Anecdotally Yours Somjit Amrit,2023-09-25 It is not a dossier or a diary! "Anecdotally Yours" captures the anecdotes of life—random yet aligned. The observations are made by soaking up sights, sounds, and overtones. Each reflection is crafted into a story with a non-prescriptive lesson told in a light-hearted manner. The observations are linked to day-to-day occurrences that are often ignored or are scantily addressed. The narratives in business, ecology, society/humanity, and technology are shared. These are conceived and crafted into 25 chapters. The narrative energy dwells on well-known and well-accepted principles. Yet it maintains just enough novelty in the retelling. Each chapter is bite-sized, to be consumed in less than five minutes because the author is well aware of the reader's attention span, which is ironically at a premium in the so-called "attention economy."
