Metamorphosis Franz Kafka, 2021-03-19 Franz Kafka, the author has very nicely narrated the story of Gregor Samsa who wakes up one day to discover that he has metamorphosed into a bug. The book concerns itself with the themes of alienation and existentialism. The author has written many important stories, including "The Judgement", and much of his novels "Amerika",

□The Castle□, □The Hunger Artist□. Many of his stories were published during his lifetime but many were not. Over the course of the 1920s and 30s Kafka□s works were published and translated instantly becoming landmarks of twentieth-century literature. Ironically, the story ends on an optimistic note, as the family puts itself back together. The style of the book epitomizes Kafka□s writing. Kafka very interestingly, used to present an impossible situation, such as a man□s transformation into an insect, and develop the story from there with perfect realism and intense attention to detail. The Metamorphosis is an autobiographical piece of writing, and we find that parts of the story reflect Kafka□s own life.

Twilight: Midnight Sunburn Anna Jones

Buttimore,2016-10-01 Twilight has enthralled millions of readers around the globe, but Stephenie Meyer never completed Midnight Sun, the story told from Edward's perspective. Midnight Sunburn is a light and reverent parody of that long-anticipated book. It gives a glimpse into what Midnight Sun might have been, with added gentle satire and wry humour. Midnight Sunburn shows the unfolding of Edward's fierce love for the mysteriously closed Bella Swan, explains how he overcomes his thirst for her blood, and reveals why he would rather watch her die than transform her into a vampire. It also divulges what Edward uses to paint on his abs, explains why he can't use smartphones, and gives the reader a glimpse of Carlisle and Esme in Wal-Mart. Reviews for a previous version of Midnight Sunburn:I just needed closure. This book provided it delightfully.This is exactly what I've been craving as a fan. It's just spectacular.Surprisingly good book. Really good job.Wow! I would highly recommend to everyone who enjoys the Twilight series to read this.Finally someone kind enough to give us loyal fans our due. This book was well worth my time. Truly enjoyed this treat and will tell others about it.I have waited so long for this book. I didn't even know it existed. I thankfully stumbled across it yesterday and bought it. This book is EVERYTHING I wanted and then some.
