National Register of Psychotherapists 2002 Ukcp United Kingdom Council For Psychotherapy,2022-02-13 How do I get in touch with a properly qualified psychotherapist? Is there a local list of names? The increase in public awareness of psychotherapy has resulted in an explosion of requests for information of this kind. The National Register of Psychotherapists is published to help meet these requests by providing contact addresses for all those practising psychotherapists who have met the training requirements of organisations recognised by and affiliated to the United Kingdom Council for Psychotherapy. The National Register of Psychotherapists: * Lists alphabetically and by county the names, addresses and telephone numbers of over 5,200 psychotherapists with recognised training qualifications * Indicates the therapeutic orientation of each practitioner * Lists names and addresses of over 80 psychotherapy organisations The Register is updated annually and provides a reliable source of reference for voluntary organisations, health authorities, hospitals, general practices, social work departments, public libraries and anyone who needs to get in touch with a trained psychotherapist. The United Kingdom Council for Psychotherapy (UKCP) is a registered charity. All psychotherapists on the National Register of Psychotherapists are required to adhere to the Codes of Ethics and Practice or their own organisations, which have been approved by the UKCP.
