William Egginton

Hollywood Creative Directory ,2007

Presidential Swing States David A Schultz,Rafael Jacob,2018-06-20 In this new and updated volume, the contributors examine the phenomena of presidential swing states in the 2016 presidential election. They explore the reasons why some states and, now counties are the focus of candidate attention, are capable of voting for either of the major candidates, and are decisive in determining who wins the presidency.

New York Magazine ,1986-11-24 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Trump Revealed Michael Kranish,Marc Fisher,2017-01-10 Who is Donald J. Trump? To discover Trump in full, the Washington Post assembled a team of award-winning reporters and researchers to investigate every aspect of his life, from his privileged upbringing in Queens to his hundreds of lawsuits, his infamous womanizing, his shifting position on abortion rights, his dizzying seven changes in party affiliation, and his astonishing, disruptive election as president in November 2016 -- Page [4] of cover.

New York Magazine ,1986-12-08 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Hollywood Diplomacy Hye Seung Chung,2020-02-28 Hollywood Diplomacy contends that, rather than simply reflect the West's cultural fantasies of an imagined "Orient," images of Chinese, Japanese, and Korean ethnicities have long been contested sites where the commercial interests of Hollywood studios and the political mandates of U.S. foreign policy collide, compete against one another, and often become compromised in the process. While tracing both Hollywood's internal foreign relations protocols—from the "Open Door" policy of the silent era to the "National Feelings" provision of the Production Code—and external regulatory interventions by the Chinese government, the U.S. State Department, the Office of War Information, and the Department of Defense, Hye Seung Chung reevaluates such American classics as *Shanghai Express* and *The Great Dictator* and applies historical insights to the controversies surrounding contemporary productions including *Die Another Day* and *The Interview*. This richly detailed book redefines the concept of "creative freedom" in the context of commerce: shifting focus away from the artistic entitlement to offend foreign audiences toward the opportunity to build new, better relationships with partners around the world through diplomatic representations of race, ethnicity, and nationality.

New York Magazine ,1987-04-13 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers

across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

When America Stopped Being Great Nick Bryant, 2021-03-04 'Nick Bryant is brilliant. He has a way of showing you what you've been missing from the whole story whilst never leaving you feeling stupid.' - Emily Maitlis 'Bryant is a genuine rarity, a Brit who understands America' - Washington Post In *When America Stopped Being Great*, veteran reporter and BBC New York correspondent Nick Bryant reveals how America's decline paved the way for Donald Trump's rise, sowing division and leaving the country vulnerable to its greatest challenge of the modern era. Deftly sifting through almost four decades of American history, from post-Cold War optimism, through the scandal-wracked nineties and into the new millennium, Bryant unpacks the mistakes of past administrations, from Ronald Reagan's 'celebrity presidency' to Barack Obama's failure to adequately address income and racial inequality. He explains how the historical clues, unseen by many (including the media) paved the way for an outsider to take power and a country to slide towards disaster. As Bryant writes, 'rather than being an aberration, Trump's presidency marked the culmination of so much of what had been going wrong in the United States for decades - economically, racially, politically, culturally, technologically and constitutionally.' A personal elegy for an America lost, unafraid to criticise actors on both sides of the political divide, *When America Stopped Being Great* takes the long view, combining engaging storytelling with recent history to show how the country moved from the optimism of Reagan's 'Morning in America' to the darkness of Trump's 'American Carnage'. It concludes with some of the most dramatic events in recent memory, in an America torn apart by a bitterly polarised election, racial division, the national catastrophe of the coronavirus and the threat to US democracy evidenced by the storming of Capitol Hill.

Be a Kickass Assistant Heather Beckel, 2002-05-22 An essential office tool for every assistant, this fun and practical guide is guaranteed to help readers get from the cubicle to the corner office. Drawing on her experience as personal and executive assistant to George Stephanopoulos during Bill Clinton's presidential campaign and first term, Heather Beckel offers straightforward advice on how to dazzle them now to get ahead later. With clarity and wit, Beckel guides readers from their first day to becoming a manager, intermingling her real-life experiences from the office of all offices- The White House. Whether it's developing organizational strategies or a painful lesson in discretion, Heather Beckel has been there. Chapters include When Your Boss is a Jerk Give Good Phone Getting Personal with Your Boss Be a Manager and Know Your Universe and much more.

Day Trips® from Orange County, CA Divina Infusino, 2010-06-15 Rediscover the simple pleasures of a day trip with Day Trips from Orange County. This guide is packed with hundreds of exciting things for locals and vacationers to do, see, and discover all within a 2-hour drive. .

