**Scott Braxton, Scott Braxton, Dr, PhD, Dr  
Scott Braxton Ph. D.**

**Lasting Love** Gay Hendricks, Ph.D., Kathlyn Hendricks, Ph.D., 2004-01-17 In this long-awaited follow-up to their seminal *Conscious Loving*, Kathlyn and Gay Hendricks take on two of the most pressing problems that sap vitality and energy from our committed relationships: how to forge a closer relationship that still allows each partner full creative autonomy, and how to generate the passion and preserve the harmony essential to keeping long-term partnerships alive and blooming. *Lasting Love* grew out of the Hendricks' laboratory of their 23-year marriage as well as their 10-year study of more than 2,000 long-term, committed couples. They discovered that the most common couples conflicts could be traced to at least one of five root causes: \* An imbalance between the creative energy each partner contributes to the relationship \* A lack of emotional honesty \* An unwillingness to accept responsibility for everyday issues \* Deep-seated commitment problems \* A deficiency of daily appreciations Using these insights as a starting point, the Hendricks devised a program based on five vital actions that simultaneously lead to a deeper flow of intimacy between partners and greater creative freedom for each individual: \* Spend time expressing your own creativity rather than focusing on fixing your partner \* Eliminate the barrier to speaking and hearing the truth about everything \* Break the cycle of blame and criticism \* Make commitments you can really stand by \* Become a master of verbal and nonverbal appreciation Filled with helpful real-life scenarios and straightforward

advice, Lasting Love is an essential guide for anyone involved in a long-term relationship who wants it not only to last but to flourish.

### **Spirit-Centered Relationships** Gay

Hendricks, Kathlyn Hendricks, 2006-01-01 This book shows you a new way to experience more love in your life. If you use the three simple tools described in the book, your relationships will undergo a spiritual transformation. Specifically, you will feel a deeper sense of your own spiritual center, while at the same time seeing the spiritual essence of your partner more clearly. What allows this transformation to take place? It's the power of Presencing, a new set of relationship-enhancing techniques that enable you to slip free of the shackles of the past into a new space of creative freedom. Based on work with more than 3,500 couples and 20,000 single and divorced people, Gay and Kathlyn Hendricks discovered that relationships flourish when each person develops a body-sense of spirit. This means that each person must get deeper than the level of spiritual concepts to feel a living sense of spirit inside. Using the three specific tools described in the book: Presencing Wonder,

Presencing Spirit, and Spirit-Centered Listening, couples feel more love and harmony flowing into their lives, and single people find it much easier to attract genuine love to them.

**Secrets of Great Marriages** Charlie Bloom, Linda Bloom, 2010-10-05 Therapists Charlie and Linda Bloom have been married more than thirty-five years. Over a two-year period, they interviewed twenty-seven couples who had been together for an average of thirty years and seemed as happy as newlyweds. Were they just lucky? The Blooms found that these couples had faced real challenges – difficulties with children and stepchildren, war wounds, infidelity, and financial ruin. They also found that with loving dialogue and open hearts, the couples had found ways to heal, grow, and deepen their commitment through, and not despite, their challenges. The Blooms distill this real-world wisdom into practical, positive actions any couple can take to achieve or regain not just a good marriage but a great one.

*Conscious Loving* Gay Hendricks, Kathlyn Hendricks, 1990 A guide to living in a committed love relationship offers advice on how to end power struggles, balance needs, overcome blocks, and remove impediments to pleasure

**Learning to Love Yourself** Gay Hendricks, 2011 An Invitation From Gay Hendricks I am thrilled and delighted to offer to you the new edition of *Learning To Love Yourself*. Revisiting and rewriting the book has been a pleasure from beginning to end. With its new elements, the book comes alive in a whole new way. Looking back over more than three decades to the moment of its conception, I can now see how writing this book changed my life in every way. I first wrote it as an act of love, to share an experience that feels as if it's still transforming me in my very cells. It was my hope that telling about the experience could inspire the same profound life-changes in others. The many thousands of letters, emails and spoken appreciations I've received since then let me know that my hope came true. The experience described in the book revealed the living mystery of love to me, allowing me to feel its sweet power for the first time. Because I suddenly knew what real love felt like, I was able to break free of my pattern of painful relationships with women. Ultimately it helped me find my way to Kathlyn, the love of my life and my wife for the past quarter-century. The new edition is ideal for giving to loved ones (including yourself!) who are on the journey to forgiving, accepting and loving themselves. It tells you how I came to an

acceptance and unconditional love of even the most difficult-to-love parts of myself. My fondest wish is that you use it for exactly the same purpose, with exactly the same result.

*Attracting Genuine Love* Kathleen Hendricks, Gay Hendricks, 2004 Presents a results-oriented program that helps listeners create a conscious, meaningful, and lasting relationship.

