Before Big Blue Gregory Kent Stanley, 2021-12-14 In the heart of the Bluegrass, basketball is king of collegiate athletics. But it wasn't always so. *Before Big Blue* chronicles the early history of organized sports at the University of Kentucky, from the tenuous beginnings under student leadership, through the early scandals, financial instability, and clashes with administration, to the Purge of 1938 that paved the way for basketball's ascendancy. Once upon a time in Lexington, football ruled the athletic department. In the 1890s and 1900s the most intense competition was with crosstown rival Transylvania University. The annual Thanksgiving Day game was the biggest event of the season, and its gate receipts essentially funded the entire department. Among other highlights, Gregory Kent Stanley reveals the story behind the Wildcats' nickname, reports on the greased pants game against Mississippi State in 1914, and divulges the origins of the post-victory nightshirt parades through downtown. When basketball finally arrived on campus, it was the women's team that was organized first. Its transfer out of the women's physical education department in 1903 led to a twenty-year turf war that was one of the period's most intense. Whether played by men or by women, however, basketball during the early years of the century was of minor consequence. The men's team played in a gym without facilities for spectators, most players were from the football team, and all the early coaches—including Adolph Rupp—assisted with the football program. Nevertheless, the early years showed signs of the success to come: the 9-0 team of 1912, which never trailed an opponent; the 1921 squad, losers of only one game and winners of the school's first tournament; and Rupp's winning percentage of .820 during the 1930s that saved his job during President McVey's massive reorganization of the athletic department. *Before Big Blue* tells a story both unique and universal. As the first comprehensive history of the rise of intercollegiate athletics at UK, it makes a valuable contribution to the growing literature of sports history.

The University of Kentucky Basketball Encyclopedia Tom Wallace, Fred Thomas Wallace Wallace, 2012-03-27 A guide to the University of Kentucky men's basketball program traces its history, profiles coaches and notable players, describes major games, and offers statistics and other details.

Voice of the Wildcats Alan Sullivan, Joe Cox, 2014-08-29 As one of the first voices of the University of Kentucky men's basketball program, Claude Sullivan (1924--1967) became a nationally known sportscasting pioneer. His career followed Kentucky's rise to prominence as he announced the first four NCAA championship titles under Coach Adolph Rupp and covered scrimmages during the canceled 1952--1953 season following the NCAA sanctions scandal. Sullivan also revolutionized the coverage of the UK football program with the introduction of a coach's show with Bear Bryant -- a national first that gained significant attention and later became a staple at other institutions. Sullivan's reputation in Kentucky eventually propelled him to Cincinnati, where he became the voice of the Reds, and even to the 1960 Summer Olympic Games in Rome. In *Voice of the Wildcats: Claude Sullivan and the Rise of Modern Sportscasting*, Claude's son Alan, along with Joe Cox, offers an engaging and heartfelt look at the sportscaster's life and the context in which he built his career. The 1940s witnessed a tremendous growth in sportscasting across the country, and Sullivan, a seventeen year old from Winchester, Kentucky, entered the field when it was still a novel occupation that was paving new roads for broadcast reporting. During the height of his career, Sullivan was named Kentucky's Outstanding Broadcaster by the National Association of Sportscasters and Sportswriters for eight consecutive years. His success was tragically cut short when he passed away from throat cancer at forty-two. Featuring dozens of interviews and correspondence with sports legends, including Wallace "Wah Wah" Jones, Babe Parilli, Cliff Hagan, Ralph Hacker, Jim Host, Billy Reed, Adolph Rupp, and Cawood Ledford, this engaging biography showcases the life and work of a beloved broadcast talent and

documents the rise of sports radio during the twentieth century.

Kentucky Basketball Encyclopedia Tom Wallace,2000-11 The Kentucky Basketball Encyclopedia is the most comprehensive book ever assembled on the history of University of Kentucky basketball. Written in a unique, easy-to-read style that brings to life the exploits of Wildcat teams and players, the book includes details about The Fabulous Five, The Fiddlin' Five, Rupp's Runts, The Unforgettables, Jamal Mashburn, Rex Chapman, Melvin Turpin, Kenny Walker, and more. Coaching greats Adolph Rupp, Joe B. Hall, Eddie Sutton, Rick Pitino, and Tubby Smith are also featured. This is a must read for all Kentucky basketball fans.

