Kyle Tennant

Unfriended Rachel Vail, 2015-09-01 In middle school, nothing is more important than friendship. When Truly is invited to sit at the Popular Table with the group she has dreamed of joining, she can hardly believe her luck. Everyone seems so nice, so kind to one another. But all is not as it seems with her new friends, and soon she's caught in a maelstrom of lies, misunderstandings, accusations and counter-accusations, all happening very publicly in the relentless, hyperconnected social media world from which there is no escape. Six eighth-graders, four girls and two boys, struggle to understand and process their fractured glimpses into one another's lives as they find new ways to disconnect, but also to connect, in Rachel Vail's richest and most searching book.

Unfriended Joe Battaglia, 2018-10-02 We live in a hyperconnected world, and yet we're more disconnected than ever. We spend more time scrolling through Instagram than we do talking with our families. We've never had more "friends", but we have no one to meet for coffee. Joe Battaglia understands that we are wired to have community, and that smartphones cannot meet our needs for love, acceptance, touch, and connection. In *Unfriended*, Battaglia uses research, personal insight, and biblical truths to help you: leave behind the anonymity of the Internet and get face-to-face with people. go beyond the "like" button and establish meaningful relationships. get out from behind your screen and enjoy God's creation. avoid toxic social media debates and become a vehicle of change. *Unfriended* will help you shake off your digital fatigue and get back to real-life, real-world relationships with real people. Additional guest chapters by Iris C. O'Brien, Michael Guillen, Donna Rice Hughes, and Delilah.

Top 8 (The Top 8 Trilogy, Book 1) Katie Finn, 2010-10-01 Social networking sites are THE place to be for today's teens -- this fun, juicy novel explores the ups, downs, and scandals of a group of friends online! Madison MacDonald is seriously freaking out! Madison MacDonald 16 Putnam, CT Status: Single? About Me: Everything in my life was working out. I had my three best friends, a

brand-new boyfriend, and the lead in the school play. Aside from that history paper I hadn't started, things felt perfect. Then I returned from spring break to find my Friendverse profile hacked. Someone clearly out to ruin me had spilled the most damaging secrets - AND posted the worst photos of me ever taken - online.

Unfriending My Ex Kim Stolz, 2015-01-06 The author presents a humorous look at her obsession with the Internet and her cellular phone, arguing that her dependence is a sign of how social media has made it difficult for her and her peers to have meaningful connections to others.

Unfriended Retold Deana Farrady, 2023-12-11 New, REWRITTEN edition of the bestselling romcom, *Unfriended: A Geek and Stud Romance* Asher I always thought Charis Sloane would remain my best friend into infinity. For years we've debated philosophy together, laughed, played games, played ball. I hardly even notice the fact that she's female and I'm male. I mean, I do. But I try not to. I'm perfectly happy with my stormy, glitzy girlfriend across campus. Or at least, I tell myself I should be. Until I get the news. Sloane has gotten herself engaged. To be married. To some mysterious fiancé she refuses to name. And in the blink of an eye, everything changes. No longer can I see Sloane as just a friend. The platonic shutter has come up for good. Now I'm racing against time to convince my best friend that going through with this crazy wedding would be a colossal mistake. For the first time ever, I'm afraid my cocky charm, my iron abs and my famous magic hands won't land me what and who I want. The one I have this

sneaking feeling I should have been with all along.... Sloane Asher - the cockiest guy on the college campus, the one who put the stud in student - is suddenly single. I've known Ash since way back before he got all those muscles. I know what he hides behind that brash exterior. He isn't only drop-dead gorgeous, he's loyal, funny, and smart. How can I help but harbor a secret crush? Alas, it was never happening. To his mind, I'm a buddy, one of the dudes. Someone to shoot hoops with, debate with, never lock lips with. That being the case, I saw no reason not to accept a proposal of marriage that came my way. I assumed my best friend would be pleased. Yet he's not taking it well at all. Too, he seems to have developed an inexplicable interest in tracking my every move. His eyes have gone heated and smoky. I can only think his recent breakup has traumatized him to the point of brain damage. Somehow I have to resist the temptation to believe the signs. To believe his promises. Resist his charm, his determination... And those damn magic hands. A high-heat standalone friends-to-lovers romcom. No cheating or cliffhanger. Dear Reader, Times change, and so do authors. In a major way! The voices of my readers inspired me to rework my original story, Unfriended: A Geek and Stud Romance. Here's a rundown of what's changed.

