

Tweak By Nic Sheff

David Sheff

Tweak Nic Sheff, 2012-12-11 THE NEW YORK TIMES BESTSELLER NOW A MAJOR FILM, STARRING STEVE CARELL AND BAFTA AND GOLDEN GLOBE NOMINATED TIMOTHEE CHALAMET 'It was like being in a car with the gas pedal slammed down to the floor and nothing to do but hold on and pretend to have some semblance of control. But control was something I'd lost a long time ago.' Nic Sheff was drunk for the first time at age 11. In the years that followed, he would regularly smoke pot, do cocaine and ecstasy, and develop addictions to crystal meth and heroin. Even so, he felt like he would always be able to quit and put his life together whenever he needed to. It took a violent relapse one summer to convince him otherwise. In a voice that is raw and honest, Nic spares no detail in telling us the compelling true story of his relapse and the road to recovery. He paints an extraordinary picture for us of a person at odds with his past, with his family, with his substances, and with himself. *Tweak* is a raw, harrowing, and ultimately hopeful tale of the road from relapse to recovery and complements his father's parallel memoir, *Beautiful Boy*. Praise for Nic Sheff: - 'Difficult to read and impossible to put down.' Chicago Tribune 'Nic Sheff's wrenching tale is told with electrifying honesty and insight.' Armistead Maupin

We All Fall Down Nic Sheff, 2011-04-05 In his follow-up to his bestselling memoir *Tweak: Growing Up On Methamphetamines*, Nic Sheff reveals a brutally honest account of a young person's struggles with relapse and rehab. In his bestselling memoir *Tweak*, Nic Sheff took readers on an emotionally gripping roller-coaster ride through his days as an addict. In this powerful follow-up about his continued efforts to stay clean, Nic writes candidly about eye-opening stays at rehab centers, devastating

relapses, and hard-won realizations about what it means to be a young person living with addiction. By candidly revealing his own failures and small personal triumphs, Nic inspires readers to maintain hope and to remember that they are not alone in their battles. A group reading guide is included. Nic Sheff's *Tweak*, *We All Fall Down*, and his father's memoir about him (*Beautiful Boy*) are the basis of the film *Beautiful Boy* starring Steve Carell and Timothée Chalamet.

High David Sheff, Nic Sheff, 2019 *Just Say Know!* With drug education for children more important than ever, this nonfiction book draws on the experiences of the NY Times bestselling father/son team of David and Nic Sheff to provide all the information teens and tweens need to know about drugs, alcohol, and addiction. From David Sheff, author of *Beautiful Boy* (2008), and Nic Sheff, author of *Tweak: Growing Up on Methamphetamines* (2008), comes the ultimate resource for learning about the realities of drugs and alcohol for middle grade readers. This book tells it as it is, with testimonials from peers who have been there and families who have lived through the addiction of a loved one, along with the cold, hard facts about what drugs and alcohol do to our bodies. From how to navigate peer pressure to outlets for stress to the potential consequences for experimenting, Nic and David Sheff lay out the facts so that middle grade readers can educate themselves.

Schizo Nic Sheff, 2015-09-08 The fascinating, shocking, and ultimately quite hopeful story of one teen's downward spiral into mental illness by the bestselling author of *Tweak* and son of David Sheff (author of *Beautiful Boy*, the memoir adapted into a movie of the same name starring Steve Carell and Timothée Chalamet). Miles is the ultimate unreliable narrator—a teen recovering from a schizophrenic breakdown who believes he is getting better . . . when in

reality he is growing worse. Driven to the point of obsession to find his missing younger brother, Teddy, and wrapped up in a romance that may or may not be the real thing, Miles is forever chasing shadows. As Miles feels his world closing around him, he struggles to keep it open, but what you think you know about his world is actually a blur of gray, and the sharp focus of reality proves startling. Written by Nic Sheff, son of David Sheff (author of *Beautiful Boy*, the memoir adapted into a movie of the same name starring Steve Carell and Timothée Chalamet), *Schizo* is the fascinating, and ultimately quite hopeful, story of one teen's downward spiral into mental illness as he chases the clues to a missing brother. Perfect for fans of *Thirteen Reasons Why*, *The Perks of Being a Wallflower*, and *It's Kind of a Funny Story*. "This spare book is a well-written, but painful, read, as readers come to understand the hopelessness Miles feels about his life and his future."—VOYA "In his first novel, memoirist Sheff (*Tweak*) provides an insightful perspective on one teen's struggle with mental illness."—Publishers Weekly

Beautiful Boy David Sheff, 2008 Sheff's story tells of his teenage son's addiction to meth, in this real-time chronicle of the shocking descent into substance abuse and the family's gradual emergence into hope.

