Tips point out shortcuts and solutions Cautions help you avoid common pitfalls Notes provide additional information 10 minutes is all you need to learn how to... Create and run a personal blog incredibly easily! Personalize your tumblog with themes and a custom domain name Post text, links, photos, media, and more Add comments to your tumblog Save and share your tweets from Twitter on Tumblr Feed your tumblog content to your Facebook page Post from your cellphone, iPhone, or iPad Find tumblogs you like, and quote or repost their content Extend tumblogs with Goodies and Third-Party Apps

**NSFW** Susanna Paasonen, Kylie Jarrett, Ben Light, 2019-10-22 An exploration of how and why social media content is tagged as “not safe for work” and an argument against conflating sexual content with risk. The hashtag #NSFW (not safe for work) acts as both a warning and an invitation. NSFW tells users, “We dare you to click on this link! And by the way, don't do it until after work!” Unlike the specificity of movie and television advisories (“suggestive dialogue,” “sexual content”), NSFW signals, nonspecifically, sexually explicit content that ranges from nude selfies to pornography. NSFW looks at how and why social media content is tagged “not safe” and shows how this serves to conflate sexual content and risk. The authors argue that the notion of “unsafety” extends beyond the risk of losing one's job or being embarrassed at work to an unspecified sense of risk attached to sexually explicit media content and sexual communication in general. The authors examine NSFW practices of tagging and flagging on a range of social media platforms; online pornography and its dependence on technology; user-generated NSFW content—in particular, the dick pic and associated issues of consent, desire, agency, and social power; the deployment of risqué humor in the workplace; and sexist and misogynist online harassment that functions as an enforcer of inequalities. They argue against the categorical effacement of sexual content by means of an all-purpose hashtag and urge us to shift considerations of safety from pictorial properties to issues of context and consent.

**The Relativity of Wrong** Isaac Asimov, 1995-12-07 A journey from the human mind to the outer universe explores such topics as the gravitational effects of the Moon, the future of interstellar space travel, and the incredible Planet X. Reprint.

*I Just Couldn't Wait to Meet You* Kate Ritchie, 2015-04 Much-loved actor and radio host Kate Ritchie's first book is a beautiful tribute to the joy and anticipation of expecting a child. When you were still a treasured bump, tucked safe away inside, I thought about you night and day and in my sleep – it's true. My heart was full of hope and love. I just couldn't wait to meet you. A heartwarming story to share with the children in your family.

*Play Matters* Miguel Sicart, 2014-08-15 Why play is a productive, expressive way of being human, a form of understanding, and a fundamental part of our well-being. What do we think about when we think about play? A pastime? Games? Childish activities? The opposite of work? Think again: If we are happy and well rested, we may approach even our daily tasks in a playful way, taking the attitude of play without the activity of play. So what, then, is play? In *Play Matters*, Miguel Sicart argues that to play is to be in the world; playing is a form of understanding what surrounds us and a way of engaging with others. Play goes beyond games; it is a mode of being human. We play games, but we also play with toys, on playgrounds, with technologies and design. Sicart proposes a theory of play that doesn't derive from a particular object or activity but is a portable tool for being—not tied to objects but brought by people to the complex interactions that form their daily lives. It is not separated from reality; it is part of it. It is pleasurable, but not necessarily fun. Play can be dangerous, addictive, and destructive. Along the way, Sicart considers playfulness, the capacity to use play outside the context of play; toys, the materialization of play—instruments but also play pals; playgrounds, play spaces that enable all kinds of play; beauty, the aesthetics of play through action; political play—from Maradona's goal against England in the 1986 World Cup to the hactivist activities of Anonymous; the political, aesthetic, and moral activity of game design; and why play and computers get along so well.

**A Really Super Hero** Charlotte Lance, 2013 I want to be a hero and a really super one, so my mum sewed my undies with an S upon the bum. Sometimes superheroes get everything right and effortlessly save the world, and sometimes ... they don't. A wonderfully warm and funny celebration of imagination, play, and the importance of having a good sidekick.

**My Mum Says the Strangest Things** K. Germein, T. Jellett, 2016-04 Synopsis coming soon.....

**From Diversion to Subversion** David Getsy, 2011 Examines the wide-ranging influence of games and play on the development of modern art in the twentieth century--Provided by publisher.

**Sex in the Digital Age** Paul G Nixon, Isabel K. Düsterhöft, 2017-08-16 Shifts in societal development resulting from economic and technological advancements have had an impact upon the development of human sexuality and behaviour, and with the expansion of developments such as the Internet and associated technologies, it is likely that further societal shifts will ensue. This book recognises the importance of new digital spaces for discourses surrounding sexuality, examining issues such as pornography; sex education and health; LGBTQ sexualities; polysexuality or polyamory; abstention; sexual abuse and violence; erotic online literature; sex therapy; teledildonics; sex and gaming; online dating; celebrity porn; young people and sexual media; and sexting and sextainment, all of which are prominently affected by the use of digital media. With case studies drawn from the US, the UK and Europe, *Sex in the Digital Age* engages in discussion about the changing acceptance of sex in the 21st century and part played in that by digital media, and considers the future of sex and sexuality in an increasingly digital age. It will therefore appear to scholars across the social sciences with interests in gender and sexuality, new technologies and media and cultural studies.

**The Study of Games** Elliott Morton Avedon, Brian Sutton-Smith, Paul G. Brewster, 2015-01-27 The authors, Elliott Morton Avedon and Brian Sutton-Smith are recognized authorities on the study of games. Elliott Morton Avedon was born on 28 April 1930 in Florida. He is the author of *Therapeutic Recreation Service: An Applied Behavioural Approach*. Brian Sutton-Smith was born in Wellington, New Zealand in 1924. His academic career is focused on children's games, adult games, children's play, children's drama, films and narratives, as well as children's gender issues and sibling position. Brian Sutton-Smith is the author of some 50 books, the most recent of which is *The Ambiguity of Play*, and some 350 scholarly articles. He has been the President of The Anthropological Association for the Study of Play and of The American Psychological Association, Division g10 (Psychology and the Arts). As a founder of the Children's Folklore Society he has received a Lifetime Achievement Award from the American Folklore Society.

*My Friend Ernest* Emma Allen, 2016-02-01 It's the first day of school and Ernest seems so mean and scary. But is he really? It's the first day of school and Oscar is trying hard to be brave. Oscar's mum feels sure he will make lots of friends, but Oscar isn't so sure, particularly when Ernest seems so mean and scary. But is he really? From talented picture book creators, award-winning Emma Allen and talented new illustrator Hannah Somerville, comes a book about the joy of making friends.

**The Wind from the Sun** Arthur Charles Clarke, 1996 A volume containing all 18 short stories written by Arthur C. Clarke in the 1960s. They depict a future in which technologies are beginning to dictate man's lifestyle – even to demand life for themselves.
