The True You Shines: Let Go of Guilt and Shame Maria Jesus Marin

Lopez,2015-12-14 Guilt is about doing or not doing something. It's about action: 'I stole an apple, so I feel guilty because the action was wrong. I've wrongfully taken something from somebody else.' That's guilt. Guilt can become shame when you internalise it. Instead of simply relating it to an action, you might say: 'I'm a thief. I'm a bad person. I don't deserve to ever eat again because I've taken food from others.' Shame moves beyond simple action to identification. It's about who you feel you are: 'I'm wrong. I'm a bad person. I'm not good enough.' Or maybe you feel you need to visit your sick aunt, but then you don't go, and she passes away. You feel guilty because you didn't do it, but It becomes shame when you go beyond the action and identify with it: 'I'm a careless person. I'm selfish.' That's the difference. And that's also why guilt and shame are sometimes confused or linked together.

Be Not Afraid David Ivaska,2009-09-20 Be strong and courageous. Do not be terrified; do not be discouraged, for the Lord your God is with you wherever you go. Joshua 1:9 Cast all your anxiety on him because he cares for you. 1 Peter 5:7-10 God offers you his comfort. He promises you his power and strength. But when hard times hit-illness, death, job loss, relationship troubles-it is often hard to remember, to believe that God is with you. Again and again Scripture teaches, Do not be afraid. In this book of daily Bible studies David Ivaska has gathered God's words of encouragement for you. As you explore God's promises from the Old and New Testaments, you'll be reassured of God's goodness. As you dwell on the truth of God's sovereignty and faithfulness, your hope will be restored. Be Not Afraid includes ten weeks' worth of daily Bible studies, with the seventh study in each week designed either for individual study or for a small group wrap-up session. The six individual studies each week feature introductory material, a Scripture passage (NIV text reprinted alongside for handy reference), 3-5 questions for reflection, and a prayer. Whether you feel anxiety over one great issue or many small ones, this Bible study guide will give you the tools day-by-day to turn over to God all your cares and worries.

The Present-day English Gerund System Charlotte Maekelberghe,2020-09-21 This study offers a first comprehensive synchronic account of the Present-day English gerundial system. Most synchronic studies of gerunds have hitherto focused on the verbal

gerund, scrutinizing its categorial status or comparing it with other non-finite clausal structures. A systematic comparison with its nominal counterpart, however, is lacking. Based on a detailed empirical analysis of lexico-grammar and semantics, this study develops an innovative cognitive-constructionist model of the English gerund system which depicts the usage profiles of nominal and verbal gerunds in terms of probabilistic trends rather than by means of categorical labels. It is shown that a better understanding of the functioning of the English gerund system requires a description that operates on multiple levels, accounting for both the abstract construal gerunds can impose on an event as well as the token-level constraints on variation between the two gerund types. This multifaceted approach, it is argued, not only offers a new perspective on the configuration of ing-forms in Present-day English, it can also be of relevance to the description of other complex grammatical structures.