Tweaked Katherine Holubitsky, 2008-03-01 Sixteen-year-old Gordie Jessup is a good kid but he's living a nightmare. His eighteen-year-old brother Chase's two-year addiction to crystal meth has left their family emotionally and financially drained. And just when Gordie thinks he can no longer stand the manipulating, the lying and the stealing, things get even worse. Chase is arrested for aggravated assault, released on bail and sent home to his family. But his dealers are after him and Chase appeals to Gordie for help. Gordie, disgusted with his brother and fully

aware that it's a gamble, risks everything he has in the hope of bringing his family some peace.

Tweaked Patrick Moore, 2006 Traces the author's twenty-year stint as crystal meth addict, from his lonely childhood in Iowa with his grandmother, an alcoholic artist, to his wild acid trips and experiences navigating through the dark underworld of cooks, users, club kids, dealers, and other unforgettable characters. Original.

Harmony House Nic Sheff, 2016-03-22 Carrie meets American Horror Story meets The Shining in this terrifying YA horror novel from the author of Tweak and Schizo. Something's not right in Beach Haven. Jen Noonan's father thinks a move to Harmony House is the key to salvation, but to everyone who has lived there before, it is a portal to pure horror. After her alcoholic mother's death, Jen's father cracked. He dragged Jen to a dilapidated old manor on the shore of New Jersey to start their new lives—but Jen can tell that the place has an unhappy history. She can feel it the same way she can feel her anger flowing out of her, affecting the world in strange ways she can't explain. But Harmony House is more than just a creepy old estate. It's got a chilling past—and the more Jen discovers its secrets, the more the house awakens. Visions of a strange boy who lived in the house long ago follow Jen wherever she goes, and her father's already-fragile sanity disintegrates before her eyes. As the forces in the house join together to terrorize Jen, she must find a way to escape the past she didn't know was haunting her—and the mysterious and terrible power she didn't realize she had.

High Achiever Tiffany Jenkins, 2019-06-18 NATIONAL BESTSELLER • An up-close portrait of the mind of an addict and a life unraveled by narcotics—a memoir of captivating urgency and surprising humor that puts a human face on the opioid crisis. “Raw, brutal, and shocking. Move over,

Orange Is the New Black.”—Amy Dresner, author of *My Fair Junkie* When word got out that Tiffany Jenkins was withdrawing from opiates on the floor of a jail cell, people in her town were shocked. Not because of the twenty felonies she’d committed, or the nature of her crimes, or even that she’d been captain of the high school cheerleading squad just a few years earlier, but because her boyfriend was a Deputy Sheriff, and his friends—their friends—were the ones who’d arrested her. A raw and twisty page-turning memoir that reads like fiction, *High Achiever* spans Tiffany’s life as an active opioid addict, her 120 days in a Florida jail where every officer despised what she’d done to their brother in blue, and her eventual recovery. With heart-racing urgency and unflinching honesty, Jenkins takes you inside the grips of addiction and the desperate decisions it breeds. She is a born storyteller who lived an incredible story, from blackmail by an ex-boyfriend to a soul-shattering deal with a drug dealer, and her telling brims with suspense and unexpected wit. But the true surprise is her path to recovery. Tiffany breaks through the stigma and silence to offer hope and inspiration to anyone battling the disease—whether it’s a loved one or themselves.

Why Don't They Just Quit? Joe Herzanek, 2015-01-01 This award-winning book covers critical topics: - Why a person does not have to hit rock-bottom - When helping is actually hurting - How to deal with a relapse - Why effective intervention doesn't have to be a surprise attack Achieve the peace of mind that comes from knowing what works, what doesn't and why. *Why Don't They JUST QUIT?* provides the answers you so desperately seek.

America Anonymous Benoit Denizet-Lewis, 2009-01-06 *America Anonymous* is the unforgettable story of eight men and women from around the country -- including a grandmother, a college student, a bodybuilder,

and a housewife -- struggling with addictions. For nearly three years, acclaimed journalist Benoit Denizet-Lewis immersed himself in their lives as they battled drug and alcohol abuse, overeating, and compulsive gambling and sexuality. Alternating with their stories is Denizet-Lewis's candid account of his own recovery from sexual addiction and his compelling examination of our culture of addiction, where we obsessively search for new and innovative ways to escape the reality of the present moment and make ourselves feel better. Addiction is arguably this country's biggest public-health crisis, triggering and exacerbating many of our most pressing social problems (crime, poverty, skyrocketing health-care costs, and childhood abuse and neglect). But while cancer and AIDS survivors have taken to the streets -- and to the halls of Congress -- demanding to be counted, millions of addicts with successful long-term recovery talk only to each other in the confines of anonymous Twelve Step meetings. (A notable exception is the addicted celebrity, who often enters and exits rehab with great fanfare.) Through the riveting stories of Americans in various stages of recovery and relapse, Denizet-Lewis shines a spotlight on our most misunderstood health problem (is addiction a brain disease? A spiritual malady? A moral failing?) and breaks through the shame and denial that still shape our cultural understanding of it -- and hamper our ability to treat it. Are Americans more addicted than people in other countries, or does it just seem that way? Can food or sex be as addictive as alcohol and drugs? And will we ever be able to treat addiction with a pill? These are just a few of the questions Denizet-Lewis explores during his remarkable journey inside the lives of men and women struggling to become, or stay, sober. As the addicts in this book stumble, fall, and try again to make a different and better life, Denizet-Lewis records their

struggles -- and his own -- with honesty and empathy.

