Tuttle Vietnamese-English Dictionary Nguyen Dinh Hoa, Phan Van Giuong,2018-05-22 This is the most up-to-date and complete Vietnamese to English dictionary available. It is designed primarily for the growing number of students of Vietnamese who need a good and reliable Vietnamese-English dictionary. Although it is targeted mainly at English speakers and other non-native users who need to learn Vietnamese, it can also be used by Vietnamese speakers who are learning or need to know English. Along with 19,000 entries--covering contemporary words and phrases used in educational, business and tourist settings--the attractive and user-friendly layout is organized effectively, making it easy to locate words and

phrases quickly. It also includes many valuable pointers and information about the Vietnamese language. Completely revised and updated with over 19,000 entries. Clear, user-friendly text with idioms, expressions and sample sentences. The ideal dictionary for students and business people. The first edition, published as Essential English-Vietnamese Dictionary, was by Professor Nguyen Hinh Hoa and his daughter Patricia Nguyen Thi Huong. It became a classic in the teaching of Vietnamese. This edition, completely revised and updated, is the work of Professor Phan Van Giuong who was a distinguished professor in Vietnamese Studies at Victoria University, Melbourne. Professor Phan, who has many years' experience teaching Vietnamese and English, is also the author of many Vietnamese teaching/learning materials and editor for several Vietnamese magazines and newspapers. He was awarded the Order of Australia Medal and the International Educator of the Year award for his outstanding contributions to teaching language and culture. Professor Phan is now retired but continues to teach on a part-time basis.

English Vietnamese Dictionary Van Hung

Ta, 2023-11-15 In order to meet the increasing needs of learning, looking up and translating English of all classes of society, we compiled the book English - Vietnamese Dictionary with about 125,000 entries, including transcriptions, descriptions and illustrations. The dictionary covers a number of social fields, names of countries in the world, especially computer,

architectural, and medical terms. In addition, in some necessary words, we have included a semantic glossary to help readers better understand the context of using those words. Although we have tried very hard to compile this dictionary, it probably has unintended shortcomings. The authors would like to receive sincere comments from readers. With this book you will be able to: - Look up terms related to many social fields, names of countries in the world, especially computer, architectural, and medical terms - Better understand the context in which some words are used. - Improve your vocabulary on different fields
