The alien spaceship was unthinkable huge, enormously powerful, apparently irresistible. It came from the void and settled on Earth, striking awe into the hearts of all who saw it. Its burden, however, was not conquest -- but a call for help! First contact was a job for the brilliant team of scientists, Arcot, Wade, and Morey, explorers of the Islands of Space. And what they learned was an offer of an alliance against an invading foe so powerful that no known force could turn them back! Have humans been abducted by aliens?In an effort to counter media misinformation The UFO Invasion offers definitive, behind-the-scenes accounts of each case of extraterrestrial visitations and paranormal claims. Space Invaders William J. Schnoebelen, 2003-11 Unidentified Flying Objects, Space Aliens? Are they only the stuff of Hollywood legends and people's overactive imaginations; or are they an omen of something more serious, more deadly? Are they something foretold for thousands of years? If you want to know the truth about the heavens, you need to consult the Book written by the Creator of the heavens, Almighty God! This of course, is the Holy Bible. William Schnoebelen has been a serious student of the UFO phenomenon for thirty years. For half that time, he was involved in high level occult and satanic groups. Now, he is a Born Again servant of Jesus Christ. From his unique background and perspective, he is able to speak to the UFO mystery both from the standpoint of the Bible, and from the inner councils of the Satanic brotherhood. Is Satan behind UFOs and what is he trying to do? This book offers an explanation for the sudden rise of interest and media attention in UFOs, the mysterious terror of alien abductions, and what this all should mean to us as followers of the Lord Jesus Christ and students of End-times Prophecy. A compelling and informative book!