Clean David Sheff, 2013 Combines personal stories and experiences with cutting edge research to describe a new way of treating substance addiction as well as accompanying mental illnesses.

Trinkets Kirsten Smith, 2019-06-06 COMING SOON TO NETLFIKX! The Shoplifters Anonymous meetings that sixteen-year-old Moe is forced to attend are usually punctuated by the snores of an old man and the whining of the world's unhappiest housewife. Until the day that Tabitha Foster and Elodie Shaw walk in. Tabitha has just about everything she wants: money, friends, popularity, a hot boyfriend who worships her...and clearly a yen for stealing. So does Elodie, who, despite her goodie-two-shoes attitude pretty much has klepto written across her forehead in indelible marker. But both of them are nothing compared to Moe, a bad girl with an even worse reputation. Tabitha, Elodie, and Moe: a beauty queen, a wallflower, and a burnout-a more unlikely trio high school has rarely seen. And yet, when Tabitha challenges them to a steal-off, so begins a strange alliance linked by the thrill of stealing and the reasons that spawn it. Hollywood screenwriter Kirsten Smith tells this story from multiple perspectives with humor and warmth as three very different girls who are supposed to be learning the steps to recovery end up learning the rules of friendship.

Permanent Midnight Jerry Stahl, 2005-06-01 A searing confessional infused with the darkest humour, *Permanent Midnight* chronicles the opiated abyss of a Hollywood screenwriter and his formidable climb into society. Made into a major motion picture starring Ben Stiller and Owen Wilson, *Permanent Midnight* is revered by critics and an ever-growing cult of devoted readers as one of the most compelling contemporary memoirs. From the author of the hugely popular *I, Fatty*.

Gate of the Sun Elias Khoury, 2012-03-01 *Gate of the Sun* is the first magnum opus of the Palestinian saga. After their country is torn apart in 1948, two men remain alone in a deserted makeshift hospital in the Shatila camp on the outskirts of Beirut. We enter a vast world of displacement, fear, and tenuous hope. Khalil holds vigil at the bedside of his patient and spiritual father, a storied leader of the Palestinian resistance who has slipped into a coma. As Khalil attempts to revive Yunes, he begins a story, which branches into many. Stories of the people expelled from their villages in Galilee, of the massacres that followed, of the extraordinary inner strength of those who survived, and of love. Khalil—like Elias Khoury—is a truth collector, trying to make sense of the fragments and various versions of stories that have been told to him. His voice is intimate and direct, his memories are vivid, his humanity radiates from every page. Khalil lets his mind wander through time, from village to village, from one astonishing soul to another, and takes us with him. *Gate of the Sun* is a Palestinian Odyssey. Beautifully weaving together haunting stories of survival and loss, love and devastation, memory and dream, Khoury humanizes the complex Palestinian struggle as he brings to life the story of an entire people.

Psychopharmacology Jerrold S. Meyer, Linda F. Quenzer, Susan A. Rice, Jennifer R. Yates, 2018 Encompassing recent advances in molecular pharmacology and brain imaging, this text covers historical accounts of drug use, through clinical and preclinical behavioural studies, to the latest research on drug effects in transgenic mouse models.

Michael Tolliver Lives LP Armistead Maupin, 2007-06-26 Michael Tolliver, the sweet-spirited Southerner in Armistead Maupin's classic *Tales of the City* series, is arguably one of the most widely loved characters in contemporary fiction. Now, almost twenty years after ending his ground-breaking

saga of San Francisco life, Maupin revisits his all-too-human hero, letting the fifty-five-year-old gardener tell his story in his own voice. Having survived the plague that took so many of his friends and lovers, Michael has learned to embrace the random pleasures of life, the tender alliances that sustain him in the hardest of times. *Michael Tolliver Lives* follows its protagonist as he finds love with a younger man, attends to his dying fundamentalist mother in Florida, and finally reaffirms his allegiance to a wise octogenarian who was once his landlady. Though this is a stand-alone novel—accessible to fans of *Tales of the City* and new readers alike—a reassuring number of familiar faces appear along the way. As usual, the author's mordant wit and ear for pitch-perfect dialogue serve every aspect of the story—from the bawdy to the bittersweet. *Michael Tolliver Lives* is a novel about the act of growing older joyfully and the everyday miracles that somehow make that possible.

8 Keys to Safe Trauma Recovery: Take-Charge Strategies to Empower Your Healing (8 Keys to Mental Health) Babette Rothschild, 2010-01-04 The author of *The Body Remembers* offers eight main strategies--mindfulness, a focus on survival, recovery without false memories, creating an inner dialogue that soothes, building psychological defenses to cope and more--for combating the life-altering affects of trauma.
