We suggest you first work your way through the verbs, adjectives and phrases chapters in part one of the book. This will give you a great base for further studying and already enough vocabulary for basic communication. The Ukrainian dictionaries in part two and three can be used whenever needed to look up words you hear on the street, English words you

want to know the Ukrainian translation for or simply to learn some new words. Together with the basic Ukrainian dictionary parts, this vocabulary book is a great resource to support you throughout the process of learning Ukrainian and comes in particularly handy at times when there is no internet to look up words and phrases.