Albert D. Kirwan Frank F. Mathias,2014-07-07 The name Albert Kirwan is inextricably bound with the University of Kentucky -- in sports, scholarship, and administration. His skills and interests were so many and varied that his accomplishments in one area could not long satisfy his restless nature; he captained and later coached the U.K. Wildcats, took degrees in law and history, wrote or edited six books, taught a full load of classes, became dean of students, graduate dean, and finally, was unanimously installed as seventh president of the University. Under his guidance, the UK graduate program was improved and strengthened; he presented the University's case before the National Collegiate Athletic Association council concerning the 1948--49 basketball gambling scandals; he helped to see the University through its first tense period of integration; and he was able to handle student activism in the 1960s with both courage and understanding. Beyond this, he was a gentle, devoted family man. His wife, Betty, his sons, and his sister have shared their memories of Albert Kirwan, providing much of the material included in the biographical section of this book; and Kirwan himself left a tape, *Some Memories of My Life*, recorded in 1971, which Frank Mathias has blended with information culled from letters, files, and interviews. During his lifetime, Albert Kirwan was often invited to speak before historical associations, at commencement exercises, athletic assemblies, on television, and on radio. Records of these speeches document his far-ranging thoughts on history, education, athletics, politics, the South, the Civil War, and civil rights, revealing him as a responsible and responsive liberal Kentucky gentleman. He was a man of many moods, and had a wry, tongue-in-cheek humor that enlivened his lectures and talks. The second section of the book is a selection of his speeches, letters, and excerpts from his articles and books, including a chapter from John J. Crittenden: *The Struggle for the Union*, which won the Sydnor award. Reproduced here are Kirwan's analysis of the Kentucky court struggle of the 1820s and his statement before the Southeastern Conference on the penalty assessed against Kentucky's basketball team; and, here too are the more casual banquet speeches, the bantering affection of a warm, sensitive man among friends. Here is a man who has given his whole life to [the University of Kentucky], Happy Chandler said of him, ... surely he must love it as perhaps no other person could.

Pitino Rick Pitino,2018-09-04 On September 26, 2017, the biggest recruiting scandal in college basketball history sent shock waves through the world of sports. Caught up in a massive FBI and NCAA investigation—and the intense media spotlight—was Rick Pitino, the Louisville Cardinals' Hall of Fame coach. Here, from Pitino himself, comes the real story of the ongoing case and the hard truth about how college hoops has been pushed to the brink of disaster by greed, bad actors, and shoe company money. Rick Pitino has spent a lifetime in basketball. He is the recruiting and coaching maestro behind Final Four appearances with three different teams, and National Championships at two of them. He worked the early days of the legendary Five-Star camp and scouted players without the influence of agents, runners, or shoe companies. And he has run today's recruiting gauntlet of sports apparel marketing, corrupted assistant coaches, unethical youth coaches, and powerful organizations hellbent against him. Rick Pitino has seen it all, dealt with it all, and now tells it all. Pitino is the story of an epic coaching career and the evolution of NCAA basketball to the multi-billion-dollar enterprise it is today. It is also a master's course on the arts of coaching and recruiting. And in the telling, the one and only Rick Pitino lays all his cards on the table in addressing scandals of his past and the current headline-grabbing investigation that led a packed Board of Directors at Louisville to derail his career.

God, Family & Basketball Chris Elsberry,2020-10-25 For 50 years at St. Joseph's High School, Vito Montelli was a coach, a mentor, a father figure, a friend and so much more. He was a shoulder to lean on, a shoulder to cry on, someone who would always be there with an encouraging word. Vito Montelli didn't just teach basketball, he taught life. He is New England and Connecticut's all-time winningest basketball coach, going 878-329. He coached in 1,207 games. He is the only Connecticut and New England coach to surpass 850 wins. His teams won 11 Connecticut state championships, were runner-up six times and lost in the semifinals six times. There have been just five losing seasons in Montelli's 50-year coaching career at St. Joseph. A total of 33 players were named to the All-State team and 27 were named McDonald's All-Americans.

The City Game Matthew Goodman,2021-03-02 The powerful story of a college basketball team who carried an era’s brightest hopes—racial harmony, social mobility, and the triumph of the underdog—but whose success was soon followed by a shocking downfall “A masterpiece of American storytelling.”—Gilbert King, Pulitzer Prize–winning author of *Devil in the Grove* **NAMED ONE OF THE BEST SPORTS BOOKS OF THE YEAR BY THE NEW YORK TIMES** **BOOK REVIEW** The unlikeliest of champions, the 1949–50 City College Beavers were extraordinary by every measure. New York’s City College was a tuition-free, merit-based college in Harlem known far more for its intellectual achievements and political radicalism than its athletic prowess. Only two years after Jackie Robinson broke the Major League Baseball color barrier—and at a time when the National Basketball Association was still segregated—every single member of the Beavers was either Jewish or African American. But during that remarkable season, under the guidance of the legendary former player Nat Holman, this unheralded group of city kids would stun the basketball world by becoming the only team in history to win the NIT and NCAA tournaments in the same year. This team, though, proved to be extraordinary in another way: During the following season, all of the team’s starting five were arrested by New York City detectives, charged with conspiring with gamblers to shave points. Almost overnight these beloved heroes turned into fallen idols. The story centers on two teammates and close friends, Eddie Roman and Floyd Layne, one white, one black, each caught up in the scandal, each searching for a path to personal redemption. Though banned from the NBA, Layne continued to devote himself to basketball, teaching the game to young people in his Bronx neighborhood and, ultimately, with Roman’s help, finding another kind of triumph—one that no one could have anticipated. Drawing on interviews with the surviving members of that championship team, Matthew Goodman has created an indelible portrait of an era of smoke-filled arenas and Borscht Belt hotels, when college basketball was far more popular than the professional game. It was a time when gangsters controlled illegal sports betting, the police were on their payroll, and everyone, it seemed, was getting rich—except for the young men who actually played the games. Tautly paced and rich with period detail, *The City Game* tells a story both dramatic and poignant: of political corruption, duplicity in big-time college sports, and the deeper meaning of athletic success.
