Eric Ode

My Little Yellow Taxi Stephen T. Johnson, 2006 Kids must fasten their seatbelts as they prepare, by checking the mirrors, checking the oil, and starting the engine, to take their little yellow taxi for a wild ride, in this vibrant, interactive book that introduces the concept of telling time.

Hack Dmitry Samarov, 2011-09-01 Cabdrivers and their yellow taxis are as much a part of the cityscape as the high-rise buildings and the subway. We hail them without thought after a wearying day at the office or an exuberant night on the town. And, undoubtedly, taxi drivers have stories to tell—of farcical local politics, of colorful passengers, of changing neighborhoods and clandestine shortcuts. No one knows a city's streets—and thus its heart—better than its cabdrivers. And from behind the wheel of his taxi, Dmitry Samarov has seen more of Chicago than most Chicagoans will hope to experience in a lifetime. An artist and painter trained at the School of the Art Institute of Chicago, Samarov began driving a cab in 1993 to make ends meet, and he's been working as a taxi driver ever since. In *Hack: Stories from a Chicago Cab*, he recounts tales that will delight, surprise, and sometimes shock the most seasoned urbanite. We follow Samarov through the rhythms of a typical week, as he waits hours at the garage to pick up a shift, ferries comically drunken passengers between bars, delivers prostitutes to their johns, and inadvertently observes drug deals. There are long waits with other cabbies at O'Hare, vivid portraits of street corners

and their regular denizens, amorous Cubs fans celebrating after a game at Wrigley Field, and customers who are pleasantly surprised that Samarov is white—and tell him so. Throughout, Samarov's own drawings—of his fares, of the taxi garage, and of a variety of Chicago street scenes—accompany his stories. In the grand tradition of Nelson Algren, Saul Bellow, Mike Royko, and Studs Terkel, Dmitry Samarov has rendered an entertaining, poignant, and unforgettable vision of Chicago and its people.

Taxi Confidential Amy Braunschweiger, 2009-09 An outrageous encounter in a cab is a rite of passage in New York City. Trap two or more strangers in a careening yellow sedan and add an unexpected variable—say, a well-armed transvestite hooker, the urgent need for a restroom, or a stabbing victim—and the story that emerges is sure to be worth telling. In Taxi Confidential, cabbies ranging from a lead-footed pothead to a philosophizing immigrant sage grapple with what chance tosses their way. Author Amy Braunschweiger uncovers the best taxi stories from the 1970s through present day, and takes the reader on a 100-mile-per-hour ride through Gotham's darkest alleys, roughest neighborhoods, and hidden sweet spots.

Taxi! Graham Russell Gao Hodges, 2020-03-17 Why the cabdriver is the real victim of the false promises of Uber and the gig economy. 2007 Noteworthy Book in Industrial Relations and Labor Economics, Princeton University Industrial Relations Section Hailed in its first edition as a classic study of New York City's history and people, Graham Russell Gao Hodges's Taxi! is a

remarkable evocation of the forgotten history of the taxi driver. This deftly woven narrative captures the spirit of New York City cabdrivers and their hardscrabble struggle to capture a piece of the American dream. From labor unrest and racial strife to ruthless competition and political machinations, Hodges recounts this history through contemporary news accounts, Hollywood films, and the words of the cabbies themselves. A new preface recalls the author's five years of hacking in New York City in the early 1970s, and a new concluding chapter explores the rise of app-based ridesharing services with the arrival of companies like Uber and Lyft. Sharply criticizing the use of the independent contractor model that is the cornerstone of Uber and the gig economy, Hodges argues that the explosion of for-hire vehicles in Manhattan reversed decades of environmental anti-congestion efforts. He calls for a return to the careful regulations that governed taxicabs for decades and provided a modest yet secure living for cabbies. Whether or not you've ever hailed a cab on Broadway, *Taxi!* provides a fascinating perspective on New York's most colorful emissaries.

Appeal to the Court of Appeals ,

Reforming the law of taxi and private hire services Great Britain: Law Commission, 2012-05-10 This consultation paper presents the Law Commission's provisional proposals for reform of the legal framework relating to taxis and private hire vehicles. Taxis and private hire vehicles (PHVs) are an important part of local transport. They operate in highly regulated markets where safety and quality control are paramount. Licensing covers key areas such as the quality of services, the fitness of drivers, fare regulation and restrictions on the number of licenses issued. The current law on taxis and PHVs has been criticised for being complex and outdated. These proposals retain the important distinction between taxis - which can ply for hire on the street or a cab rank - and private hire vehicles which can only be pre-booked. But all vehicles would be subject to national minimum safety standards and, for private hire vehicles, these would replace more than 340 sets of local regulations. This will reduce the burden on business because, once appropriately licensed, a private hire firm could work freely across the country, without geographical restrictions. This would contribute to widening consumer choice and to making services cheaper and more competitive. The Commission also makes suggestions covering a wide range of issues, including improving provision for persons with disabilities, quantity restrictions and enforcement. [Law Commission website]

Dan, the Taxi Man Eric Ode,2012 Here's Dan, Beep! Beep! the Taxi Man, going to the show and picking up the band. Climb inside while you still can with Dan, Beep! Beep! the Taxi Man. And what a band it is! A symphony of sounds and colors, this cumulative tale is as much fun to read aloud as it is to listen to.Singer/songwriter, author and renowned performer Eric Ode has crafted a delightfully engaging cumulative verse brought to life by Kent Culotta's exuberant paintings. The rhyme sings with the sounds belonging to the various instruments of each hip band member as they pile into Dan's taxi, heading to the show.

Taxi! Urban Economies and the Social and Transport Impacts of the Taxicab James Cooper,Ray Mundy,2016-04-01 The taxicab makes a significant contribution to the accessibility of a city, and provides a wide range of services across many different social groups and urban environments. This study considers the roles and functions of the taxi from its origins as the first licensed form of public transport, to the current variations of vehicle

type and operation, to predictions for its future development. Also addressed here is the impact which this ubiquitous form of transport has on contemporary urban life, and the analytical tools being used and developed for its licensing and control.

Taxi Driver Wisdom Risa Mickenberg,2016-07-19 “Insights on love, pleasure, fate, and other topics” collected from conversations with New York City cabbies (AM New York). The worse a town’s economy is, the better looking the guys who work at the local gas station are. I see more of what is going on around me because I am not concerned with finding a parking place. There is no chivalry. For that you have to go upstate. Real taxi drivers know more than how to get you there without a GPS—often, they know how to get you there in life. This twentieth anniversary edition of the wise and hilarious classic, as true now as ever, is a celebration of the witty, philosophical perspective on human nature culled from real quotations from real cab drivers who’ve been around the block.

Ttaxi 10 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Ttaxi 10 has revolutionized the way

we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Ttaxi 10 has opened up a world of possibilities. Downloading Ttaxi 10 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Ttaxi 10 has democratized knowledge. Traditional books and academic

journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Ttaxi 10. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but

also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Ttaxi 10. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Ttaxi 10, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal

information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Ttaxi 10 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
