Confessions of an Undercover Agent Charlie

Spillers,2016-03-24 This true story of an ex-Marine who fought crime as an undercover cop, a narcotics agent, and finally a federal prosecutor spans a decade of crime fighting and narrow escapes. Charlie Spillers dealt with a remarkable variety of career criminals, including heroin traffickers, safecrackers, burglars, auto thieves, and members of Mafia and Mexican drug smuggling operations. In this riveting tale, the author recounts fascinating experiences and the creative methods he used to succeed and survive in a difficult and sometimes extremely dangerous underworld life. As a young officer with the Baton Rouge Police Department, ex-Marine Charlie Spillers first went undercover to infiltrate criminal groups to gather intelligence. Working alone and often unarmed, he constantly attempted to walk the thin line between triumph and disaster. When on the hunt, his closest associates were safecrackers, prostitutes, and burglars. His abilities propelled him into years of undercover work inside drug trafficking rings. But the longer he worked, the

greater the risks. His final and perhaps most significant action in Baton Rouge was leading a battle against corruption in the police department itself. After Baton Rouge, he joined the Mississippi Bureau of Narcotics and for the next five years continued working undercover, from the Gulf Coast to Memphis; and from New Orleans to Houston, Texas. He capped off a unique career by becoming a federal prosecutor and the justice attaché for Iraq. In this book, he shares his most intriguing exploits and exciting undercover stings, putting readers in the middle of the action.

Excerpts from the Transcript of Trial Proceedings in the Case of the United States of America V. John W. Jenrette, Jr., in the United States District Court for the District of Columbia, Crim No. 80-289 John W. Jenrette, 1980

The Last Undercover Bob Hamer, 2008-09-02 Bob Hamer is a 26-year veteran of the FBI. In undercover operations Hamer posed as everything from a drug dealer to an aging pedophile. His last undercover assignment-and his hardest-was infiltrating NAMBLA, the North American Man/Boy Love Association. Now, looking back on a career rich in the kind of action that makes for great cinema, Bob tells us of the challenges he endured and overcame as he stared the dark side of humanity in the face-and never blinked. It is

rare for an agent to serve undercover long-term, but he made a career out of a job that can completely consume and destroy a man. Remarkably, through all of this Bob found a way to remain true to his faith, and always put his family before his work.

The Mammoth Book of Undercover Cops Paul

Copperwaite,2011-11-03 Edgy revelations and revealing first-hand accounts, including the inspirations for popular TV dramas as diverse as The Wire, The Sopranos and Life on Mars. Terrorists, criminal gangs, drug-dealing lawyers, solitary psychos and suspected serial killers all feature as the intended targets in these cops' tales. Using fake identities and complex back-stories, dependent on teamwork to keep one step away from exposure, torture and death, the subjects of this book describe in vivid detail what it is like to cultivate contacts and gather evidence in major prosecutions: in the UK, Northern Ireland, the USA and around the world.

Friend of the Family D. Lea Jacobs,2002 Jacobs writes historical fiction under a different name, but here tries his hand at nonfiction to tell the story of Ed Robb, one of the first and most successful FBI undercover agents to work against the Mafia organized crime network. Annotation copyrighted by Book News,

Inc., Portland, OR.

Mr. Undercover: The True Story of Undercover Operative Ronald Fino

Ronald Fino, 2020-07-04 Ronald Fino, one of the FBI's foremost undercover operatives, does not scare easily. That is why he's not afraid to name names in this undercover exposé. For years, Fino wanted to write about his experiences, but each time the FBI managed to stop him. Even requests from major authors like Tom Clancy were placed on hold. Today, Ronald Fino is retired from his service to the FBI and is ready to tell his story. Because of his unique position as the son of a Mafia boss, Fino got to know the ins and outs of organized crime from the ground up. He learned how they control members of Congress and local officials as well as their ties to presidents, politicians, and law enforcement officials. But working to bring mob members to justice and exposing political corruption wasn't enough for Fino. He also managed to infiltrate the Russian Mafia, made underground contact with Muslim terrorists, and exposed illegal arms smugglers, child porn organizers, narcotics dealers, and international money launderers. It's all here. It's all true. And as Ronald Fino says, It's not going away anytime soon.

UNDERCOVER MAN Merline Lovelace, Hibiki

Sakuraya, 2016-11-02 Paige works her desk job and is engaged to her boyfriend, David. He's kind to her, but something seems to be missing. While the two of them are in Cannes for their wedding, Paige gets into trouble. Then, the truth is revealed to her. It turns out David is an operative for OMEGA, a secret agency. Paige finally has the chance to know the real David, so she offers her help with the investigation. And now she's working undercover as a prostitute, carrying a small gun disguised as mascara, and her code name is Jezebel!

July 31, August 3, 4, 5, 7, 9, 10, 11, 12, 13, 16, 17, 18, 20, 24, 25, 26, 27, 30; September 8 and 9, 1948 United States. Congress. House. Committee on Un-American Activities, 1948 Aug. 7, 17, 18, and 30 hearings were held in NYC. Focuses on alleged communist activities of former State Department employee Alger Hiss, pt. 1.

United States of America V. Leu ,1974

Code Name: Pale Horse Scott Payne,2025-03-25 For readers of The MAGA Diaries and Hate in the Homeland, an eye-opening and crucial true story of one man risking his life to infiltrate the most dangerous neo-Nazi group in the United States. When Scott Payne was growing up, he never envisioned a future that included what happened on Halloween night 2019. Out in the woods of Georgia, he tried desperately to save a goat from being sacrificed in a ritual by a group of neo-Nazis without revealing that he was actually an undercover agent. Now, this retired FBI agent reveals how and why he infiltrated the rapidly growing American Nazi group, The Base. Known as the “Hillbilly Donnie Brasco,” Payne was guided through some of the most terrifying and risky assignments in the FBI’s history by his devotion to his family and his Christian faith. Timely and unputdownable, **Code Name: Pale Horse** is an unflinching look at one of biggest threats in national security, as well as an inspiring memoir from an American hero.

Drug Enforcement Handbook ,1987

United States of America V. De Gudino ,1983

Blood, Sweat and Fears Robert D. Garcia, 2016-08-26 This is the story of the author's climb from a US Marine to overseas police contractor with the United Nations and finally as an undercover narcotics agent in the desert cities of southeast New Mexico and West Texas.

Dirty Money Robert Perry, 2006-05-25 Dirty Money describes the origin of financial investigations of narcotics traffickers through four landmark prosecutions in Los Angeles. The House that Heroin Built tells of how a major heroin dealer's purchases of luxury items, including a San Marino mansion and several expensive cars, were used to prove he was the leader of a national organization and obtain a life without parole sentence. The Hunt for the Architect details how a small bank's reports of currency deposits helped identify and bring to justice an organization which derived more than \$32,000,000 from heroin and cocaine. A Very, Very Honest Lawyer concerns the detection and investigation of a sophisticated money laundering service for narcotics traffickers run by a Beverly Hills attorney. The Grandma Mafia relates how a courageous banker helped uncover a multi-million dollar money laundering and cocaine trafficking operation run by middle-aged grandmothers. The recounting of these significant cases is told by former

Assistant U.S. Attorney Robert Perry, who supervised the investigations and represented the government at trial. Today, financial investigations are a major weapon in the federal government's continuing fight against narcotics. This important investigative technique originated in the cases described in this book.
