Stake's Trusts, Estates, and Other Forms of Succession JEFFREY EVANS. STAKE,2020-07-09 Stake's Trusts and Estates casebook is designed as a teaching tool for a basic course in trusts and estates. This casebook is less willing than some to assume that the goal of following the decedent's intent overrides other societal concerns. The book focuses on key cases and UPC provisions, with many fewer note cases than appear in standard casebooks, rather than providing hornbook-like coverage of the subject. The hope is that this narrower focus will make it easier for to students to understand what to study and perhaps make the book more readable than some casebooks. The casebook includes material from the 2019 amendments to the Uniform Probate Code. Stake's book can be easily covered in a 3-hour course, or can be supplemented with local law for a 4-hour course. The casebook includes a variety of policy questions for class discussion, from questions about the justice and efficiency of various UPC provisions to questions about the roles of courts and legislatures in making policy choices.

Ritchie, Alford & Effland's Estates and Trusts Joel C. Dobris,Stewart E. Sterk,1998 Ritchie, Alford, & Effland's Estates & Trusts by Dobris & Sterk, continues to provide comprehensive treatment of the subject, including new sections on life insurance, Medicaid trusts, planning for incapacity, & estate planning for gay & lesbian testators. Crisply written & streamlined for adaptation to a three- or four-credit course, the book includes lively discussion of the estates of Seward Johnson, Andy Warhol, Doris Duke, & Larry Lee Hillblom, together with a smattering of cartoons & citations to Web sites.