**The Soulmate Secret** Arielle Ford, 2011-01-04 Have you ever wondered what it takes to find the love of your life? Is it your dream to find a life partner who will love, cherish, and adore you? The Soulmate Secret will show you how to take control of your romantic destiny by using the Law of Attraction. Translated into more than twenty languages, The Soulmate Secret has become an international phenomenon. Now with a new preface and a new chapter filled with book-inspired success stories, this book shows finding true love is possible for anyone at any age if you are willing to prepare yourself, on all levels, to become a magnet for love. Arielle Ford knows this from experience. She used the techniques in this book to bring her soulmate into her life at age forty-four. They were engaged three weeks later. This ancient formula reveals that our universe is set up to deliver the people and things into our lives that are consistent with our personal belief system. If you don't believe you will ever find the One, then guess what? You probably won't. If, however, you learn to believe that the One is not only out there but is also looking for you, then true love can be yours. Using a series of processes called feelingizations—feeling in every

cell of your being the outcome you want to create—Ford reveals how to manifest the man or woman of your dreams. The techniques, rituals, and projects found within these pages will allow you to prepare your home, body, mind, and spirit for the lover your heart truly desires.

*The First Rule of Ten* Gay Hendricks, Tinker Lindsay, 2014-02-03 Don't ignore intuitive tickles lest they reappear as sledgehammers. That's the first rule of Ten. Tenzing Norbu (Ten for short)—ex-monk and soon-to-be ex-cop—is a protagonist unique to our times. In *The First Rule of Ten*, the first installment in a three-book detective series, we meet this spiritual warrior who is singularly equipped, if not occasionally ill-equipped, as he takes on his first case as a private investigator in Los Angeles. Growing up in a Tibetan Monastery, Ten dreamed of becoming a modern-day Sherlock Holmes. So when he was sent to Los Angeles to teach meditation, he joined the LAPD instead. But as the Buddha says, change is inevitable; and ten years later, everything is about to change—big-time—for Ten. One resignation from the police force, two bullet-wounds, three suspicious deaths, and a beautiful woman later, he quickly learns that whenever he breaks his first rule, mayhem follows. Set in the modern-day streets and canyons of Los Angeles, *The First Rule of Ten* is at turns humorous, insightful, and riveting—a gripping mystery as well as a reflective, character-driven story with intriguing life-lessons for us all.

The Big Leap Gay Hendricks, 2009-04-21 Most of us believe that we will finally feel satisfied and

content with our lives when we get the good news we have been waiting for, find a healthy relationship, or achieve one of our personal goals. However, this rarely happens. Good fortune is often followed by negative emotions that overtake us and result in destructive behaviors. I don't deserve this, this is too good to be true, or any number of harmful thought patterns prevent us from experiencing the joy and satisfaction we have earned. Sound familiar? This is what New York Times bestselling author Gay Hendricks calls the Upper Limit Problem, a negative emotional reaction that occurs when anything positive enters our lives. The Upper Limit Problem not only prevents happiness, but it actually stops us from achieving our goals. It is the ultimate life roadblock. In *The Big Leap*, Hendricks reveals a simple yet comprehensive program for overcoming this barrier to happiness and fulfillment, presented in a way that engages both the mind and heart. Working closely with more than one thousand extraordinary achievers in business and the arts—from rock stars to Fortune 500 executives—whose stories are featured in these pages, the book describes the four hidden fears that are at the root of the Upper Limit Problem. *The Big Leap* delivers a proven method for first identifying which of these four fears prevents us from reaching our personal upper limit, and then breaking through that limitation to achieve what Hendricks refers to as our Zone of Genius. Hendricks provides a clear path for achieving our true potential and attaining not only financial success but also success in love and life.

**The Normal Bar** Chrisanna Northrup, Pepper Schwartz, James Witte, 2014-01-07 Based on data obtained from nearly 100,000 respondents, here is the ultimate resource for anyone who wants to learn the relationship-tested ways couples can achieve satisfaction and contentment in areas such as communication, sex, affection, and financial cooperation. What constitutes “normal” behavior among happy couples? What steps you should take if that “normal” is one you want to strive for? To help answer those questions, wellness entrepreneur Chrisanna Northrup teamed with two of America’s top sociologists, Yale Ph.D. Pepper Schwartz and Harvard Ph.D. James Witte, to design a unique interactive survey that would draw feedback from around the world. What has resulted is the clearest picture yet of how well couples are communicating, romancing each other, satisfying each other in the bedroom, sharing financial responsibilities, and staying faithful – or not. Since the Normal Bar survey methodology sorts for age and gender, racial and geographic differences and sexual preferences, the authors are able to reveal , for example, what happens to passion as we grow older, which gender wants what when it comes to sex, the factors that spur marital combat, how kids figure in, how being gay or bisexual turns out to be both different and the same, and –regardless of background -- the tiny habits that drive partners absolutely batty. The book is dense with revelations, from the unexpected popularity of certain sexual positions, to the average number of times happy – and unhappy -- couples kiss, to the prevalence of lying, to

the surprising loyalty most men and women feel for their partner (even when in a deteriorating relationship), to the vivid and idiosyncratic ways individuals of different ages, genders and nationalities describe their “ideal romantic evening.” Much more than a peek behind the relationship curtain, *The Normal Bar* offers readers an array of prescriptive tools that will help them establish a “new normal.” Mindful of what keeps couples stuck in ruts, the book’s authors suggest practical and life-changing ways to break cycles of disappointment and frustration.
