Moore's classic poem, that is sure to delight both children and their parents alike! This is a beautifully illustrated and unique take on the classic poem that is sure to put a smile on everyones face this Christmas! A word from the author: I absolutely loved Clement C. Moore's poem as a child, but when I grew up and tried to read it to my own children, they did not share my enthusiasm. The book is truly a classic but also a little outdated, but one of my children's biggest gripes was the absence of Rudolph. Poor Clement...he wasn't to know. I felt sad that they couldn't share in my enjoyment of the original, especially as it is is the only story to name all the render (well minus one), so I vowed to try and rewrite this story whilst breathing new life into it. Now tackling what it without a doubt the most famous poem in the English language was not a task that I undertook lightly, but it has been given the seal of approval from my little ones, and I truly belief I have created something original, sweet and funny, whilst maintaining the essence of the original. This year, more than most, we need a little festive cheer. So with that in mind, I hope you enjoy the book, and wish you all a Merry Christmas!
