**Successful Turkey Hunting** John Higley, 2014-05-06 Successful Turkey Hunting is based on five years of columns written for the publications of the National Wild Turkey Federation, with a few stories from other publications tossed in the mix. Authors John Higley and J.J. Reich have expanded and updated the articles to fit the format of this book. Included are such subjects as what drives turkey behavior, the importance of calling, how anyone can learn to call, and the part woodsmanship plays. Also included are thoughts on basic equipment and how to deal with a wide range of scenarios encountered while hunting wild turkeys. Featured in many of the columns are such recognized professional turkey hunters as Paul Butski, Ray Eye, Matt Morrett, Alex Rutledge, Eddie Salter, Preston Pittman, Chris Parrish and Mossy Oak's Ronnie "Cuz" Strickland. In articles, seminars, and this book, Higley and Reich have tried to really get into what turkey hunting is all about. It is their hope that these chapters will lead hunters to a better understanding of all phases of turkey hunting, and ultimately result in more successful hunts in spring and fall. Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts. We publish books about shotguns, rifles, handguns, target shooting, gun collecting, self-defense, archery, ammunition, knives, gunsmithing, gun repair, and wilderness survival. We publish books on deer hunting, big game hunting, small game hunting, wing shooting, turkey hunting, deer stands, duck blinds, bowhunting, wing shooting, hunting dogs, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

**The Old Pro Turkey Hunter** Gene Nunnery, 2018-10-15 During his life, Gene Nunnery was recognized as a master turkey hunter and an artisan who crafted unique, almost irresistible turkey calls. In The Old Pro Turkey Hunter, the vaunted sportsman shares over fifty years of personal experience in Mississippi and surrounding states, along with the decades-old wisdom of the huntsmen who taught him. Throughout the book, his stories make clear that turkey hunting is more than just killing the bird--it is about matching wits with a wild and savvy adversary. As Nunnery explains, To me that's what it's all about: finding a wise old gobbler who will test your skill as a turkey hunter. Through his stories, Nunnery reveals that the true reward for successful turkey hunting lies in winning the contest, not necessarily exterminating the foe. Real sportsmen know that every now and then the turkey should and will elude the hunter. As Nunnery looks back on his extensive career, he analyzes vast differences in practice, old and new. The shift, he decides, came during his last twenty years on the hunt, and that difference has only increased in the decades since this book was originally published. Michael O. Giles, Bass Pro staff team member, master turkey hunter, and award-winning outdoors writer and author of Passion of the Wild, writes a new foreword that brings the practice of turkey hunting into the present day. Filled with a tested mixture of common sense and specific examples of how master turkey hunters honor their harvest and heritage, The Old Pro Turkey Hunter is the perfect companion for the novice or the adept.

They're paranoid, uncooperative, and often uncommunicative, but you can score on even the toughest turkeys. Brian Lovett's Hunting Tough Turkeys examines twelve of the toughest turkey-hunting situations encountered by hunters and provides detailed strategies and game plans for dealing with those difficult birds. Wide open

meadows and pastures require keen observation of the turkey's movements; windy days make it tougher for the turkeys to hear your calling; and turkeys on the move force you to act quickly--Lovett explains what to do when you find yourself hunting these kinds of birds. Filled with vivid photos by photographer Tes Randle Jolly and peppered with anecdotes from the author's 20+ years in the turkey woods, *Hunting Tough Turkeys* is a must-read for any hunter trying to crack the tough-turkey puzzle.

*Tenth Legion* Tom Kelly, 2021 Tenth Legion has long been considered the greatest - and most hilarious - book on turkey hunting. Yet until now it was only available in a privately published edition. Many people who hunt turkeys do so with an attention to detail, a regard for strategy, tactics, and operations, and a disregard for personal comfort and convenience that ranks second only to war. As for all cultists, it never occurs to them that they may be anachronisms. Supremely unconscious of the rest of the world, blind and deaf to logic and reason, they walk along their different roads in step to the music of their different drums.
