver by ski-mask wearing hoodlums. Lisa gets a tour of New York City with a gun to her head, under the watchful eyes of Tony, a member of this vicious gang. She experiences the gang's world of narcotics, extortion, prostitution and murder, with no light at the end of the proverbial tunnel. Fasten your seatbelts and listen to the roar of the engine. I invite you all to come along on this terrifying ride.

**Rookie Truck Driver** Gary H. Baker, 2008-03-23 In *Rookie Truck Driver*, it doesn't take long for the action to get moving. Here are the cover notes: Pearl Harbor, J.F.K.'s assassination, the Oklahoma City bombing...In everyone's life there are days, moments, occasions that change your life forever. September 11, 2001 was that day for Toby Etheridge. The sight of the Twin Towers coming down, the Pentagon in flames, and the fourth jet liner scattered over a Pennsylvania field released something equally forbidding and explosive in Toby. To fulfill his mission for retaliation and deal with his guilt from Vietnam, he will have to learn a lot of hard lessons about life on the road as a rookie truck driver. You may read excerpts, comment on, and order at [www.garyhbaker.com](http://www.garyhbaker.com). Also, the author encourages truck drivers to email or snail mail their best stories of life on the road. Gary plans to use as many as possible in future books.

It also shows the diversity of the American experience, from people who lived in their vehicles to people dealing with personal issues, everyone looking to change the direction of their lives by learning a new skill. These stories are meant to be more entertaining than informative, a

*We Truck Louisville* Beverly Feathers,2011-07-22 The truckers were waging a war against the drug takeover of Louisville, Kentucky with battle cries as they drove through the city. Drivers changed their routes so they could join the yells. They refused to accept loads from the Louisville businesses. Bonnie had been a trucker who was ruthlessly robbed by dope dealers. She had only married Carl Silas Blake,MD, because of money. Fighting the drug dealers, any way that she could, without telling her husband, was all she that could do to avenge the Louisville exiles who had been torn from their land.

*Confessions of a Female Truck Driver* Rebbly Barnard,Rebekkah Barnard,2009-03 I aspired to write since early childhood. My mother loved my writing and saved things I wrote at an early age which she treasured. In the 1990s, while driving a semitruck I learned quite a bit about myself and the world. It was fun and memorable, and I will never forget it. Later I drove a taxicab. Passengers sometimes would ask me if we are on the show Taxicab Confessions. I revealed my trucking experiences and changed the title to Confessions of a Female Truck Driver. Just recently, I became a truck driver again! I am so excited to be back-and maybe I will write a sequel to this book one day. What is it really like driving a truck? It's a complete subculture with its own standards, ethics, and dialect. And it never hurts to have a sense of humor. This is the world of the truck driver through my eyes. Breaker one-nine. Breaker one-nine. We got a great big convoy and I got your back door. Keep the greasy side down and the shiny side up. That's a big 10-4, good buddy
