Becca Wilcott

## True blood ,

*Truly, Madly, Deadly* Becca Wilcott,2010-12-15 This companion to the wildly popular HBO series True Blood is at once an introductory guide to the first two seasons of the vampire saga and a treasure trove for the legions of true believers who follow the show. Created by Alan Ball, the Oscar-winning writer of American Beauty and creator of HBO's cult ensemble sensation Six Feet Under, True Blood surpassed The Sopranos as the largest-ever audience for a cable show at more than 12.4 million viewers a week. It has revitalized the career of Oscar-winner Anna Paquin and has introduced international audiences to Stephen Moyer, Alexander Skarsgård, and Ryan Kwanten and an extensive, award-winning cast. Exclusive interviews, in-depth biographies of cast members, an episode guide, and behind-the-scenes anecdotes flesh out the fictional characters as well as the actors who inhabit the roles. Some of the underlying themes of the series—such as the politics of race, sexuality, and gender—are explored, and chapters on paranormal phenomena and the literary and cinematic histories of vampires are also included. In addition, this analysis offers an introduction to author Charlaine Harris, whose popular Sookie Stackhouse novels were the inspiration for the television series, as well as a discussion of the role of the fan base and social media in the phenomenal rise of this television sensation.

True Blood Brigid Cherry,2012-08-17 As seen in HBO's True Blood, vampires have never been more edgy, gory or sexy. Since its arrival on screen in 2008, Alan Ball's adaptation of The Southern Vampire Mysteries by Charlaine Harris has exploited the creative freedoms of the HBO brand and captured a cult audience with its passionate, blood-drenched visuals and stories. From viral webisodes depicting vampires announcing themselves on TV to the steamy title sequence and the show's uninhibited use of language, sex and gore, True Blood has quickly gained status as cult TV with bite. True Blood posed the question of what would happen if vampires 'came out of the coffin' and this book considers the representations of sexuality, race and class in a series that engages directly with prejudice and civil rights. It also considers True Blood's generic roots in television horror, paranormal romance and Southern Gothic, the wider contexts of fairy tales and religion, the marketing of the series and the activities of its fans. Written for students, scholars and fans, True Blood: Investigating Vampires and Southern Gothic explores the hidden depths of True Blood's vampire bars, small town communities and haunted bayous.

**Truly, Madly, Deadly: The Unofficial True Blood Companion (Large Print 16pt)** Becca Wilcott,2012-11-21 Truly, Madly, Deadly: The Unofficial True Blood Companion is at once an introductory guide to the first two seasons of HBO's immensely popular vampire series True Blood, and an all - in - one treasure tomb for the "truest" of fans. Created by Alan Ball, the Oscar - winning writer of American Beauty and creator of HBO's cult ensemble sensation Six Feet Under, in 2009 True Blood surpassed The Sopranos as the largest ever audience for a cable show at over 12.4 million viewers a week, relaunching the career of Oscar winner Anna Paquin, and introducing international audiences to Stephen Moyer, Alexander Skarsgård, and Ryan Kwanten, to name only a few of the award - winning cast. This book offers in - depth biographies of each major cast member, along with pictures and fan quotes; guides to each episode along with a host of fun facts and behind - the - scenes anecdotes; sidebars providing additional cast or character info; full chapters, which tackle some of the greater underlying themes of True Blood such as the paranormal and the politics of race, sexuality, and gender; an overview of literary and cinematic vampires; an in - depth look at how social media has contributed to the success of the show, including interviews with the Twitter True Blood players; tributes to the supporting cast, including an interview with Kristin Bauer (Pam Ravenscroft); and an exclusive interview with, and introduction to, Charlaine Harris, author of the bestselling Sookie Stackhouse novels, on which the series is loosely based.

*True True Blood* Megan Norris,2012 For anyone who believes vampires only exist in the darkest depths of Transylvania or in cult dramas like Twilight or True Blood – think again! True True Blood is a dark snapshot into some the world's most brutal and gruesome vampire slayings. From the grisly murder of Western Australian teenager Stacey Mitchell by lesbian lovers, Valerie Parashumti and Jessica Stasinowsky, to the brutal, gory murder of a Queensland grandfather, whose bloody random death satisfied self-proclaimed vampire, Tracey Wigginton. Now, True True Blood's portrait of darkness will take you to a dark side of homicide you never imagined.

**Bloodsuckers on the Bayou** Valerie Estelle Frankel,2013-07-27 True Blood is more than just an HBO show brimming with sex and gore, or another vampire horror story blown up by big media. Independent detective Sookie Stackhouse is following the classic heroine's journey, seen in epic myth and popular fantasy, from the quests of Isis and Demeter to the struggles of Dorothy Gale or Katniss Everdeen. Beside her, Sam, Jason, Alcide, Eric, and Bill, along with Pam, Tara, and Jessica embark on their own epic quests into darkness seeking freedom and belonging. From the show's mythic structure to the maenads, fairies, demonesses, werewolves,

and vampires, True Blood swells from its ancient roots to tackle modern issues and sensibilities in a breathtaking epic...while still breaking taboos and tackling boundaries.