ASHER: He's still cocky, but with softer edges.

SMOOTHING: The book has gone through a big edit and sweeping revision.

BONUS OUTTAKES: For kicks, I've tossed in a selection of deleted scenes and previously-unpublished snippets and outtakes.

FLASHBACKS: Some of the chapter-opening flashbacks

got moved to bonus outtakes. Others kept their role in the evolving story. WORD COUNT: The length itself didn't change much. It went from about 91,000 to 92,000 words plus 2,500 of bonus content. I hope this version gives you all the giggles, swoons, and feels of the original, and more! Love, Deana

Unfriended Deana Farrady, 2017-10-07 Funny.

Scorching. Smart. Romantic. Charis Asher Norrell is my dream man - hot, brilliant, and charming, every big, strapping inch of him. Too bad he thinks of me as a platonic buddy. I mean, I get it. I'm no femme fatale. Nope, I'm the tomboy who shoots hoops with the guys, not the love bunny who sits on their laps. But, oh, well. I guess it's all for the best. Because I just got engaged. Even if the marriage won't be quite...the usual kind. I just wonder if Asher will be pissed when he finds out who my fiance is. Asher On the surface things are perfect. I'm sailing through college, I'm already successful in my field, I've got a beautiful girlfriend, and life is sweet. To top it off, I have the best f*cking friend in the world in Charis Sloane, doctoral student, gamer, and honorary family member from way back. Sure, she's a geek, but so am I under all these muscles. She and I connect via brainwaves. I don't need my bestie to be a girly-girl; I already have one of those to warm my bed. The important thing is, I have Charis's back and she has mine. Good thing, too, because below the surface? My life isn't nearly as awesome as it looks. Then Charis tells me she's getting married to...to...Pissed? PISSED? Right, try livid. Now I have to stop her, or we'll

miss our last chance to make right what should have happened long ago.Us.A standalone college friends-to-lovers romance. No cheating. No cliffhanger. Yes HEA. Yes steamy. Yes dirty language. This story is for those who want to see a cocky alpha fall hard for his geeky best friend...to watch him go from immune to desperate. It is a romantic comedy, over-the-top, and larger than life.

Unfriend Yourself Kyle Tennant,2012-01-01 Three days. No Facebook. No Twitter. No social media. Just time to detox, discern, and decide. Take a three-day social media fast with *Unfriend Yourself* and learn to examine your use of social media from a Christian perspective. This book will guide you in evaluating your fast by asking challenging questions such as: What happens when I broadcast myself on the Internet? Do I see a difference between my interactions on social media and my interactions face-to-face? Do I rule my media, or do my media rule me? While reading *Unfriend Yourself*, you will learn to think critically, biblically, and practically about social media. Whether you choose to leave the social media scene, engage in it less, or engage in it more after your social media fast, your perspective on social media will never be the same. "Without throwing the baby out with the bathwater, Kyle challenges the Christian to a God-honoring approach to social media involvement. Well researched and thought through, *Unfriend Yourself* avoids the emotional arguments and instead presents a provocative 'must read' for any students, young adults, and generations beyond who

want to be responsible in approaching social media from a biblical worldview.” – Dr. Bob MacRae, Professor of Youth Ministry at Moody Bible Institute

The Unfriended Jane McLoughlin, 2015-09-30 The Unfriended is an epic coming of age novel about a generation of women, played out in Ireland, where what happens during and after the Troubles becomes a metaphor for the women's struggle to make peace with one another. Set in the Swinging Sixties, theirs was the first generation free to claim womanhood as anything they wanted it to be. The novel follows the four women through the highs and lows of interwoven later lives until they discover that only by redefining the terms of female friendship can they take their place in the history they all helped to create.