[Here's the Deal](#) Kellyanne Conway, 2022-05-24 Among the Trump era's savviest insiders, one name stands especially tall: Kellyanne. As a highly respected pollster for corporate and Republican clients and a frequent television talk show guest, Kellyanne Conway had already established herself as one of the brightest lights on the national political scene when Donald Trump asked her to run his presidential campaign. She agreed, delivering him to the White House, becoming the first woman in American history to manage a winning presidential campaign, and changing the American landscape forever. Who she is, how she did it, and who tried to stop her is a fascinating story of personal triumph and political intrigue that has never been told...until now. In *Here's The Deal*, Kellyanne takes you on a journey all the way to the White House and beyond with her trademark sharp wit, raw honesty, and level eye. It's all here: what it's like to be dissected on national television. How to outsmart the media mob. How to outclass the crazy critics. How to survive and succeed male-dominated industries. What happens when the perils of social media really hit home. And what happens when the divisions across the country start playing out in one's own family. In this open and vulnerable account, Kellyanne turns the camera on herself. What she has to share—about our politics, about the media, about her time in the White House, and about her personal journey—is an

astounding glimpse of visibility and vulnerability, of professional and personal highs and lows, and ultimately, of triumph.

Hollywood Music Industry Directory Hollywood Creative Directory (Firm),2004 The premiere edition is for aspiring musicians and professionals alike, the new directory will have information for finding contacts to submit a demo tape, secure a music contract, license a song, find an agent to book a concert tour and more.

The perfect travel companion: DK Eyewitness Travel Guide: Top 10 New York City.

The Splintering of the American Mind William Egginton,2018-08-28 A timely, provocative, necessary look at how identity politics has come to dominate college campuses and higher education in America at the expense of a more essential commitment to equality. Thirty years after the culture wars, identity politics is now the norm on college campuses-and it hasn't been an unalloyed good for our education system or the country. Though the civil rights movement, feminism, and gay pride led to profoundly positive social changes, William Egginton argues that our culture's increasingly narrow focus on individual rights puts us in a dangerous place. The goal of our education system, and particularly the liberal arts, was originally to strengthen community; but the exclusive focus on individualism has led to a new kind of intolerance, degrades our civic discourse, and fatally distracts progressive politics from its commitment to equality. Egginton argues that our colleges and universities have become exclusive, expensive clubs for the cultural and economic elite instead of a national, publicly funded project for the betterment of the country. Only a return to the goals of community, and the egalitarian values underlying a liberal arts education, can head off the further fracturing of the body politic and the splintering of the American mind. With lively, on-the-ground reporting and trenchant analysis, *The Splintering of the American Mind* is a powerful book that is guaranteed to be controversial within academia and beyond. At this critical juncture, the book challenges higher education and every American to reengage with our history and its contexts, and to imagine our nation in new and more inclusive ways.

Hollywood Ending Ken Auletta,2022-07-12 A vivid biography of Harvey Weinstein—how he rose to become a dominant figure in the film world, how he used that position to feed his monstrous sexual appetites, and how it all came crashing down, from the author who has covered the Hollywood and media power game for *The New Yorker* for three decades Twenty years ago, Ken Auletta wrote an iconic *New Yorker* profile of the Hollywood mogul Harvey Weinstein, who was then at the height of his powers. The profile made waves for exposing how volatile, even violent, Weinstein was to his employees and collaborators. But there was a much darker story that was just out of reach: rumors had long swirled that Weinstein was a sexual predator. Auletta confronted Weinstein, who denied the claims. Since no one was willing to go on the record, Auletta and the magazine concluded they couldn't close the case. Years later, he was able to share his reporting notes and knowledge with Ronan Farrow; he cheered as Farrow, and Jodi Kantor and Megan Twohey, finally revealed the truth. Still, the story continued to nag him. The trail of assaults and cover-ups had been exposed, but the larger questions remained: What was at the root of Weinstein's

monstrousness? How, and why, was it never checked? Why the silence? How does a man run the day-to-day operations of a company with hundreds of employees and revenues in the hundreds of millions of dollars, and at the same time live a shadow life of sexual predation without ever being caught? How much is this a story about Harvey Weinstein, and how much is this a story about Hollywood and power? In pursuit of the answers, Auletta digs into Weinstein's life, searching for the mysteries beneath a film career unparalleled for its extraordinary talent and creative success, which combined with a personal brutality and viciousness to leave a trail of ruined lives in its wake. Hollywood Ending is more than a prosecutor's litany; it is an unflinching examination of Weinstein's life and career, embedding his crimes in the context of the movie business, in his failures and the successes that led to enormous power. Film stars, Miramax employees and board members, old friends and family, and even the person who knew him best—Harvey's brother, Bob—all talked to Auletta at length. Weinstein himself also responded to Auletta's questions from prison. The result is not simply the portrait of a predator but of the power that allowed Weinstein to operate with such impunity for so many years, the spiderweb in which his victims found themselves trapped.
