Sex Games for Couples Tony Bravo, Rachel Bell, 2020-06-16 Are you looking for a book that can spark your sex life and enhance the couple's performance? In this book you will learn tips, tricks and advice for your sex life, how to play naughty safe games and have fun in bed. Tony and me have been happily married for 10 years and we still share a wonderful story together, but during our lives we had experienced some issues related to the sex part go our wedding. As always, at the beginning we had a lot of fun, but over time the spark turned off. It's anybody's fault. We have very busy lives, long working hours and a happy family (and a dog!) to take care of, but it's a shame that husband and wife can't have some time on their own. Willing to find a solution we ended up discovering a new way to have sex, using games, toys and tools and despite at the beginning it looked a bit weird, we tried them and eventually enjoyed a new way to share intimacy. After the first experiences, it became an habit that led us to have sex regularly and happily. Thanks to this experience, we decided to write a book about our journey with the sex games and we truly hope that it will help you too to keep the thrill in your relationship. In this book you will learn: How to understand couple complicity and intimacy How to solve common problems about sex Your sex personally Many sex games for couples, such as Truth or Dare and Would You Rather New sex positions How to use tools during sex, dildos and soft bondage. Don't let your sex life go wrecked, talk with your partner and embrace a solution, hopefully a playful one! Scroll up, click buy it now and get your copy today!