The Unfriend Steven Moffat, 2022-05-26 Peter and Debbie are enjoying a cruise - a celebration of twenty years of marriage, and a break from their annoying teenagers. They befriend fellow passenger, Elsa Jean Krakowski, an eccentric American with a fondness for Donald Trump. There's something slightly unsettling in her overeager friendliness... but there's no point rocking the boat if you're about to get off it. Back home, in the comfort of suburbia, Elsa suddenly turns up on Peter and Debbie's doorstep, unexpectedly. And when they look up their house guest online, unearthing some hair-raising evidence, their good nature is challenged as never before. What kind of danger have they allowed to take up residence in their guest room? And can they bring themselves to say anything about it? Sometimes, the truth is

just too impolite. Steven Moffat's play *The Unfriend* takes a hilarious and satirical look at middle-class England's disastrous instinct always to appear nice. It was first performed at the Minerva Theatre, Chichester, in May 2022, directed by Mark Gatiss, with a cast including Amanda Abbington, Frances Barber and Reece Shearsmith.

Dumped Nina Gaby, 2015-03-03 Candid, relatable stories by established and emerging women writers about being discarded by someone from whom they expected more: a close female friend. There are 161 million women in America today, and our friendships are still as primary and universal as back when Ruth and Naomi, Elizabeth and Susan B., and Thelma and Louise made history. When a romantic relationship breaks up, no problem—there's an Adele song for that. Health concerns; problems in school; issues at the workplace? We've got our chums to prop us up. Until we don't. When our most sustaining relationships dissolve—those with the women friends in our lives—there's never been the fanfare that accompanies the loss of other relationships society deems "more important." Until now. In *Dumped: Stories of Women Unfriending Women*, twenty-five established and emerging writers—including Jacquelyn Mitchard, Ann Hood, Carrie Kabak, Jessica Handler, Elizabeth Searle,

Alexis Paige, and editor Nina Gaby—explore the fragile, sometimes humorous, and often unfathomable nature of lost friendship. These, like your own, are stories that stay with you—maybe for a lifetime.

Intercultural Communication, Identity, and Social Movements in the Digital Age Margaret U. D'Silva, Ahmet Atay, 2019-12-06 This book examines the complex and multidimensional relationship between culture and social media, and its specific impact on issues of identity and social movements, in a globalized world. Contemporary cyber culture involves communication among people who are culturally, nationally, and linguistically similar or radically different. Social media becomes a space for mediated cultural information transfer which can either facilitate a vibrant public sphere or create cultural and social cleavages. Contributors of the book come from diverse cultural backgrounds to provide a comprehensive analysis of how these social media exchanges allow members of traditionally oppressed groups find their voices, cultivate communities, and construct their cultural identities in multiple ways. This book will be of great relevance to scholars and students working in the field of media and new media studies, intercultural communication, especially critical intercultural communication, and academics studying social identity and social movements.

Facets of Facebook Kathrin Knautz, Katsiaryna S. Baran, 2016-09-12 This collected volume gathers a broad spectrum of social science and information science articles about Facebook. It looks into

Affective Intensities and Evolving Horror Forms

Daniel Adam Daniel, 2020-02-03 Horror cinema is a genre that is undergoing constant evolution, from the sub-genre of 'found footage,' to post-cinematic new media forms such as Youtube horror, horror video games and cinematic virtual reality horror. By investigating how these new forms alter the dynamics of spectatorship, this book charts how cinema's affective capacities have shifted in relation to these modifications in the forms of cinematic horror. It applies a rich theoretical synthesis of phenomenological and Deleuzian approaches to a number of case studies, including films like *The Blair Witch Project*, *Paranormal Activity* and *Creep* as well as video games such as *Alien: Isolation* and new media forms such as Youtube horror and virtual reality horror.
