Bruce J. Evensen

God's Man for the Gilded Age Bruce J. Evensen,2003-09-25 At his death on the eve of the 20th century, D.L. Moody was widely recognized as one of the most beloved and important of men in 19th-century America. A Chicago shoe salesman with a fourth grade education, Moody rose from obscurity to become God's man for the Gilded Age. He was the Billy Graham of his day--indeed it could be said that Moody invented the system of evangelism that Graham inherited and perfected. Bruce J. Evensen focuses on the pivotal years during which Moody established his reputation on both sides of the Atlantic through a series of highly popular and publicized campaigns. In four short years Moody forged the bond between revivalism and the mass media that persists to this day. Beginning in Britain in 1873 and extending across America's urban landscape, first in Brooklyn and then in Philadelphia, New York, Chicago, and Boston, Moody used the power of prayer and publicity to stage citywide crusades that became civic spectacles. Modern newspapers, in the grip of economic depression, needed a story to stimulate circulation and found it in Moody's momentous mission. The evangelist and the press used one another in creating a sense of civic excitement that manufactured the largest crowds in municipal history. Critics claimed this machinery of revival was man-made. Moody's view was that he'd rather advertise than preach to empty pews. He brought a businessman's common sense to revival work and became, much against his will, a celebrity evangelist. The press in city after city made him the star of the show and helped transform his religious stage into a communal entertainment of unprecedented proportions. In chronicling Moody's use of the press and their use of him, Evensen sheds new light on a crucial chapter in the history of evangelicalism and demonstrates how popular religion helped form our modern media culture.

The Nature of Animal Healing Martin Goldstein, D.V.M.,2009-07-22 A pioneering revolutionary prescription for the health and long life of your pets For two decades, Dr. Martin Goldstein—America's most successful, renowned holistic veterinarian—has healed and helped his animal patients with the same natural therapies that benefit humans. The results have been so astounding that today critically sick pets are brought to him from across the country for a new chance at life and health. In this compelling, very accessible book, Dr. Goldstein explains exactly what holistic medicine is and how it works. By treating the root of a health problem instead of its symptoms, you too can help your animal to regain and maintain its own health, as nature intended. Dr. Goldstein also shares many remarkable true stories of supposedly terminally ill animals who have recovered to full wellness. Inside you'll discover • Why our animals get sick, even when we strive to give them the best of care • An exhaustive A to Z guide of pet ailments—and the best course of action • Why vaccines can do more harm than good • The link between diet and disease—and how the right diet can not only prevent disease but reverse it • How acupuncture, homeopathy, chiropractic, and other alternative options work--safely and painlessly--to restore true health • Specific guidance for the use of herbs, supplements, and natural remedies • The good news (and the bad) about cancer in animals--including extraordinary new treatments and potential cures • Coping with the inevitable death of your pet--both physically and psychologically • And much, much more Plus—the ultimate resource for holistic pet care: an extensive guide to holistic product manufacturers and stores, books, newsletters, Web sites, veterinarians, and associations!
