Innovative Internet Secrets Doug Knell, 2018-01-11 There are so many secrets packed in here, I have to wonder if the Illuminati will have this author assassinated - Derrick Mennings, Marxist Internet Weekly Digest Written by an engineering expert with comprehensive knowledge of SEO marketing, computers, and the best Belgian beers to drink with them. Preview the book to enter enlightenment. Give Me A Couple Of Hours And I'll Turn You Into An Internet Wizard! There are other internet secrets books and they work as excellent paperweights and have some therapeutic benefits, too: you can use them to put you to sleep. This book is not to be equated with all those boring-as-all-hell books with dubious internet insights and SEO tips. Trust us: what you know about the internet isn't as much as you think you know. Beyond the basics, how clued in are you really about the internet? You probably know more about Bangladesh (which ain't much, right?) than you do about web development, link building, and search engine optimization. The internet may play an integral role in our lives, yet in informal testing, close to 92% of internet users scored no more than basic competence with it. Less than 16% had any legitimate knowledge of SEO marketing. I can hear you from here: Basic competence is good enough for me. Why would I want or need to do more than that? You can use the Google or Bing search engine (but lazily, not with any genuine optimization), get around the Gmail and Hotmail interfaces, buy an airline ticket at Expedia, order a book at Amazon, and post an update at Facebook. Is that mastery when anyone can do that? Complacency never does anyone any favors. If the complacent had won out, we'd still believe the world is flat and airplane flight is impossible. Do you really need to be told that the internet is one of those things you cannot afford to be complacent about? Your livelihood, your identity, your social networks, your ability to distinguish yourself from the competition will all one day be measured by the breadth and depth of your internet skills. Development of the web hasn't stood still. Should your skills? Every single one of these internet secrets will shoot your internet productivity into the stratosphere and leave you head and shoulders above your peers. We're not naive to think you don't know any of these secrets, but we're confident you don't know about most of them. Any of these 100+ internet insights will more than make up for the book's cost * Keep your computer and other devices protected: the best anti-virus & malware tools internet tools you should install to keep your computer, mobile phone, and tablet from being crippled. * Set up sharable internet networks wherever you happen to be, like standing in front of Buckingham Palace. * Start building your favorite link bookmarks across all internet browsers and platforms. * Avoid internet scams. * Download and view internet videos offline. Video streaming sucks bandwidth from your 4G plan. * Keep your identity safe. * Transfer large files. * Set up online music libraries so you can listen to your music anywhere, anytime. * Shop on the internet for the absolute best prices. * View web sites optimally on any device. * Remember your passwords for any site and situation. * And much, much more. Some of these internet secrets you could discover if you knew where to look, but it would take you months to collect the same knowledge you'll find here. Other internet tools we've picked up from years of experience. You won't find those gems anywhere else. Dump your other SEO books and for-idiot's web development guides. You will not find another internet book this practical or enjoyable for any price. The new internet isn't going anywhere, but you should. Let's get going, with us as your guide along this infinitely more diverse Information Superhighway.

Introduction to YouTube Premium Gilad James, PhD, YouTube Premium is a paid subscription service offered by YouTube. The service offers several features, including ad-free viewing, background play, and the ability to download videos for offline viewing. YouTube Premium also includes access to Google Play Music, which allows users to stream ad-free music and create custom playlists. The service also includes access to YouTube Originals, which are exclusive content produced by YouTube, such as documentaries, talk shows, and scripted series. The cost of YouTube Premium varies by country, but it is generally around \$11.99 per month. The service is available in over 80 countries, and users can sign up for a free trial to test out the features before committing to a subscription. There is also a family plan available, which allows up to six family members to share a subscription. Overall, YouTube Premium provides a convenient and enjoyable way for users to access high-quality content without the annoyance of ads and with added benefits such as offline viewing and access to exclusive content.

Emmet Otter's Jug-Band Christmas Russell Hoban,2017-10-24 Celebrate Christmas with the inspiration for the beloved Jim Henson film — in print after over 40 years. In 1977, when Jim Henson debuted the now-classic film Emmet Otter's Jug-Band Christmas, few knew it was based on a story written and illustrated by Russell and Lillian Hoban, creators of Bread and Jam for Frances and other treasured children's books. With an enduring score by the great Paul Williams, the movie remains a holiday tradition in homes across America. Now the book that started it all is back in print, in a beautiful gift edition that will thrill Muppets fans young and old. Inspired by the classic tale The Gift of the Magi, the story begins in a poor country cottage, as Emmet Otter dreams of buying Ma a piano for Christmas, while Ma dreams of buying Emmet a guitar. When a village talent contest is announced, both imagine their dreams coming true. But what they don't imagine finding is their real reward — the power of love, family, and hope in hard times. It is a story that reaches into a reader's heart and reminds us all that fortune favors the brave. A Bank Street College of Education Best Children's Book of the Year [A] welcome reissue of the Hobans' 1971 story . . . Colorful illustrations of the close-knit animal community contain plenty of warmth. —The Horn Book
