Revelation Part 1 Arthur Jicha, Jr.,2022-08-07 I discovered so many things at this time. I always thought Father had neutered his angels before throwing them into the Prison Hades. He told me he did not; they are at full power. I was shocked! Akibeel came into the connection. He would not talk to me, then the Knowing kicked in. His expertise was being able to separate the human spiritual body from the human physical body. They all acted like I was in big trouble because Akibeel was here. I welcomed the fact that he was here so I could beat him to a pulp with one of the first tools Father had given me. He ran away with his tail between his legs. The talking heads made their debut. They are 250 ft giants that can only get their heads through to our reality, because the power modules under them lack the power needed for their bodies to get through the gateway. I ventured inside my memories and I found a gateway, which seems to be an entry-point for the Negative Zone. It is more than fascinating. Father agreed to answer questions about the PIT. It is a great interview with Father. Also I discovered that the Shroud effect around my house is actually Hades. It was a piece of their environment brought there by the fallen angels. I couldn't believe it. I didn't worry because Father was there. It was a matter of either sending me to Hades with them or bringing Hades to me to write about it. After thinking we had sent all of the angels to the Abyss, many more started to show up. We are talking in the Millions. Yippee! In this book we also continue our analysis of their tones and pulsations. With this book, we have many captioned pictures. Father programmed my security cameras with the ability to record the spiritual reality and our physical reality either separate or at the same time. It took him 4 hours to program them. They are now genius cameras that know when to record the realities at the same time or separately.

A Voice in the Night Andrea Camilleri,2016-10-06 A Voice in the Night is the twentieth compelling crime novel in the phenomenally successful Inspector Montalbano series by Andrea Camilleri. Feeling his age, as his birthday rolls round once again, Inspector Montalbano decides to cheer himself up by dealing with a young driver's road rage in his own unique way. But his joy is short-lived, as at police headquarters he receives an angry phone call from a supermarket boss: there's been a robbery at his store and Montalbano's colleague is treating him as a suspect. On arrival at the scene, Montalbano quickly agrees with Inspector Augello that this was no ordinary break-in, but with the supermarket's infamous links to the Sicilian Mafia creating problems at every turn, this isn't going to be an easy case for the inspector to solve. And to add to the inspector's burden, the young driver he made an enemy of earlier on has returned to police headquarters to report a shocking crime . . . A Voice in the Night is followed by the twenty-first gripping mystery, A Nest of Vipers.

**The Overnight Kidnapper** Andrea Camilleri,2019-02-05 “[Camilleri’s mysteries] offer quirky characters, crisp dialogue, bright storytelling—and Salvo Montalbano... a delightful creation, an honest man on Sicily's mean streets.” —USA Today The day gets off to a bad start for Montalbano: while trying to break up a fight on Marinella beach, he hits the wrong man and is stopped by the Carabinieri. When he finally gets to the office, the inspector learns about a strange abduction: a woman was abducted, drugged, and then released unharmed only hours later. Within a few days, the same thing happens again. Both women are thirty years old and work in a bank. Montalbano also has to deal with an arson case. A shop has burned down, and its owner, Marcello Di Carlo, seems to have vanished into thin air. At first this seems like a trivial case, but a third abduction—yet again of a girl who works in a bank—and the discovery of a body bring up new questions.

Meanwhile, the alluring Liliana Lombardo is trying to seduce the Inspector over red wine and arancini. Between pesky reporters, amorous trysts, and cocaine kingpins, Montalbano feels as if he’s being manipulated on all fronts.
