

Umbria

Sir Thomas Graham Jackson

Umbria Patricia Clough, 2017-08-15 When Patricia Clough, a former foreign correspondent, bought a house in Umbria, she knew that buying her dream home did not mean that life would become a dream. By the end of this book, in which she describes the journey of making Umbria her home, she is sure that “if one has basic requirements for being happy, then Umbria provides some of the best surroundings for happiness.” Clough pores over Umbria's enchanting countryside, its tumultuous history, its ancient culture and sumptuous food, and laments that for a long time Umbria was mistaken for its fashionable neighbor, Tuscany. This is not a guide to buying a home in Italy, nor a guidebook for your holiday—though it would be useful as both of these things—but a story in which a woman discovers and marvels at the place she begins to call home.

A Valley in Italy Lisa St. Aubin de Teran, 1995-04-28 Of all the romantic obsessions in novelist Lisa St Aubin de Teran's life, the search for a castle occupied her the longest—until she saw the magnificent Villa Orsola deep in the Umbrian hills. Only after eagerly signing the ownership papers did she and her husband, painter Robbie Duff-Scott, discover they were the owners of a vast ruin lacking windowpanes, parts of the roof, and other essentials. *A Valley in Italy* recounts its restoration in the grand style of impossible house and the charms of bohemian family life. It also offers a rare portrait of the life of a. Italian village, where all things are made to be as enjoyable as possible. Lisa St Aubin de Teran's intuitive sense of place, her affection for the people around her, and her appreciation for native Italian grace make this a memorable book that can stand beside the best accounts of Italian life.

Ancient Umbria Guy Bradley,2000-12-21 How should we understand the ways in which the regions of Italy were affected by Roman imperialism?

This book, which is the first full-scale treatment of ancient Umbria in any language, takes a balanced view of the region's history in the first millennium BC, focusing on local actions and motivations as much as the effect of outside influences and Roman policies. Through a careful reading of all the types of evidence it provides an important challenge to traditional treatments emphasising the 'Romanization' of the region, arguing that this is a poor explanation for the complexity of local societies in the late Republican period. Instead it proposes that other trends, particularly the organization of states, help to explain the fascinating plurality of identities that are evident in the imperial period and allow us to appreciate the diversity of local societies that emerged in both mountain and lowland areas of Umbria.

Umbria The Green Hearth of Italy Enrico Massetti,2021-08-15 Perhaps it is the evocative nature of the place or a certain enchanted air (we might almost say mystic) that you breathe to some extent everywhere, but sooner or later whoever visits Umbria ends up thinking: Saint Francis, that great, gentle, tender, and poetic Saint of happiness and humility could only have been born here in Umbria. In this place of ever-green, peaceful, and radiant nature, in these towns, the concept of historical center seems inadequate and reductive, so widespread is the monumental and artistic component in the cities of Umbria. Perugia, for example, the regional capital, to describe it is to lose oneself in the richness, complexity, and magnificence of its architectural and artistic treasures. This guide covers the region of Umbria, in Central Italy, called the green heart of Italy. In detail, it covers Perugia, Assisi, Gubbio, Passignano Sul Trasimeno, Orvieto, Spello, Spoleto, Todi.

The Cities of Umbria (Classic Reprint) Edward Hutton,2017-11-25 Excerpt from The Cities of Umbria It was night when I came to Perugia. The hostelry was comfortable, the host kind and thoughtful, the sunset as ever had been a passion of sudden glory. In that vast country, for so it seems, far from any real city, it is those primitive and absolute movements in the sky - the sunset. The real story is about the lure of Italy-the food and wine, the seasons and storms, the history, culture, and art, the festivals and traditions, the land and its field stones and above all, the people.
